Eisenhower is in the White House Elvis is in the army and eight year old Wade Parker is thrilled that Duke Snider and the Dodgers have moved west from Brooklyn Yet all is not well in the Parker household On the darkest day of his young life Wade plunges into the midst of an unimaginable crisis Worse yet his younger brother witnessed what happened and he can't keep a secret for a truckload of Abba Zabbas With an abundance of brotherly love and the unseen grace of God the brothers venture alone on dangerous exploits around northeast Los Angeles A powerfully imaginative coming of age story seasoned with hooligan humor Billy Goat Hill is an inspiring account of a young man's quest for God Culminating with a startling climax the reader is embraced by the central theme of forgiveness and salvation that can only come from a personal relationship with Jesus Christ Dorothy's cyclone had nothin on Scar Los Angeles 1958 Elvis is in the army Eisenhower's in the White House And eight year old Wade Parker heads out for Billy Goat Hill to run the Crippler in the dark just like Goody dared him to But Wade and his kid brother Luke run into Scar the most fearsome character they've ever had the misfortune to meet at four in the morning They won't realize it for years to come but knowing him will change their lives forever Wade's family is already disintegrating over the loss of a child If there's no place like home what happens when home is falling apart Wade begins a decades long journey searching for answers But when your life has been shaped by loss murder alcoholism and betrayal how do you find forgiveness Story Behind the Book I wrote this novel to fulfill God's plan for my gift to glorify Him and evangelize the lost Originally written before I gave my life to the Lord I now realize how much God through the writing was working in my life There is much of my own life story some actual events and a lot of metaphorical reflection embodied in the fictional character of Wade Parker The writing was deeply cathartic and not long after completing the original version of this novel I surrendered my heart to Jesus By God's grace I am now directed to write in His service

Timothy Shary,Nancy McVittie,2016-09-06 Winner Choice Outstanding Academic Title 2017 Americans are living longer and reinventing both work and retirement but Hollywood movies barely hint at this reality of contemporary society In many popular films older characters fade into irrelevance inactivity or absurdity or else they stay in the background as wise elders

while younger characters provide the action Most American films do not attempt to portray the rich variety of experiences or the sensitive aging issues that people confront in the years beyond fifty *Fade to Gray* offers one of the first extended studies of the portrayal of older people in American cinema from the silent era to the present Writing in an accessible style for both general audiences and scholars Timothy Shary and Nancy McVittie examine social attitudes toward aging through an analysis of hundreds of individual films including such classics as *You Can't Take It With You* 1938 *Rosemary's Baby* 1968 *Grumpy Old Men* 1993 and *Nebraska* 2013 They show how representations of the aging process and depictions of older people embracing or enduring the various experiences of longer lives have evolved over the past century as well as how film industry practices have both reflected and influenced perceptions of aging in American society Exposing the social and political motivations for negative cinematic portrayals of the elderly *Fade to Gray* also gives visibility to films that provide opportunities for better understanding and appreciation of the aged and the aging process
