The Intellectual In Politics

Agnes Gagy

The Intellectual In Politics:

Romain Rolland and the Politics of the Intellectual Engagement David Fisher, 2017-07-05 This intellectual portrait of Romain Rolland 1866 1944 French novelist musicologist dramatist and Nobel prizewinner in 1915 focuses on his experiments with political commitment against the backdrop of European history between the two world wars Best known as a biographer of Beethoven and for his novel *Jean Christophe* Rolland was one of those nonconforming writers who perceived a crisis of bourgeois society in Europe before the Great War and who consciously worked to discredit and reshape that society in the interwar period Analyzing Rolland's itinerary of engaged stands David James Fisher clarifies aspects of European cultural history and helps decipher the ambiguities at the heart of all forms of intellectual engagement Moving from text to context Fisher organizes the book around a series of debates Rolland's public and private collisions over specific committed stands introducing the reader to the polemical style of French intellectual discourse and offering insight into what it means to be a responsible intellectual Fisher presents Rolland's private ruminations extensive research and reexamination of the function and style of the French man of letters He observes that Rolland experimented with five styles of commitment oceanic mysticism linked to progressive democratic politics free thinking linked to antiwar dissent pacifism and ultimately Gandhism antifascism linked to anti imperialism antiracism and all out political resistance to fascism and most controversially fellow traveling as a form of socialist humanism and the positive side of antifascism Fisher views Rolland's engagement historically and critically showing that engaged intellectuals of that time were neither naive propagandists nor dupes of political parties David James Fisher makes a case for the committed writer and hopes to re ignite the debate about commitment For him Romain Rolland sums up engagement in a striking dialectical formula *Romain Rolland and the Politics of the Intellectual Engagement* David James Fisher, 1988

Daniel Patrick Moynihan Robert A. Katzmann, 2004-03-17 For more than a generation Daniel Patrick Moynihan has inhabited the worlds of ideas and politics and has nourished both Contributors here examine Moynihan's many areas of intellectual concern and influence ethnicity social policy international relations public works and public architecture and not the least government secrecy *Intellectual Politics and Cultural Conflict in the Romantic Period* Alex Benchimol, 2016-05-23 *Intellectual Politics and Cultural Conflict in the Romantic Period* maps the intellectual formation of English plebeian radicalism and Scottish philosophic Whiggism over the long eighteenth century and examines their associated strategies of critical engagement with the cultural social and political crises of the early nineteenth century It is a story of the making of a wider British public sphere out of the agendas and discourses of the radical and liberal publics that both shaped and responded to them When juxtaposed these competing intellectual formations illustrate two important expressions of cultural politics in the Romantic period as well as the peculiar overlapping of national cultural histories that contributed to the ideological conflict over the public meaning of Britain's industrial modernity Alex Benchimol's study provides an original contribution to recent scholarship in Romantic period studies centred around the public sphere

recovering the contemporary debates and national cultural histories that together made up a significant part of the ideological landscape of the British public sphere in the early nineteenth century *The Intellectual in Politics* H. Malcolm MacDonald, 1966 [The Intellectual in Modern Chinese History](#) Timothy Cheek, 2016-01-05 This vivid narrative history of Chinese intellectuals and public life provides a guide to making sense of China today Timothy Cheek presents a map and a method for understanding the intellectual in the long twentieth century from China's defeat in the Sino-Japanese war in 1895 to the Prosperous China since the 2008 Beijing Olympics Cheek surveys the changing terrain of intellectual life over this transformative century in Chinese history to enable readers to understand a particular figure, idea or debate The map provides coordinates to track different times, different social worlds and key concepts The historical method focuses on context and communities during six periods to make sense of ideas, institutions and individual thinkers across the century Together they provide a memorable account of the scenes and protagonists and arguments and ideas of intellectuals and public life in modern China

French Intellectuals and Politics from the Dreyfus Affair to the Occupation D. Drake, 2005-04-05 A companion volume to Drake's *Intellectuals and Politics in Post War France* 2002 *French Intellectuals from the Dreyfus Affair to the Occupation* traces the political positions adopted by French writers and artists from the end of the 19th century to the Liberation Drawing on a wide range of primary and secondary sources it offers a clear and accessible analysis of the intellectuals' engagement with nationalism, pacifism, communism, anti-communism, surrealism, fascism and anti-fascism which is located within the evolving national and international context of the period

Randolph Bourne and the Politics of Cultural Radicalism Leslie J. Vaughan, 1997 Reassesses the short life and career of American essayist, critic and founder of cultural radicalism Bourne 1886-1918 known today mostly for his opposition to US military involvement in Europe and warnings about the military-industrial complex Vaughan, political science U of Minnesota, Duluth argues that his stance from outside establishment perspectives was not a retreat from politics as many have claimed but a form of political engagement free from the suppositions that impede genuine debate and democratic change Annotation copyrighted by Book News Inc, Portland, OR

