The Lane Rebels Evangelicalism And Antislavery In Antebellum America:

The Lane Rebels Lawrence Thomas Lesick, 1980 **Women, Dissent and Anti-Slavery in Britain and America, 1790-1865** Elizabeth J. Clapp, Julie Roy Jeffrey, 2011-04-21 This volume of eight essays examines the role that religious traditions practices and beliefs played in women s involvement in the British and American campaigns to abolish slavery during the late eighteenth and early nineteenth centuries It focuses on women who belonged to the Puritan and dissenting traditions Abolition and Antislavery Peter Hinks, John McKivigan, 2015-07-14 The clearly and concisely written entries in this reference work chronicle the campaign to end human slavery in the United States bringing to life the key events leading figures and socioeconomic forces in the history of American antislavery abolition and emancipation The struggle to abolish human slavery is one of the most important reform campaigns in history The eventual success of this decades long struggle serves as an inspiring example that even the most deeply rooted social wrongs can be corrected This valuable reference work details the history of antislavery abolition and emancipation to illustrate the various forms of these forces and the courses they followed in the bitterly contested struggle against the institution of slavery affording readers the most current compendium of the diverse scholarship of this important historical topic Geared toward readers seeking to learn about antislavery and abolition in U S or African American history **Abolition and Antislavery A Historical Encyclopedia of the American Mosaic** addresses a period of particular significance the years that shaped the sectional debates leading up to the Civil War The coverage encompasses both white abolitionists such as Theodore Dwight Weld and William Lloyd Garrison and black abolitionists such as Frederick Douglass Martin Delaney and Sojourner Truth Each alphabetically organized entry contains cross references as See Also at the end of each entry text An introductory essay ensures that all readers have a clear framework for understanding the subject regardless of their previous background knowledge **Theodore Dwight Weld and the American Anti-Slavery Society** Owen W. Muelder, 2011-10-14 In the 1830s the abolitionist movement gained remarkable momentum due in large measure to the establishment of the American Anti Slavery Society and the work carried out by one of its most important leaders Theodore Dwight Weld One of Weld s most significant accomplishments was the recruitment of a group of key abolitionist agents known as the Seventy who worked to expand the reach of abolitionist thought and action and enlisted new members into the movement This volume chronicles the founding development and mission of the American Anti Slavery Society the contributions of Weld and the crusading efforts of the agents he assembled With the most complete list to date of the identities of the Seventy this work constitutes a valuable contribution to the history of the abolitionist movement *Nathaniel Taylor, New Haven Theology, and the Legacy of Jonathan Edwards* Douglas A. Sweeney, 2002-12-05 Nathaniel Taylor was arguably the most influential and the most frequently misrepresented American theologian of his generation While he claimed to be an Edwardsian Calvinist very few people believed him This book attempts to understand how Taylor and his associates could have counted themselves Edwardsians In the process it explores what it

meant to be an Edwardsian minister and intellectual in the 19th century *Public Relations and Religion in American History* Margot Opdycke Lamme, 2014-02-18 Winner of The American Journalism Historians Association Book of the Year Award 2015 This study of American public relations history traces evangelicalism to corporate public relations via reform and the church based temperance movement It encompasses a leading evangelical of the Second Great Awakening Rev Charles Grandison Finney and some of his predecessors early reformers at Oberlin College where Finney spent the second half of his life leaders of the Woman s Christian Temperance Union and the Anti Saloon League of America and twentieth century public relations pioneer Ivy Ledbetter Lee whose work reflecting religious and business evangelism has not yet been examined Observations about American public relations history icon P T Barnum whose life and work touched on many of the themes presented here also are included as thematic bookends As such this study cuts a narrow channel through a wide swath of literature and a broad sweep of historical time from the mid eighteenth century to the first decades of the twentieth century to examine the deeper and deliberate strategies for effecting change for persuading a community of adherents or opponents or even a single soul to embrace that which an advocate intentionally presented in a particular way for a specific outcome prescriptions as it turned out not only for religious conversion but also for public relations initiatives *Religion, Race, and the Making of Confederate Kentucky, 1830-1880* Luke E. Harlow, 2014-04-21 This book sheds new light on the role of religion in the nineteenth century slavery debates Luke E Harlow argues that the ongoing conflict over the meaning of Christian orthodoxy constrained the political and cultural horizons available for defenders and opponents of American slavery The central locus of these debates was Kentucky a border slave state with a long standing antislavery presence Although white Kentuckians famously cast themselves as moderates in the period and remained with the Union during the Civil War their religious values showed no moderation on the slavery question When the war ultimately brought emancipation white Kentuckians found themselves in lockstep with the rest of the Confederate South Racist religion thus paved the way for the making of Kentucky s Confederate memory of the war as well as a deeply entrenched white Democratic Party in the state

