The Kingdom of Our Father: Who is God the Father? Thomas W. Petrisko, 1999-04 Who is God our Heavenly Father Feared by many as an angry vengeful God who because of His wrath should be avoided in favor of Jesus the Eternal Father the Father of All Mankind is somewhat of a mystery to many Christians throughout the world today Enhanced through in depth interviews with visionaries and mystics who have reported intimate conversations with the First Person of the Most Holy Trinity The Kingdom of Our Father examines the extraordinary love tenderness and forgiveness of God the Father His divine plan of mercy for the world at this time and the prophesied coming of His Kingdom in the new millennium **The**

**The Ministry, Vol. 09, No. 01** Various Authors, 2005-01-01 This issue of The Ministry contains a complete record of the twelve messages given during the 2004 winter training on the Crystallization study of 1 and 2 Timothy and Titus held December 20 25 in Anaheim California The crucial truth and burden embodied in these twelve messages may be summarized in four statements 1 God s economy His household administration is to produce and constitute the Body of Christ by dispensing Himself into our being to make us the same as He is in life and nature but not in the Godhead 2 The church of God is the house of the living God the pillar and base of the truth and the great mystery of godliness God manifested in the flesh 3 We must be inoculators those who inoculate others against the decline of the church by exercising our spirit and remaining in the healthy teaching of God s economy 4 We must be inoculators those who inoculate others against the decline of the church by being a man of God with the breath of God These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth Because of the particular nature and length of this issue the usual section of reports concerning the Lord s move throughout the earth has been omitted We have however included a calendar giving the dates and locations of the seven Living Stream Ministry conferences and trainings the seven annual feasts for 2005 One cannot measure the benefits derived during these feasts from the Lord s rich speaking in His ministry and the mutual blending and building up of the saints and the churches in the Lord s recovery from every continent Our Father C.B. Peter, 2012-03-25 Our Father is an accessible but theologically astute book employing sound biblical scholarship systematic theological reflection and socio cultural assessments which aid understanding of the profound implications for our time in history and of the sixty seven words that comprise the Lords Prayer *A complete body of doctrinal and practical divinity; or, a system of Evangelical truths, deduced from the Sacred Scriptures. A new edition* John GILL (D.D., Baptist Minister, at Horsley Down.), 1815 *Lessons in the Small Catechism of Dr. Martin Luther* Martin Luther, George Mezger, 2022-06-02 In *Lessons in the Small Catechism of Dr. Martin Luther* the anthology presents a deep dive into the theological and pedagogical insights of one of Protestantism s foundational figures The collection navigates the intricacies of Christian doctrine as distilled in Luther s Small Catechism

opening layers of interpretation through diverse literary styles ranging from exegetical commentary to poetic reflection The anthology's remarkable divergence yet cohesive thematic focus draws readers into a broad yet unified exploration of faith education and devotion Standout pieces challenge conventional readings providing new insights without losing the reverence and authority Luther's work commands The anthology's contributors prominently featuring pieces by Martin Luther himself and George Mezger offer a rich tapestry of interpretations that underscore the historical and cultural contexts of Reformation theology The intersection of Luther's doctrinal clarity and Mezger's interpretative expansions reveal a dialogue that captures a pivotal moment in religious history Collectively the voices within this volume highlight the catechism's role in shaping Protestant educational and liturgical practices Their contributions not only accentuate the ongoing relevance of Reformation thought but also invite theological inquiry and reflection This collection serves as an invaluable resource for readers seeking a nuanced understanding of Lutheran doctrine and its theological heritage It presents a multi-dimensional platform for engaging with the spiritual educational and interpretive traditions stemming from one of Christianity's pivotal epochs Scholars theologians and readers interested in the crossroads of history and faith will find Lessons in the Small Catechism of Dr Martin Luther an indispensable volume that deepens one's appreciation for the complexities and synergies within Lutheran catechetical instruction fostering a vibrant dialogue across time and belief