[The Sociology of Political Praxis \(RLE: Gramsci\)](#) Leonardo Salamini, 2014-04-24 This volume analyses the philosophical nature of Gramsci's Marxism and its Hegelian source, the radical critique of the economic tradition and the original analyses of the role of superstructures, ideology, consciousness and subjectivity in the revolutionary process It relates the central themes of Gramsci's writings such as hegemony, historical blocs, the role of intellectuals and political praxis to the more peripheral ones such as science, language, literature and art The introduction includes a brief intellectual biography of Gramsci

Democracy, social resources and political power in the European Union Niilo Kauppi, 2018-02-28 In this book Kauppi develops a structural constructivist theory of the European Union and critically analyses through French and Finnish empirical cases the political practices that maintain the Union's democratic deficit Kauppi conceptualises the European Union as both an arena for political contention and a nascent political order In this

evolving multi levelled European political field individuals and groups construct material and symbolic structures of political power grounded in a variety of social resources such as nationality culture and gender The author shows how the dominance of both executive political resources and domestic political cultures has prevented the development of European democracy Supranational executive networks have become more autonomous reinforcing the dominance of the resources they control At the same time national political cultures condition the political status of elected institutions such as the European parliament The book is particularly suited for undergraduate and graduate students in the fields of European Politics European Union Studies and International Relations

The Intellectual in Politics H. Malcolm Macdonald, 1966

Symbolic Power, Politics, and Intellectuals David L. Swartz, 2022-12-22 Power is the central organizing principle of all social life from culture and education to stratification and taste And there is no more prominent name in the analysis of power than that of noted sociologist Pierre Bourdieu Throughout his career Bourdieu challenged the commonly held view that symbolic power the power to dominate is solely symbolic He emphasized that symbolic power helps create and maintain social hierarchies which form the very bedrock of political life By the time of his death in 2002 Bourdieu had become a leading public intellectual and his argument about the more subtle and influential ways that cultural resources and symbolic categories prevail in power arrangements and practices had gained broad recognition In *Symbolic Power Politics and Intellectuals* David L Swartz delves deeply into Bourdieu's work to show how central but often overlooked power and politics are to an understanding of sociology Arguing that power and politics stand at the core of Bourdieu's sociology Swartz illuminates Bourdieu's political project for the social sciences as well as Bourdieu's own political activism explaining how sociology is not just science but also a crucial form of political engagement

Whither China? Xudong Zhang, 2001 Chinese cultural and intellectual politics waned after the Tiananmen Square incident This volume explores their revitalization in the 1990s

The Postcolonial Intellectual Oliver Lovesey, 2016-03-03 Addressing a neglected dimension in postcolonial scholarship Oliver Lovesey examines the figure of the postcolonial intellectual as repeatedly evoked by the fabled troika of Said Spivak and Bhabha and by members of the pan African diaspora such as Cabral Fanon and James Lovesey's primary focus is Ngũgĩ wa Thiong'o one of the greatest writers of post independence Africa Ngũgĩ continues to be a vibrant cultural agitator and innovator who in contrast to many other public intellectuals has participated directly in grassroots cultural renewal enduring imprisonment and exile as a consequence of his engagement in political action Lovesey's comprehensive study concentrates on Ngũgĩ's non fictional prose writings including his largely overlooked early journalism and his most recent autobiographical and theoretical work He offers a postcolonial critique that acknowledges Ngũgĩ's complex position as a virtual spokesperson for the oppressed and global conscience who now speaks from a location of privilege Ngũgĩ's writings Lovesey shows display a seemingly paradoxical consistency in their concerns over nearly five decades at the same time that there have been enormous transformations in his ideology and a shift in his focus from Africa's holocaust to Africa's renaissance Lovesey

argues that Ng g s view of the intellectual has shifted from an alienated nearly neocolonial stance to a position that allows him to celebrate intellectual activism and a return to the model of the oral vernacular intellectual even as he challenges other global intellectuals Tracing the development of this notion of the postcolonial intellectual Lovesey argues for Ng g s rightful position as a major postcolonial theorist who helped establish postcolonial studies **Toward a Reflexive Political**

Sociology of the European Union Niilo Kauppi, 2018-01-17 This book argues that contemporary European politics creates new forms of transnational power that challenge the traditional parameters of the nation state Kauppi identifies and critically explores the evolving dynamics between national and transnational spaces groups and knowledge and suggests that European public policies and transnational institutions like the European Parliament create new spaces types of knowledge and novel political practices **Toward a Reflexive Political Sociology of the European Union** is structured around three parts The first focuses on evolving transnational fields The second explores the changing role of academics and universities The third section engages with the works of Pierre Bourdieu on politics and the media The issues discussed throughout the book revolve around the challenges to the nation state and of knowledge production that is tied to it This book will be an invaluable resource to academics and researchers interested in European politics European Union studies and political sociology Identity and Awareness Pasquale De Marco, 2025-07-18

