

The Lady In Question

Kitty L. Kielland

The Lady In Question:

The Lady in Question Judith Laik, 2005 When Charlotte Treadwell's father loses her in a game of hazard she finds herself in the arms of handsome rake Hugh Brooks Earl of Rayfield and soon loses her heart in a dangerous game of love
Original [The Lady in Question](#) Charles Busch, 1990 **Victorian Women Writers and the Woman Question** Nicola Diane Thompson, 1999-07 This book was first published in 1999 This collection of essays by leading scholars from Britain the USA and Canada opens up the limited landscape of Victorian novels by focusing attention on some of the women writers popular in their own time but forgotten or neglected by literary history Spanning the entire Victorian period this study investigates particularly the role and treatment of the woman question in the second half of the century There are discussions of marriage patriarchy and divorce satire suffragette writing writing for children and links between literature and art Moving from Margaret Oliphant and Charlotte Mary Yonge to Mary Ward Marie Corelli Ouida and E Nesbit this book illuminates the complex cultural and literary roles and the engaging contributions of Victorian women writers *George Gissing and the Woman Question* Christine Huguet, 2016-04-22 Approaching its subject both contextually and comparatively George Gissing and the Woman Question reads Gissing's novels short stories and personal writings as a crux in European fiction's formulations of gender and sexuality The collection places Gissing alongside nineteenth and twentieth century authors as diverse as Paul Bourget Ella Hepworth Dixon May Sinclair and Theodore Dreiser theorizing the ways in which late Victorian sexual difference is challenged explored and performed in Gissing's work In addition to analyzing the major novels essays make a case for Gissing as a significant short story writer and address Gissing's own life and afterlife in ways that avoid biographical mimetics The contributors also place Gissing's work in relation to discourses of subjectivity and intersubjectivity identity public space class and labour especially literary production Increasingly viewed as a key chronicler of the late Victorian period's various redefinitions of sexual difference Gissing is here recognized as a sincere uncompromising chronicler of social change **The Woman Question: Social issues** Elizabeth K. Helsinger, Robin Ann Sheets, William R. Veeder, 1983 [Samantha on the Woman Question](#) Marietta Holley, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Debating the Woman Question in the French Third Republic, 1870-1920** Karen Offen, 2018-01-11 A magisterial reconstruction and analysis of the heated debates around the woman question during the French Third Republic [The 'Woman Question' and Higher Education](#) Ann Mari May, 2009-01-01 The interdisciplinary mix of sharp commentary and scholarship has the potential to invigorate and reawaken debate on why women aren't advancing faster in academia and the role of theoretical social and institutional bias in perpetuating this inequity Undergraduate and graduate students of educational and workplace inequality women's studies and neoclassical theory will benefit from engaging in the dialogues raised in this book Lois Joy Feminist

Economics this book offers a contribution to debates and is a timely reminder that the woman question remains a compelling issue The critical insights offered by scholars from across the disciplines of history philosophy psychology sociology and economics is a unique aspect of this text This is a thoughtful and scholarly contribution to the knowledge base Tanya Fitzgerald Journal of Educational Administration and History Detractors will find all the supporting data that they might fear to see as the authors have done their homework housework and it is spotless The opening statement of the acknowledgements can stand for the remainder of us that in encouraging our academic interests as a stimulus to creative energy in making us laugh and in reminding us to hold on to that which we value most for women and men in higher education there cannot be much improvement on this book Julia Swindells Times Higher Education a particularly readable and interesting set of complementary essays Education Economics These outstanding essays by eminent scholars provide sophisticated and highly readable analyses of the causes of women's exclusion from full participation in knowledge production today From multiple disciplinary perspectives the authors examine the roles of biology institutional impediments discrimination and women's choices A must read for all concerned with the role of women in contemporary higher education Myra H Strober Stanford University US These fascinating essays by scholars from a wide range of disciplines examine women's struggle since the nineteenth century for inclusion and voice in American higher education and the long often grimly comic history of the arguments that men with authority to speak have used and continue to use to rationalize limiting women's role Everyone interested in the history of women in American universities should read this book Robert W Dimand Brock University Canada These essays offer fresh insights on the question of the paucity of women in higher education and together form a thoughtful and contemporary response to Lawrence Summers and the Woman Question in the twenty first century This uniquely interdisciplinary study offers a provocative contemporary look at the Woman Question in relation to higher education at the dawn of the twenty first century Leading feminist scholars from a wide variety of perspectives and disciplines including history philosophy education psychology sociology and economics evaluate the role of biology discrimination and choice in rationalizing women's exclusion from fully participating in the process of knowledge production as well as examining institutional impediments Contextualizing arguments against women's inclusion and including contemporary perspectives on gender this book offers a rich multi layered examination and critical insights into understanding the near universal difficulties that women encounter as they seek to participate fully in the process of knowledge production This book addresses one of the most compelling topics of our time and speaks to our need to understand the long struggle of women to gain an authoritative voice in higher education and the factors that underlie that struggle Scholars and researchers of women's studies higher education and a range of humanities and social sciences will find this book a welcome addition to the literature

The woman's question and the man's answer; or, Reflections on the social consequences of legalizing marriage with a deceased wife's sister. By B.A.W. B A. W,1859 *The Victorian Woman*

Question in Contemporary Feminist Fiction J. King, 2005-06-01 The Victorian Woman Question in Contemporary Feminist Fiction explores the representation of Victorian womanhood in the work of some of today's most important British and North American novelists including A.S. Byatt, Sarah Waters, Margaret Atwood, Angela Carter and Toni Morrison. By analysing these novels in the context of the scientific, religious and literary discourses that shaped Victorian ideas about gender, it contributes to an important interdisciplinary debate. For while showing the power of these discourses to shape women's roles, the novels also suggest how individual women might challenge that power through their own lives.

The Woman Question Kitty L. Kielland, 2020-12-16 Kitty Kielland's verve and confidence, scathing wit and indignant ability and willingness to point out stupidity and hubris underpin her entry in the late nineteenth century argument about The Woman Question. This major contribution to the expansion of women's right in Scandinavia helped frame the discussion within church and social movements throughout Europe and North America. The Woman Question remains significant today for its framing of discussions about gender and equality as both a fundamental human right and a necessary component of any Christian social policy. Ultimately, Kielland's summary of her position, justified by the Bible and her life experiences, remains both compelling in its own right and a devastating rebuke to all those who would claim an authority to speak for others. My argument is that every free person wants to have a personal independent identity and I do not see why we should not have the right to want it. This edition is the first translation into English of Kitty Kielland's *The Woman Question*.

A New Woman Reader Carolyn Christensen Nelson, 2000-11-07 In the 1890s one phrase above all stood as shorthand for the various controversies over gender that swirled throughout the period: the New Woman. In New Women fiction, progressive writers such as Sarah Grand, George Egerton and Ella D'Arcy gave imaginative life to the plight of modern women, and reactionaries such as Grant Allen attempted to put women back in their place. In all the leading journals of the day, these and other writers argued their cases in essays, letters and reviews as well as in fiction. This anthology brings together for the first time a representative selection of the most important, interesting and influential of New Woman writings.
