Lalleman, 2019-05-14 An easy to read introduction to the book of Revelation by a respected biblical scholar Do you find Revelation hard to understand Help is at hand Dr Pieter J Lalleman Tutor of Biblical Studies at Spurgeon's College London takes the reader step by step through the challenges of the Bible's last and most difficult to understand book Details The book of Revelation is first and foremost a letter addressed to seven

churches in Asia Minor modern day Turkey Like any normal letter the book contains references to the situation of the readers As later readers we look over the shoulders of the original readers into a correspondence which initially was not directed to us Yet Revelation is also a prophetic book John himself makes this claim in 1 3 and 22 7 10 18 and 19 in 10 11 his work is called prophesying But what is prophecy in the Bible People such as Elijah Isaiah and Jeremiah were messengers of God who spoke his word to their contemporaries God gave them spiritual insight into their time so that they could shine God s light on it They knew God s precepts and applied these to the situation Prophets warned people if they were not living as God wanted but on the other hand they encouraged positive developments Prophets pointed people to the consequences of their behavior and in that context they also spoke about the future Jewish and Christian prophecy is thus not primarily a form of prediction of the future It was first and foremost relevant for those who were being addressed it confronted them with God s opinion of their situation with his hopes his promises and sometimes also with his judgement in case they would not listen But when they repented God adapted his plans as we see in the book of Jonah We will approach Revelation in the same way in which we handle all prophecy by asking what kind of situation is in view and what was expected of the first hearers Subsequently we will raise the question how this might be relevant to us in the twenty first century Revelation is a letter and a prophecy but it is also an apocalyptic book The Greek word for revelation in 1 1 is apocalypse We often use this word in such expressions as an apocalyptic event but we must be careful that our modern language does not hinder our understanding of the Bible Apocalyptic texts are books which claim to contain revelations about the heavenly world and or about the future but not necessarily about disasters And they challenge us to check our behavior The studies in this book discuss the more readily accessible parts of Revelation with special attention to the connections of these passages with the Old Testament

The Goldsworthy Trilogy Graeme Goldsworthy, 2014-09-01 Combining three incredibly important books for the teaching of the church The Goldsworthy Trilogy offers a complete and comprehensive guide to understanding the gospel throughout the whole of Scripture This collection containing the hugely popular Gospel and Kingdom Gospel and Witness and The Gospel in Revelation will be an essential guide to be used again and again for those who seek to understand the Bible in the light of who Jesus is Those already acquainted with Goldsworthy s work will be familiar with his pithy and engaging style Straightforward in his approach he looks at how the Bible can only be understood through the eyes of the gospel From this base of interpretation he studies the Old Testament and its application for today Israel s wisdom literature and its role in the Christian life and the purpose and contemporary relevance of the book of Revelation while his knowledge of Old Testament idiom and structure enhances his writing This trilogy follows the Bible chronologically to give the reader a complete overview of evangelical biblical interpretation forming an essential one stop reference that will last a lifetime

The Lion and the Lamb Gary Witcher, 2013-07-25 Only the Holy Spirit could author the apocalypse the true story of the awesome cherubim and the awful beasts It is the report of dueling marks of closed and open books of words to be revealed and words to be sealed It

is the account of a river sent out to destroy and a river sent out to provide healing and life It is the description of a glorious throne and a smoke filled pit It is the story of a harlot and a pure bride But the outcome is never in question After all this is the story of the Lion of Judah who is the Lamb of God **The Crucified King** Jeremy R. Treat,2014-05-27 The kingdom of God and the atonement are two of the most important themes in all of Scripture Tragically theologians have often either set the two at odds or focused on one to the complete neglect of the other In *The Crucified King* Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king As Israel s messiah he holds together the kingdom and the cross by bringing God s reign on earth through his atoning death The kingdom is the ultimate goal of the cross and the cross is the means by which the kingdom comes Jesus death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission The cross is the throne from which he rules and establishes his kingdom Using a holistic approach that brings together the insights of biblical and systematic theology this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology

The Testimony of Jesus Witness Lee,2005-12 The local church the church in each locality is the testimony of Jesus today The testimony of Jesus is the practical church not the church in the air or the church to come A church yet to come cannot show Jesus to people and a church in the heavens may show Jesus to the angels but it cannot show Jesus to people on the earth Therefore we need to consider whether we truly bear the image of Jesus If we show someone an unclear picture of a person it will not be a proper testimony of him with his image and appearance We may see something in the picture but it will not be the person we claim to show The church in our locality must bear the image expression appearance and virtues of Christ Narrative Mode and Theological Claim in Johannine Literature Lynn R. Huber,Susan E. Hylen,William M. Wright IV,2021-08-24 Exegesis that bears fruit both for the academy and the church In this collection of essays and sermons on the Gospel of John and Revelation friends colleagues and former students of Gail R O Day explore and extend the possibilities raised by her work in her groundbreaking study *Revelation in the Fourth Gospel* The essays engage with both historical contextualization and literary analysis to identify the rhetorical features that ancient readers might have apprehended while the sermons explore how the literary shape of the text can inform preaching through attention to the narrative modes of the text Contributions from Yoshimi Azuma Teresa Fry Brown Patrick Gray Lynn R Huber Susan E Hylen Karoline M Lewis Thomas G Long Veronice Miles Vernon K Robbins Gilberto A Ruiz Ted A Smith and William M Wright IV thematize the importance of narrative approaches and the diverse ways they can be employed The Harvest Handbook of Bible Prophecy Ed Hindson,Mark Hitchcock,Tim LaHaye,2020-05-12 Everything You Need to Know About the Last Days at Your Fingertips The Harvest Handbook™ of Bible Prophecy is a reference resource that provides a comprehensive overview of everything the Bible says about the last days Compiled by bestselling prophecy teachers Ed Hindson Mark Hitchcock and Tim LaHaye

Sook-Young Kim,2010 The picture of the warrior Messiah depicted in the Old Testament as a future redeemer figure matches that of Jesus as the warrior in the New Testament fighting against the cosmic evil power The warrior TM's struggle takes place in a cosmic heavenly dimension rather than earthly utilizing the word from his mouth as the only weapon to defeat the demons and the evil hosts Strong unity and continuity of the motif are detected within the Old and New Testaments as well as between the Testaments **A Reader's Guide to the Bible** Earle Edwin Cairns,2002 *The Indelible Image: The*

Theological and Ethical Thought World of the New Testament, Volume One Ben Witherington III,2009-08-24 Having completed commentaries on all of the New Testament books a remarkable feat in itself Witherington now offers a two volume set on the theological and ethical thought world of the New Testament The first volume looks at the individual witnesses while the second examines the collective witness **The Conclusion of the New Testament (8)** Witness Lee, In the Lord's
