The Kingdom At Hand The Gospel Of Matthew:

The Kingdom Is At Hand Jason R. Harris, 2014-05 The kingdom of God was a major topic of discussion between Jesus and His disciples Much of Jesus teachings were built upon the foundation of kingdom truths and spiritual realities Jesus on many occasions spoke of doing the will of the One who sent Him the will of His Father was the driving force of His purpose in the flesh He came to do the Father s will Jesus primary goal was the establishment of the Father s will on the earth As Jesus would move and act and speak on behalf of His Father the kingdom of heaven through His life would be in full advance made obvious by the supernatural demonstrations of the Spirit Strongholds were smashed prisoners were set free and the kingdom of darkness was falling Jesus by the authority given Him from the Father walked this earth in the liberty of the kingdom of heaven and put into motion the Father s plan to reconcile all things back to Himself But the message does not end there the same things that Jesus taught and did throughout His ministry He would later pass on to His disciples At the close of Jesus earthly ministry He would bestow upon them the mandate of His Father to preach the Gospel of the kingdom to every nation tribe and tongue They were to do what He did They were not going to be alone in this endeavor but would have with them living in them the Holy Spirit the Helper on the Day of Pentecost the kingdom had come in power and had transformed their lives Through the release of God s kingdom into the earth the disciples went about turning the world upside down This same transformative power the power of the kingdom of God is still here today God is in the process of restoring a kingdom paradigm a kingdom mindset back to the church In **The Kingdom Is At Hand** Pastor Jason R Harris gives us his own unique perspective on the nature of the kingdom of God In this book you will learn such truths as the kingdom is the will of the king the king is a direct reflection of His kingdom the edicts of the king are the rights of the citizens and many more Join Pastor Harris in discovering the kingdom of God and begin to walk in the truths revealed in this book **The Kingdom of Heaven Is at Hand** Larry Xavier Blumer, 2009 Have you ever noticed how the Gospels of Matthew Mark and Luke contain much of the same information Because the Gospel of John stands apart from the rest of the Gospels reading them may be confusing New author Larry Blumer has provided an in depth study of the Gospels in his new book **The Kingdom of Heaven is at Hand** The Gospel events are placed in chronological order so the reader can see them unfold plainly The commentary includes Journey maps that depict Jesus travels Commentary notes which give informative background information explaining customs of the day Application Today sections that help the reader apply the lesson from the event to their life From the birth announcements of John the Baptist and Jesus to the Sermon on the Mount **The Kingdom of Heaven is at Hand** provides a concise study on the Gospels Filled with practical insight sound biblical doctrine and much needed application this is a must read for every serious student of the Bible AUTHOR BIO Larry Blumer is an Electrical Engineer and active member of the Lutheran Church and has spent many years teaching adult bible classes The idea for this book began while studying to become a Bethel Bible teacher This book was developed while teaching an adult Bible class on the Gospels **The Time Is**

at Hand Robert Finley, 2008-11 THE TIME IS AT HAND The Book of Revelation was written in 66 A D to reveal that the time had come for the fulfillment of Christ's prophecies regarding those who condemned Him to death The destruction of Jerusalem which He had foretold was delayed 36 years while He called out an elect remnant of 144 000 Hebrews to give the gospel to other nations The great tribulation occurred 66 70 A D There will be no other comparable to it The falling away of the churches began in the Fourth Century and culminated 500 years later with that man of sin setting himself up in Rome like a god on the earth The first beast of Revelation 13 was the Roman Empire the second was religious Rome The Antichrist came in the Seventh Century not against Christ but as the one who took His place as in anti climax Muhammad's influence has been a thousand times greater than all other antichrists put together past present and future There is no mention of the restoration of Israel as a nation in the New Testament so present day Israel has no prophetic significance Christ will return when He has planted a witness _____