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history *Shaking the System* Tim Stafford, 2007-09-04 Saving the environment Helping the poor Stopping abortion Feeding the hungry Increasing fair trade Eliminating pornography Ending racism Tim Stafford explores the patterns

of successful and failed reform movements to highlight what activists today can learn *Constructing Black Education at Oberlin College* Roland M. Baumann, 2014-07-31 In 1835 Oberlin became the first institute of higher education to make a cause of racial egalitarianism when it decided to educate students irrespective of color Yet the visionary college's implementation of this admissions policy was uneven In *Constructing Black Education at Oberlin College A Documentary History* Roland M Baumann presents a comprehensive documentary history of the education of African American students at Oberlin College Following the Reconstruction era Oberlin College mirrored the rest of society as it reduced its commitment to black students by treating them as less than equals of their white counterparts By the middle of the twentieth century black and white student activists partially reclaimed the Oberlin legacy by refusing to be defined by race Generations of Oberlin students plus a minority of faculty and staff rekindled the college's commitment to racial equality by 1970 In time black separatism in its many forms replaced the integrationist ethic on campus as African Americans sought to chart their own destiny and advance curricular change Oberlin's is not a story of unbroken progress but rather of irony of contradictions and integrity of myth and reality and of imperfections Baumann takes readers directly to the original sources by including thirty complete documents from the Oberlin College Archives This richly illustrated volume is an important contribution to the college's 175th anniversary celebration of its distinguished history for it convincingly documents how Oberlin wrestled over the meaning of race and the destiny of black people in American society *Hearts Beating for Liberty* Stacey M. Robertson, 2010-10-11 Challenging traditional histories of abolition this book shifts the focus away from the East to show how the women of Ohio Indiana Illinois Michigan and Wisconsin helped build a vibrant antislavery movement in the Old Northwest Stacey Robertson argues that the environment of the Old Northwest with its own complicated history of slavery and racism created a uniquely collaborative and flexible approach to abolitionism Western women helped build this local focus through their unusual and occasionally transgressive activities They plunged into Liberty Party politics vociferously supported a Quaker led boycott of slave goods and tirelessly aided fugitives and free blacks in their communities Western women worked closely with male abolitionists belying the notion of separate spheres that characterized abolitionism in the East The contested history of race relations in the West also affected the development of abolitionism in the region necessitating a pragmatic bent in their activities Female antislavery societies focused on eliminating racist laws aiding fugitive slaves and building and sustaining schools for blacks This approach required that abolitionists of all stripes work together and women proved especially adept at such cooperation *After Jonathan Edwards* Oliver Crisp, Douglas A. Sweeney, 2012-08-23 This set of essays offers a fresh look at how Edwards's ideas were transmitted received and reworked in the different phases of the life of the New England Theology They also trace the way in which his thought and that of his intellectual progeny had an international impact on the shape of theology in the UK Europe and Asia and on present day Reformed theology *Slavery and Sin* Molly Oshatz, 2012 In this groundbreaking examination of the antislavery origins of

liberal Protestantism Molly Oshatz contends that the antebellum slavery debates forced antislavery Protestants to adopt an historicist understanding of truth and morality Unlike earlier debates over slavery in antebellum America the key question was whether slavery was a sin in the abstract Unable to use the letter of the Bible to answer the claim that slavery was not a sin in and of itself antislavery Protestants argued that biblical principles required opposition to slavery and that God revealed slavery's sinfulness through the gradual unfolding of these principles Although they believed that slavery was a sin antislavery Protestants sympathy for individual slaveholders and their knowledge of the Bible made them reluctant to denounce all slaveholders as sinners In order to reconcile slavery's sinfulness with their commitments to the Bible and to the Union antislavery Protestants defined slavery as a social rather than an individual sin Oshatz demonstrates that the antislavery notions of progressive revelation and social sin had radical implications for Protestant theology Oshatz carries her study through the Civil War to reveal how emancipation confirmed for northern Protestants the notion that God revealed His will through history She reveals how after the war a new generation of liberal theologians drew on this experience to respond to evolution and historical biblical criticism Slavery and Sin provides critical insight into how the theological innovations rooted in the slavery debates came to fruition in liberal Protestantism's acceptance of the historical and evolutionary nature of religious truth