**Victorious Living** E. Stanley Jones, 2014-10-21 E Stanley Jones wrote Victorious Living in 1936 to respond to inquirers who had come to him morally and spiritually defeated They were inwardly beaten thus outwardly ineffective The book responds with individual and social emphases and goes step by step as if on a ladder to work through the pressing questions of the inner life and how it extends outward How do we achieve a life evidencing the peace that passes understanding even in ourselves let alone passing it on What makes the difference between ordinary living and extraordinary victorious living How can we build a new inner strength that shines through in our outward character and relationships Our own efforts to rise above are ineffective but by applying the power of God's Word we can close the gap between our reality and our beliefs Each daily reading offers essential truths and eternal principles keys to victorious living in the circumstances we encounter every day Now this vibrant work is making a long deserved comeback with a new foreword by Leonard Sweet

The Sermon on the Mount contains some of Jesus's most powerful and penetrating words in the Gospels The words Jesus spoke within the Sermon confront us in numerous ways and challenge the status quo we often settle for in our faith Jesus

leaves no stone unturned challenging all who claim to follow him to evaluate what it means to live in faithful obedience As you read you will find yourself challenged and encouraged to live as a citizen of Christ s kingdom Each page within this book is an invitation for you to dive deeply into the message of the Sermon and allow yourself to be confronted by Jesus s words Moving through the devotional you will explore each verse individually allowing time to dwell on the depth each verse deserves However you will explore each verse as it relates to the broader themes and movements of the entire Sermon providing a comprehensive picture as well As you go through this devotional may you be challenged and encouraged by the words of Christ creating in you a desire to heed Christ s invitation to follow him *Herald of Gospel Liberty* Elias

Fee,Cherith Fee Nordling,2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1 **The Kingdom of God** Austin R. Dayal,2018-11-20 After proclaiming

that God's Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship between the Kingdom of God and his death Jesus said flesh and blood can't inherit the Kingdom of God but only those who are born of the Spirit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God's Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn't left their own families and possession to join the new community of God's people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the important aspects of Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God's Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God's redeemed people who follow the principles of his Kingdom This is the true life and witness of the church

**The Gospel of the Kingdom** Ian Lyall, 2012-08-11 The great majority of Protestant Evangelical Christians if asked what the heart of the Gospel is would reply along the lines that Jesus Christ came to this world to die on the Cross for their sins This is true But it

is in truth only a part of the real Gospel The Gospel rarely openly declared is the Kingdom of God The average believer would add to his confession of faith by saying that because Jesus died for his sins then he would after death go to Heaven to be with Jesus for eternity If the primary emphasis of this book is the Kingdom what it is like what it means to be a member of God s Kingdom then too I must needs address our eternal destiny which will not be in some permanently spiritual body in some far away heaven but on a restored earth In the second edition there are only minor additions to the text and also an index of Scriptures

*The Kingdom of Heaven* W. M. Seckinger, 2023-03-20 The kingdom of heaven what is it exactly Only one book in the Bible uses this terminology the gospel of Matthew and it presents it thirty three times in just twenty eight chapters Though the kingdom of God appears as well in the work it appears separate from the kingdom of heaven and in full alignment with the seven kingdom types of Scripture In substance this kingdom relates to the literal reign of Christ on earth But Matthew uses it more to refer to the time just before it is set up on earth He uses it more to speak of conditions that are to exist at the end of the tribulation prior to the kingdom age This makes his presentation unique and unlike any other In its prime position which is first and foremost in the order of the gospels and first and foremost in the order of the New Testament this gospel lays the groundwork for all that comes after it and is said by others Written from a disciple s perspective it reveals the inner workings of Jesus s ministry on earth going beyond the teachings and miracles to give the purpose behind these things and explain what was going on behind the scenes showing that more than Christ Jesus was the Savior of the world and a King The title King of kings and Lord of lords from the last book of the Bible resonates with the account The gospel follows a theme from beginning to end Every part contributes to the whole The textual arrangement of prophetic precision brings everything together And though written to Jews of the first century shortly after the time of Jesus s ascension grasped today these timeless truths compel one to live the Christian life on a higher plane

*The Kingdom Hillbillies* Cheryl Hobba, 2008-02 In this work the author discusses how Christians were brought out of bondage and darkness through the blood of Jesus and placed in the King s Palace a mansion complete with blessings Christian