Pöhler, Kerstin Maiwald, 2025-08-28 The Kingdom of God is at Hand Adventist Interpretations of Biblical Apocalypticism offers nineteen papers presented at the 4th International Symposium of the Institute of Adventist Studies at Friedensau Adventist University Germany April 26 29 2021 The contributions represent current Adventist scholarship from four continents Europe North America Africa and Australia Well versed in their fields and knowledgeable about their subjects the authors are dealing with Christian apocalypticism from biblical historical theological and practical perspectives Originating from the 19th century Millerite movement Seventh day Adventism is deeply affected by apocalyptic thinking By looking at the Adventist faith tradition from a scholarly point of view this volume hopes to contribute to an apt assessment of apocalyptic eschatology Matthew's Gospel Michael J Tiry, 2025-02-02 The Gospel of Matthew presents the public ministry of the Lord Jesus Christ as the Messiah of the nation of Israel The overall theme of the Gospel is the call to Israel to Repent for the Kingdom of Heaven is at Hand The Gospel is in four sections The first section is in the first ten chapters in which the Lord carries on a broad based ministry to the nation at large In these chapters He demonstrates to the nation His credentials as the one who will reign over Israel and the earth as King of kings and Lord of lords Then in chapters 10 and 11 He is rejected by the leaders of the nation and is in fact blasphemed In Chapter 12 he introduces the unpardonable sin of blaspheming the Holy Ghost The third section is in Chapters 13 through 20 in which He confines His ministry to the 12 apostles to prepare them to be able to carry on the ministry of the gospel of the kingdom to the nation in His absence During this time Christ prepares His disciples for the coming events that will leave them confused and bewildered What the disciples

faced did indeed test their faith Yet the Lord fortified their resolve to go through those very trying times and remain faithful to Him as Messiah The fourth section consists of Chapters 21 through 28 covering His death burial and resurrection The author of this study traces the human interest as the disciples are discouraged by their Messiah appearing to just give up and allow Himself to be crucified He is going to the cross to accomplish redemption for the nation and the entire world but He can not tell them yet why that is happening Christ is preparing these men for their apostleship and also giving them enough evidence of His position as Messiah that they will get through those traumatic days of severe testing of their faith The Book of Matthew closes with the death burial and resurrection of Jesus Christ We see the apostles as they go through this time of testing of their faith Will they hold to their commission to proclaim the Kingdom to the nation and call the nation to repent of having crucified their Messiah The Gospel of Matthew ends abruptly in Chapter 28 in what seems to be almost anticlimactic in that the promised kingdom that the twelve were commissioned to preach and proclaim has not yet been established Today now that we are some 2 000 years past the apostles commissioning to proclaim the kingdom we still don't see the kingdom being established We ask why hasn't the kingdom been established yet In the conclusion of this study guide the author connects the Gospel of Matthew with the rest of the Prophetic Books concerning Israel's Kingdom notably the books of Hebrews through the Revelation What fills the gap between the books of Matthew and Hebrews That interruption concerns a temporary setting aside of the nation of Israel as a result of the blaspheming of the Holy Spirit as spoken of in Matthew 12 and occurring in the Book of Acts So from the middle of the Book of Acts until Philemon God is calling out from the lost masses of humanity a new elect agency the Church the Body of Christ Even though God is currently working with the Gentiles He will one day pick up His dealings with the nation of Israel This will happen after He catches the Church the Body of Christ to its eternal home in the heavens The Conclusion then puts the information in this study of Matthew's Gospel in perspective for the present dispensation of the grace of God and the ultimate continuing of Bible Prophecy that will follow

Commentary on the Gospel According to Luke James Stark,1866 *Commentary on the Gospel According to Luke ...* James Stark (M.D.),1866 **The Kingdom of God as Liturgical Empire** Scott W. Hahn,2012-03-01 Bestselling author and

theologian Scott Hahn views the author of Chronicles as the first biblical theologian. Chronicles offers the first attempt to understand and interpret the entire sweep of Old Testament history from the creation of the world to the Israelites' return from exile. This commentary presents 1 & 2 Chronicles as a liturgical and theological interpretation of Israel's history. Hahn emphasizes the liturgical structure and content of Chronicles and provides fresh insight on salvation history past, present, and future. He also shows how Chronicles provides important insights into key New Testament concepts. The book gives professors, students, and pastors a better understanding of Chronicles' salvation history and theological interpretation of the Old Testament.

Reflections on Biblical Themes by an Octogenarian Reuben J. Swanson, 2007-01-01

Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as a professor on college, university, and theological school levels. There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life. This growth came about through the interchange in the classroom as a student in preparation for ministry, then as a pastor in the everyday work experience and interchange with parishioners, and especially in the interchange with students in the classroom. This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents. It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world and that they will stimulate thought and discussion in parishes and in institutions of higher learning. Some of the viewpoints may seem to be controversial, but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life? These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings.
