Subject Cataloging Division, 1989 How to Go from Being a Good Evangelical to a Committed Catholic in Ninety-Five Difficult Steps Christian Smith, 2011-06-09 American evangelicalism has recently experienced a new openness to Roman Catholicism and many evangelicals both famous and ordinary have joined the Catholic Church or are considering the possibility This book helps evangelicals who are exploring Catholicism to sort out the kind of concerns that typically come up in discerning whether to enter into the full communion of the Catholic Church In simple language it explains many theological misunderstandings that evangelicals often have about Catholicism and suggests the kind of practical steps many take to enter the Catholic Church The book frames evangelicals becoming Roman Catholic as a kind of paradigm shift involving the buildup of anomalies about evangelicalism a crisis of the evangelical paradigm a paradigm revolution and the consolidation of the new Catholic paradigm It will be useful for both evangelicals interested in

pursuing and understanding Catholicism and Catholic pastoral workers seeking to help evangelical seekers who come to them **Commonweal** ,1929 **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1991 *Biblical Foundations for the Role of Healing in Evangelization* Mathias D. Thelen,2017-12-07 It s almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament The result of this biblical study is a clarion call for the church to renew its faith in God s desire and power to confirm his word through healing As healing becomes more accepted and frequent in evangelization a Catholic biblical and theological approach to healing as it relates to evangelization an approach that can be different from its Protestant counterpart is necessary This modest book fits this need **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office,2003 *The Converted Catholic* ,1905 **Reasoning from the Scriptures with Catholics** Ron Rhodes,2000-01-01 Anyone interested in sharing the gospel with Catholic friends or understanding where members of that denomination stand on important points of theology will appreciate this thorough yet easy to use reference Using the simple step by step format applauded by readers in Rhodes previous books *Reasoning from the Scriptures with Catholics* covers many theological issues that divide Protestants and Catholics including purgatory and indulgences the reverence of Mary mother of Jesus papal infallibility Catholic traditions and much more Each chapter examines a single Catholic belief or practice as taught in the Catholic Catechism and other major Catholic sources provides biblical responses and offers questions to help Catholics examine their church s readings Pastors teachers and lay leaders will find this insightful guide a must have tool for sharing the good news of salvation by faith alone with Catholic friends and family members