Degrees of Equality John Frederick Bell, 2022-05-11 Winner of the New Scholar's Book Award from the American Educational Research Association Winner of the Linda Eisenmann Prize from the History of Education Society The abolitionist movement not only helped bring an end to slavery in the United States but also inspired the large scale admission of African Americans to the country's colleges and universities Oberlin College changed the face of American higher education in 1835 when it began enrolling students irrespective of race and sex Camaraderie among races flourished at the Ohio institution and at two other leading abolitionist colleges Berea in Kentucky and New York Central where Black and white students allied in the fight for emancipation and civil rights After Reconstruction however color lines emerged on even the most progressive campuses For new generations of white students and faculty ideas of fairness toward African Americans rarely extended beyond tolerating their presence in the classroom and overt acts of racial discrimination grew increasingly common by the 1880s John Frederick Bell's *Degrees of Equality* analyzes the trajectory of interracial reform at Oberlin New York Central and Berea noting its implications for the progress of racial justice in both the nineteenth and twenty first centuries Drawing on student and alumni writings institutional records and promotional materials Bell interrogates how abolitionists and their successors put their principles into practice The ultimate failure of these social experiments illustrates a tragic irony of abolitionism as the achievement of African American freedom and citizenship led whites to divest from the project of racial pluralism

Border War Stanley Harrold, 2010-11-08 During the 1840s and 1850s a dangerous ferment afflicted the North South border region pitting the slave states of Maryland Virginia Kentucky and Missouri against the free states of New Jersey Pennsylvania Ohio Indiana and Illinois Aspects of this struggle the

underground railroad enforcement of the fugitive slave laws mob actions and sectional politics are well known as parts of other stories Here Stanley Harrold explores the border struggle itself the dramatic incidents that comprised it and its role in the complex dynamics leading to the Civil War

Evangelical Identity and Gendered Family Life Sally K. Gallagher, 2003

Evangelical Identity and Gendered Family Life provides a sociological and historical analysis of gender family and work among evangelical Protestants In this innovative study Sally Gallagher traces two lines of gender ideals one of husbands authority and leadership the other of mutuality and partnership in marriage from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today Rather than simply reacting against or accommodating themselves to secular society Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender human nature and the person of God The author bases her arguments on an analysis of evangelical family advice literature data from a large national survey and personal interviews with over 300 evangelicals nationwide No other work in this area draws on such a range of data and methodological resources *Evangelical Identity and Gendered Family Life* establishes a standard for future research by locating the sources strategies and meaning of gender within evangelical Protestantism

The New England Theology Douglas A. Sweeney, Allen C. Guelzo, 2015-05-13 This volume of rare sermons and documents makes an unprecedented contribution to our understanding of the New England Theology as it emerged from Jonathan Edwards and continued through Edwards Amasa Park The introduction prepared by two seasoned Edwards scholars represents an acute and thought provoking analysis of the intellectual and rheological underpinnings of the New England Theology A rich absorbing and always engaging collection this volume will be of great interest to Edwards scholars and general readers alike Harry S Stout Yale University One of the problems in studying American theology in the eighteenth and nineteenth century is that many of the sources are not easily available *The New England Theology* is a marvelous anthology of central writings Aficionados may quibble because some valuable material was left out but this is a great collection The introductions and editorial work of the editors are also helpful and fair minded Bruce Kucklick University of Pennsylvania This volume collecting the major representative writings of the American disciples of Jonathan Edwards is the first of its kind and long overdue In the hands of Sweeney and Guelzo the New Divinity movement emerges here as a grand story told in the medium of theology that both reflected and shaped the new republic Kenneth P Minkema Yale University Although both historians and the general public have become increasingly fascinated by Jonathan Edwards many know little about the thinkers who tried to carry on his legacy Douglas Sweeney and Allen Guelzo should be commended for assembling a marvelous collection of writings Catherine A Brekus University of Chicago Divinity School In these judicious selections accompanied by crisp and illuminating introductions Sweeney and Guelzo ably identify the vitality and scope of the New England Theology If you want to know something of the flavor and substance of America s first indigenous theology this volume is the place to begin David W Kling University of Miami This collection of the New England Theology s primary texts clearly reveals both the continuing

