International Family Law Barbara Stark, 2017-03-02 International law has become part of everyday family law practice as lawyers everywhere are confronted with questions regarding the rights of mail order brides the adoption of children from other countries the abduction of children by foreign parents and domestic violence victims seeking asylum Indeed globalization is transforming family law even as families themselves are being redefined This book provides a

practical overview of such issues and also examines the ways in which culture shapes family law in different countries It provides students with a useful introduction to challenging complicated and fascinating issues in international family law Finally by incorporating a comparative perspective it gives readers an opportunity to re examine their own legal systems

Comparative Law Esin Örüçü, David Nelken, 2007-10-12 This innovative refreshing and reader friendly book is aimed at enabling students to familiarise themselves with the challenges and controversies found in comparative law At present there is no book which clearly explains the contemporary debates and methodological innovations found in modern comparative law This book fills that gap in teaching at undergraduate level and for postgraduates will be a starting point for further reading and discussion Among the topics covered are globalisation legal culture comparative law and diversity economic approaches competition between legal systems legal families and mixed systems comparative law beyond Europe convergence and a new ius commune comparative commercial law comparative family law the common core and the better law approaches comparative administrative law comparative studies in constitutional contexts comparative law for international criminal justice judicial comparativism in human rights comparative law in law reform comparative law in courts and a comparative law research project The individual chapters can also be read as stand alone contributions and are written by experts such as Masha Antokolskaia John Bell Roger Cotterell Sjef van Erp Nicholas Foster Patrick Glenn Andrew Harding Peter Leyland Christopher McCrudden Werner Menski David Nelken Anthony Ogus Esin r c Paul Roberts Jan Smits and William Twining Each chapter begins with a description of key concepts and includes questions for discussion and reading lists to aid further study Traditional topics of private law such as contracts obligations and unjustified enrichment are omitted as they are amply covered in other comparative law books but developments in other areas of private law such as family law are included as being of current interest

Post-war Dilemmas of Sri Lanka S. I. Keethaponcalan, 2019-03-14 By investigating Sri Lanka as a case study this book examines whether democracy compared to authoritarianism is conducive to post war reconciliation The research founded on primary as well as secondary data concludes that political systems have little to do with the success or failure of post war ethnic reconciliation The Sri Lankan case indicated that post war reconciliation is more contingent on the readiness of the former enemies to come together Readiness stems from for example satisfaction in the way issues have been resolved confidence in the other party's intentions and the compulsion to coexist If the level of satisfaction confidence and the compulsion to coexist are low the readiness to reconcile will also be low The end of the war had a profound impact on post war governance and ethnic relations

in Sri Lanka Hence the volume provides an in depth analysis of the factors that led to the military victory of the Sri Lankan government over the Liberation Tigers of Tamil Eelam LTTE in 2009 The chapters delve into the nexus between governance and reconciliation under the first two post war governments Reconciliation did not materialize in this period Instead new fault lines emerged as attacks on the Muslim community escalated drastically This book provides a comprehensive analysis of the nature of relations between the Sinhalese and Muslims and the Tamils and Muslims as well as the nature and causes of post war anti Muslim riots