In Identity and Awareness The Evolving Role of the Intellectual in the 21st Century we embark on an intellectual journey to explore the ever changing landscape of thought and its profound impact on shaping our world This book delves into the multifaceted roles that intellectuals play in society their relationship with culture politics and the media and the challenges they face in an era of rapid transformation Through a series of thought provoking essays we encounter intellectuals who have fearlessly challenged authority intellectuals who have dedicated their lives to fighting for social justice and intellectuals who have used their platform to amplify the voices of the marginalized We also explore the challenges that intellectuals face in an era of fake news and disinformation and we consider the future of intellectualism in a world that is rapidly changing This book offers a unique perspective on the role of intellectuals in shaping our understanding of the world and inspiring us to create a better future It is a must read for anyone interested in the intersection of ideas culture and society Within these pages you ll discover The evolving role of intellectuals in society and how they are adapting to the challenges of the 21st century The complex relationship between intellectuals and culture politics and the media and how these relationships shape public discourse The challenges that intellectuals face in an era of fake news and disinformation and how they can maintain their credibility and influence The ways in which intellectuals can contribute to building a more just and equitable society and how their work can inspire positive change The future of intellectualism and the role that intellectuals will play in shaping our world in the years to come Identity and Awareness is a timely and important book that sheds light on the vital role that intellectuals play in our society It is a thought provoking and inspiring read that will leave you with a renewed appreciation for the power of ideas and the importance of

critical thinking If you like this book write a review **Education for Political Life** Iaan Reynolds,2023-07-27 Through a detailed reading of Karl Mannheim s early explorations in the sociology of knowledge this book argues for Mannheim s relevance for contemporary social and political theory As a philosophical project of self reflection the early sociology of knowledge is distinctive for its blend of Marxist social theory and phenomenological investigation making it a valuable resource for current philosophical attempts to relate thought to its social conditions Furthermore the struggle documented in the early days of this project against social critique s tendency to obscure its own perspective provides the best standard by which to assess its own limitations The Political Economy of Middle Class Politics and the Global Crisis in Eastern Europe Agnes Gagy,2021-08-09 Contrary to dominant narratives which portray East European politics as a pendulum swing between democracy and authoritarianism conventionally defined in terms of an ahistorical cultural geography of East vs West this book analyzes post socialist transformation as part of the long downturn of the post WWII global capitalist cycle Based on an empirical comparison of two countries with significantly different political regimes throughout the period Hungary and Romania this study shows how different constellations of successive late socialist and post socialist regimes have managed internal and external class relations throughout the same global crisis process from very similar positions of semi peripheral post socialist systemic integration Within this context the book follows the role of social movements since the 1970s paying attention both to the level of differences between local integration regimes and to the level of structural similarities of global integration The analysis maintains a special focus on movements class composition and inter class relationships and the specific position of middle class politics in movements **The Neoconservatives** Peter Steinfels,2013-11-19 More than three decades ago in The neoconservatives Peter Steinfels described a nascent movement predicting that it would be the sixties most enduring legacy to American politics Now in a new foreword to that portrait he traces neoconservatism s fateful transformation What was a movement of dissenting intellectuals creating a new modern kind of conservatism became a phalanx of political insiders urging the nation to flex its muscles overseas The neoconservatives describes the founders of the movement disenchanted liberals recoiling from the turmoil of the sixties a decline in authority and a loss of tough minded leadership at home and abroad Written contemporaneously to the birth of the movement that would profoundly mark American history The neoconservatives holds clues Steinfels argues to how and why neoconservatism swerved from its original promise even as it successfully implanted itself as an influential and aggressive element in our politics **Every Intellectual's Big Brother** John Rodden,2009-03-06 George Orwell has been embraced adopted and co opted by everyone from the far left to the neoconservatives Each succeeding generation of Anglo American intellectuals has felt compelled to engage the life work and cultural afterlife of Orwell who is considered by many to have been the foremost political writer of the twentieth century Every Intellectual s Big Brother explores the ways in which numerous disparate groups Orwell s intellectual siblings have adapted their views of Orwell to fit their own agendas and how in doing so they have changed our

perceptions of Orwell himself By examining the politics of literary reception as a dimension of cultural history John Rodden gives us a better understanding of Orwell s unique and enduring role in Anglo American intellectual life In Part One Rodden opens the book with a section titled Their Orwell Left and Right which focuses on Orwell s reception by several important literary circles of the latter half of the twentieth century Beginning with Orwell s own contemporaries Rodden addresses the ways various intellectual groups of the 1950s responded to Orwell Rodden then moves on in Part Two to what he calls the Orwell Confraternity Today those contemporary intellectuals who have in various ways identified themselves with or reacted against Orwell The author concludes by examining how Orwell s status as an object of admiration and detraction has complicated the way in which he has been perceived by readers since his death

Eventually, you will agreed discover a additional experience and capability by spending more cash. yet when? get you acknowledge that you require to get those every needs similar to having significantly cash? While this might not be the The Intellectual In Politics full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Intellectual In Politics eBooks, including some popular titles.

FAQs About The Intellectual In Politics Books

What is a The Intellectual In Politics PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Intellectual In Politics PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Intellectual In Politics PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Intellectual In Politics PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Intellectual In Politics PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
