Koreans in America Stacy Taus-Bolstad, 2005-01-01 Examines the history of Korean immigration to the United States discussing why Korean immigrants came what they did when they got here where they settled and customs they brought with them

Korean Immigrants from Latin America Jin Suk Bae, 2021-11-03 Korean Immigrants from Latin America explores the migration and resettlement experiences of Koreans from Latin America now residing in the New York metropolitan area It uses interview data from 102 Korean secondary migrants from Latin America to explore the religious familial economic and educational dimensions of their migration and resettlement processes in the U S As Korean and Latino immigrants share increasingly close interactions with each other in various urban settings these Korean remigrants can serve as links between Korean and Spanish speakers as well as liaisons among diverse groups This book shows a surprising degree of diversity within the seemingly homogenous Korean population in the U S and demonstrates the unacknowledged linguistic and cultural differences among them

*Koreans in America* Wayne Patterson, 1992 Surveys the immigration of Koreans to America from 1903 to the present time and identifies the contributions of individual Koreans to American life and culture

The Identity and Mission of the Korean American Church Enoch Jinsik Kim, Sebastian Kim, 2024-07-02 This volume interweaves contributions from a group of scholars brought together for the 2022 Korean Studies Center Symposium at Fuller Theological Seminary The collection provides a forum for scholars of Korean American Protestant churches to address key challenges concerning the sociocultural and theological formation of identity and mission as these churches continue to navigate their place in society in relation to others including Korean churches in South Korea mainline churches in the US other ethnic churches and multiethnic churches The chapters address the following issues who the Korean American churches are God s vision for the Korean American churches how to interpret Korean Americans journey in immigrant church history how heritage sustained them and will keep them what the immigrant church should know in this post pandemic time and the hopes of the next generation

The Korean American Dream Kyeyoung Park, 2018-09-05 Korean immigrants to the United States establish their own small businesses at a rate exceeding that of immigrants from any other nation with more than one third of all Korean immigrant adults involved in small businesses Kyeyoung Park examines this phenomenon in Queens New York tracing its historical bases and exploring the transformation of Korean cultural identity prompted by participation in an enterprise Park documents the ways in which Korean immigrants use entrepreneurship to improve the quality of their lives focusing on their concerns and anxieties as well as their joys The concept of anjong is crucial to the lives of first generation Korean Americans in Queens Park explains The word may be translated as establishment stability or security and it identifies a particular concept of success through which Koreans make sense of the American ideology of opportunity What they seek is not great wealth or social position but rather the creation of their own small businesses as a way of realizing the American dream The pursuit of anjong is important enough to justify changes in gender and kinship

relations resulting in the rise of a Korean American women centered and sister initiated kinship structure Commitment to the concept has also inspired a different understanding of class ethnicity and race and stimulated new religious ideas and practices

**Pastoral Care in a Korean American Context** Angella Son, 2021-01-04 This book provides theoretical background and pastoral strategies for pastors lay leaders and congregation members to foster a restoration of the human dignity imputed by God and the good community God desires It addresses issues in pastoral care and pays particular attention to Korean and Korean American contexts Some of the specific issues addressed include wisdom for common life Chung Yong as a theological and pastoral task tension between Confucianism and feminism care of the abused and abusers in intimate violence ageism and elderly care racism and cultural identity of Korean youth sexual ethics among Korean young adults and depression and addiction among Korean American youth and young adults All of the contributors have a strong background in clinical and or pastoral practices in addition to theoretical expertise

**Preaching to Second Generation Korean Americans** Matthew D. Kim, 2007 This in depth study on preaching to second generation Korean Americans the first of its kind is based on empirical and ethnographic fieldwork Matthew D Kim conducted surveys and semi structured qualitative interviews with Korean American pastors and second generation young adult respondents in three geographic regions of the United States the Midwest the West Coast and the East Coast His primary conceptual framework employs social psychologists Hazel Markus and Paula Nurius theory of possible selves to facilitate the process of congregational exegesis in the second generation Korean American church context This book offers a new contextual homiletic model that enables Korean American preachers to engage in deeper levels of ethnic and cultural analysis in their sermonic preparation Simultaneously the author reconstructs conventional preaching roles of Korean American preachers and second generation listeners so that they may co creatively imagine new possible selves that radically advance Christian mission and practice in the world This book will serve as a primary or secondary source for upper level undergraduate graduate and postgraduate courses on preaching communication studies ethnic and racial studies cross cultural ministry or social psychology