presence of Edwardsean thought and the diversity of its expression in the century following Jonathan Edwards's death Ava Chamberlain Wright State University

White Women's Rights Louise Michele Newman, 1999 A reinterpretation of the history of the American women's movement The book traces the intellectual roots of the women's movement revealing how it took on racial overtones and demonstrating that white middle class women laid the intellectual groundwork for the social movements that followed

The History of American Higher Education Roger L. Geiger, 2016-09-06 This book tells the compelling saga of American higher education from the founding of Harvard College in 1636 to the outbreak of World War II The author traces how colleges and universities were shaped by the shifting influences of culture the emergence of new career opportunities and the unrelenting advancement of knowledge He describes how colonial colleges developed a unified yet diverse educational tradition capable of weathering the social upheaval of the Revolution as well as the evangelical fervor of the Second Great Awakening He shows how the character of college education in different regions diverged significantly in the years leading up to the Civil War for example the state universities of the antebellum South were dominated by the sons of planters and their culture and how higher education was later revolutionized by the land grant movement the growth of academic professionalism and the transformation of campus life by students By the beginning of the Second World War the standard American university had taken shape setting the stage for the postwar education boom The author moves through each era exploring the growth of higher education

Cultivating Regionalism Kenneth H. Wheeler, 2011-11-01 In this ambitious book Kenneth Wheeler revises our understanding of the nineteenth century American Midwest by reconsidering an institution that was pivotal in its making the small college During the antebellum decades Americans built a remarkable number of colleges in the Midwest that would help cultivate their regional identity Through higher education the values of people living north and west of the Ohio River formed the basis of a new Midwestern culture Cultivating Regionalism shows how college founders built robust institutions of higher learning in this socially and ethnically diverse milieu Contrary to conventional wisdom these colleges were much different than their counterparts in the East and South not derivative of them as many historians suggest Manual labor programs for instance nurtured a Midwestern zeal for connecting mind and body And the coeducation of men and women at these schools exploded gender norms throughout the region Students emerging from these colleges would ultimately shape the ethos of the Progressive era and in large numbers take up scientific investigation as an expression of their egalitarian production oriented training More than a history of these antebellum schools this elegantly conceived work exposes the interplay in regionalism between thought and action who antebellum Midwesterners imagined they were and how they built their colleges in distinct ways

Thank you completely much for downloading **The Lane Rebels Evangelicalism And Antislavery In Antebellum America**. Most likely you have knowledge that, people have look numerous time for their favorite books with this The Lane Rebels Evangelicalism And Antislavery In Antebellum America, but stop up in harmful downloads.

The Lane Rebels Evangelicalism And Antislavery In Antebellum America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Lane Rebels Evangelicalism And Antislavery In Antebellum America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Lane Rebels Evangelicalism And Antislavery In Antebellum America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines

also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Lane Rebels Evangelicalism And Antislavery In Antebellum America free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Lane Rebels Evangelicalism And Antislavery In Antebellum America. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Lane Rebels Evangelicalism And Antislavery In Antebellum America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Lane Rebels Evangelicalism And Antislavery In Antebellum America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Lane Rebels Evangelicalism And Antislavery In Antebellum America is one of the best book in our library for free trial. We provide copy of The Lane Rebels Evangelicalism And Antislavery In Antebellum America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Lane Rebels Evangelicalism And Antislavery In Antebellum America. Where to download The Lane Rebels Evangelicalism And Antislavery In Antebellum America online for free? Are you looking for The Lane Rebels Evangelicalism And Antislavery In Antebellum America PDF? This is definitely going to save you time and cash in something you should think about.
