A. Scotti, 1984 **The Child's Story Bible** Catherine F. Vos, 1983 Tales of the Bible rewritten for young children **The Cryptogram - A Novel** James De Mille, 2015-02-20 First published in 1871 this is a classic adventure novel by one of Canada's most prolific authors of the 19th and early 20th century On Betrayal Avishai Margalit, 2017-02-06 Seamlessly combines analytic rigor with personal memoir its arguments are drawn from political history Biblical commentary novels and biographies Amelie Rorty Tufts University Adultery treason and apostasy no longer carry the weight they once did Yet we constantly see and hear stories of betrayal Avishai Margalit argues that the tension between the ubiquity of betrayal and the loosening of its hold is a sign of the strain between ethics and morality between thick and thin human relations On Betrayal offers a philosophical account of thick human relations relationships with friends family and core communities through their pathology betrayal Judgments of betrayal often shift unreliably A traitor to one side is a hero to the other Yet the notion of what it means to betray is remarkably consistent across cultures and eras Betrayal undermines thick trust dissolving the glue that holds our most meaningful relationships together On Betrayal is about ethics what we owe to the people and groups that give us our sense of belonging Drawing on literary historical and personal sources Margalit examines what our thick relationships are and should be and revives the long discarded notion of fraternity Provocative and illuminating Michael Walzer Institute for Advanced Study Witty and wise precise and profound On Betrayal is an easy but deep read it sees life as it really is with all its turmoil The Christian Century The range of Margalit's examples is astonishing He is much more knowledgeable about and comfortable with communities and in communities than most philosophers are and so he is very good at recognizing when they go wrong New York Review of Books *The Gospel Story* Anonymous, 2023-03-18 Reprint of the original first published in 1871 The publishing house Anaplosi publishes historical books as reprints Due to their age
