The Ladies' Book of Etiquette, and Manual of Politeness Florence Hartley, 1876 **The Ladies' Book Of Etiquette, And Manual Of Politeness** Florence Hartley, 2023-10-19

The Ladies Book of Etiquette and Manual of Politeness is a 19th century guidebook on etiquette and manners written by Florence Hartley. Published in 1860, it provides guidance to women on conducting themselves with grace, courtesy, and propriety in various social situations of the era. Topics covered include behavior at social gatherings, rules for correspondence, hosting guests, and guidelines for dress and personal grooming. The book reflects the social norms and values of the mid-19th century, offering insight into the expectations and roles of women during that period.

The Ladies' Book of Etiquette, and Manual of Politeness Florence Hartley, 2016-09-16

There is no branch of education called so universally into requisition as the art of letter writing, no station high or low where the necessity for correspondence is not felt, no person young or old who does not at some time write, cause to be written, and receive letters. From the President in his official capacity with the busy pens of secretaries constantly employed in this branch of service to the Irish laborer who unable to guide a pen writes also by proxy to his kinsfolks across the wide ocean, all at some time feel the desire to transmit some message, word of love, business, or sometimes enmity by letter. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much. Such people scout politeness because to be truly a lady one must carry the principles into every circumstance of life, into the family circle, the most intimate friendship, and never forget to extend the gentle courtesies of life to every one. This they find too much trouble, and so deride the idea of being polite and call it deceitfulness. True politeness is the language of a good heart, and those possessing that heart will never under any circumstances be rude. They may not enter a crowded saloon gracefully, they may be entirely ignorant of the forms of good society, they may be awkward at table, ungrammatical in speech, but they will never be heard speaking so as to wound the feelings of another; they will never be seen making others uncomfortable by seeking solely for their own personal convenience; they will always endeavor to set every one around them at ease; they will be self-sacrificing, friendly, unselfish, truly in word and deed, polite. Give to such a woman the knowledge of the forms and customs of society, teach her how best to show the gentle courtesies of life, and you have a lady created by God, only indebted for the outward polish to the world.
