The Kundalini Secret Energy And How It Is Aroused:

Higher Psychical Development (Yoga Philosophy) an Outline of the Secret Hindu Teachings Hereward Carrington, 1920 **A Meditator's Guidebook to The Secret of the Golden Flower** JJ Semple, 2018-07-23

The first book to examine and extract the workable teachings from the The Secret of the Golden Flower Forget dogma and belief systems This is DIY meditation method especially for those individuals tempted to brave the solitary path It s only limits are your ability to envision and strive for a new YOU Since the publication of Deciphering the Golden Flower One Secret at a Time ASIN B001A9TN7Q in 2008 DGF readers have asked for an in depth guidebook on using The Secret of the Golden Flower SGF to awaken kundalini in a manner and with results similar to those described in JJ Semple s DGF The Secret of the Golden Flower A Kundalini Meditation Method is that book a much anticipated interpretive guide to the SGF as well as a sequel to his DGF autobiographical kundalini memoir Kundalini is the formative biological life force energy in your body Most people don t realize that kundalini resides within them they are simply unaware of its actuality and its potential Which means of course that it may never re activate either spontaneously or otherwise not unless you learn how to induce a Kundalini awakening through meditation practice Even then the outcome is never certain There s a quantum or karmic aspect to the process Wilhelm Cleary and Jung translated the book and commented on its teachings but not one of them ever practiced the method This book compares their translations and commentaries with JJ Semple s empirical practice of the method using his ultimate success in awakening kundalini as the arbiter of its suitability as a method in essence the author identifies where the written word deviates from actual practice He extracts the workable teachings from the esoteric text of the SGF and shapes them into a practical modern method By cross referencing both the Cleary and the Wilhelm versions the author details each version s contribution to the kundalini awakening process A chapter comparing Golden Flower Meditation GFM to the Microcosmic Orbit MCO is also included Says JJ Semple Did I take every word and every passage in the Wilhelm version literally No more than I take every word or passage in the Bible or in Cleary s translation literally I realized that a successful practice depended on problem solving and detective work that searching for literal meaning was a waste of time Success would be found in doing not in fantasizing In fact the SGF has two objectives One it s a manual for kundalini meditation even though the term kundalini never appears in the text Put aside what you may have been told or read about the SGF and accept this as fact one borne out by centuries of realized practitioners who practiced the method a fact vetted by contemporaries such as Gopi Krishna Two it s an explanation of ontology which the dictionary defines as the branch of metaphysics dealing with the nature of being Neither objective is readily understood without practicing the method Sure it s possible to approach the text as an academic challenge but the best way to reconcile the two objectives is by practicing the method which if you are patient allows you to grok the ontological elements as you move forward The two are not separated in the text they re mingled together which as you might imagine makes understanding problematic Says JJ Semple Although

the ontological portions obscured the practical aspects to some degree I decided to forge ahead Ultimately once the meditation took its course once the light started to circulate I was catapulted out of the limiting duality of the physical world into the metaphysical actuality of the great One which has nothing above it In short he learned that enlightenment comes with practice

Secret Notes of a Guru Samael Aun Weor, 2025-01-01 This man in addition to committing the crime of healing the ill is also the author of a book entitled The Perfect Matrimony which is an outrage against public morality and the good customs of the citizens So stated the official document demanding the arrest and imprisonment of Samael Aun Weor So began his diary written from prison in which he documented his meditations and insights and the process of spiritual initiation related to his imprisonment This book is full of details about dream interpretation meditation degrees of initiation the awakening of the sacred fire and much more Most significantly he emphasized the necessity for spiritual aspirants to consume blessed food and drink at home that sacred meal known in every religion by names like communion eucharist kiddush tsog prasad etc He also provided a complete ritual for families to practice at home around their dinner table to invoke the help of the supreme savior known as Christ Avalokitesvara Quetzalcoatl etc Thus instead of being cowed by the attempts of the dominate religions to suppress him they served to increase his efforts to help humanity resulting in this beautiful and deeply mystical book The Holy Eucharist should be practiced in the houses of all our Gnostic brothers and sisters Thus each home can become a Gnostic temple and the head of each family is a priest No more lodges no more schools no more sects no more infamies no more exploitation The temple is within ourselves and the High Priest is Christ When a group of people around a table are verifying the Holy Eucharist the ceremony reverberates in all the seven planes of cosmic consciousness and opens a channel through the seven worlds through which the sublime energies of the Solar Logos descend and thus the bread and wine become true accumulators of Christic atoms which upon reaching our stomach are diffused throughout our organism Christifying and sublimating it for the initiation Samael Aun Weor
