

The Language Of Slovakia's Rusyns

Rob Humphreys

The Language Of Slovakia's Rusyns:

Jazyk Slovenských Rusínov, Slovaque Juraj Vaňko, Carpatho-Rusyn Research Center (U.S.), 2000 Rusyns are a national minority in Slovakia who live primarily in the northeastern part of the country where it borders on Poland and Ukraine This book describes the position of the Rusyn literary language and Rusyn dialects of eastern Slovakia between and among the Ukrainian and Slovak literary languages and their dialects *The Language of Slovakia's Rusyns* Juraj Vaňko, 2000 **The Language of Slovakia's Rusyns** Juraj Vaňko, 2000 **In the footsteps of the Rusyns in Europe: Ukraine, Slovakia, Serbia, Poland and Hungary** Petr Kokaisl, Andrea Štolfova, Pavla Fajfrlíková, Veronika Němcová, Jana Zychová, Irena Cejpková et al., 2023-01-11 The aim of this monograph is to present the current situation of Rusyns in those European countries where according to official or estimated statistics their number is the highest Ukraine Slovakia Poland Hungary and Serbia In presenting the situation of the Rusyn population in these countries an attempt has been made to indicate the number of Rusyns in the countries under study and at the same time to point out the problems of obtaining accurate data on Rusyns Another aim of the research was to find out what the main elements of Rusyn ethnic identity are here regardless of geographical differences religious affiliation or Byzantine rite Catholic or Orthodox stood out in the first place The research also focused on the use of the Rusyn language and changes in its status the possibilities of teaching the Rusyn language and the interest in teaching it among the Rusyns themselves In addition to these two main aspects of Rusyn identity other key elements of Rusyn material and non material culture were also investigated Emphasis was placed on the use of primarily qualitative methods to refine the available quantitative data The results presented in this publication are based on both field research and research with Rusyn respondents conducted remotely via electronic communication in 2014 2019 Although this is a five year period it is possible to compare the individual Rusyn communities in the five countries studied at least in part synchronically i e here and now [The Palgrave Handbook of Slavic Languages, Identities and Borders](#) Tomasz Kamusella, Motoki Nomachi, Catherine Gibson, 2016-04-29 This book analyzes the creation of languages across the Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 It offers perspectives from a number of disciplines such as sociolinguistics socio political history and language policy Languages are artefacts of culture meaning they are created by people They are often used for identity building and maintenance but in Central and Eastern Europe they became the basis of nation building and national statehood maintenance The recent split of the Serbo Croatian language in the wake of the break up of Yugoslavia amply illustrates the highly politicized role of languages in this region which is also home to most of the world's Slavic speakers This volume presents and analyzes the creation of languages across the Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 The overview concludes with a reflection on the recent rise of Slavophone speech communities in Western Europe and Israel The book brings together renowned international scholars who offer a variety of perspectives

from a number of disciplines and sub fields such as sociolinguistics socio political history and language policy making this book of great interest to historians sociologists political scientists and anthropologists interested in Central and Eastern Europe and Slavic Studies **Christian Nationalism, Nation-Building, and the Making of the Holocaust in Slovakia** Hana Kubátová, 2025-02-10 Previous scholarship on fascism in Slovakia has focused on either state actors operating from urban centres or the mechanisms of violence on a grassroots level with the result being that the Holocaust is seen as primarily a top down and state centred process In contrast Hana Kubátová reveals here a dynamic and unexplored centre periphery relationship and how violence against the Jewish population unfolded in both cities and the countryside and on both national and local levels As an integral component of broader nation building efforts the authority of the fascist regime and the newly founded Slovak state hinged not only on appeasing Hitler but also on civilian populations of the nation's heterogeneous eastern borderlands especially local elites such as priest and teachers as well as the rural masses The book explores how this relationship was forged how it was maintained and how ultimately Christian nationalism operated as a political strategy that brought differently positioned actors together to broker deals over resources and power accrued through the co enactment of genocide by a broad coalition of perpetrators on the ground In so doing this little known chapter of Holocaust history offers a new way to understand the dynamics and escalations of mass violence and how collaborations between elite and popular groups can pave the way for ethnic cleansing across different territories and even times

Endangered Languages Sarah G. Thomason, 2015-04-23 Most of the 7 000 languages spoken in the world today will vanish before the end of this century taking with them cultural traditions from all over the world as well as linguistic structures that would have improved our understanding of the universality and variability of human language This book is an accessible introduction to the topic of language endangerment answering questions such as what is it How and why does it happen Why should we care The book outlines the various causes of language endangerment explaining what makes a language safe and highlighting the danger signs that threaten a minority language Readers will learn about the consequences of losing a language both for its former speech community and for our understanding of human language Illustrated with case studies it describes the various methods of documenting endangered languages and shows how they can be revitalised **Small and Large Slavic Languages in Contact** Roland Marti, Jiří Nekvapil, 2007 [Home and the World](#)

[in Slovak Writing](#) Katarina Gephardt, Charles Sabatos, Ivana Taranenková, 2025-03-04 Literatures of small nations represent a minuscule portion of the global literary marketplace where books written in English outnumber translated works The struggle for visibility in relation to dominant languages and cultures is not new in Slovakia a nation of five million whose literary history has been shaped by the influence of more widely spoken languages including Hungarian Czech and Russian Home and the World in Slovak Writing brings Slovak literature out of this isolation to tell the story of how a nation's literature can survive and thrive despite a small domestic audience and relatively limited circulation in English translation

The book demonstrates how historic events such as the post Stalin Thaw the Prague Spring and the Velvet Revolution moulded the Slovak canon and situates contemporary Slovak literature in broader regional and global contexts Through case studies of the transformations and adaptations of Slovak literature contributors examine the changing social roles of writers the tensions between tradition and innovation and the dynamic interactions between influences from the outside world and domestic sources of inspiration Home and the World in Slovak Writing maps the relationship between geopolitical destiny and literary production at a critical moment As relations between the East and the West are destabilized by war the question of cultural identity has again become a matter of national survival in Central Europe Slovakia Pascal Belda,2008-02

Choosing Slovakia (1795-1914) Slavic Hungary, the Czech Language, and Slovak Nationalism Alexander Mark Maxwell,2003 **Revitalizing Minority Languages** Michael Hornsby,2015-10-05 New speakers are an increasingly important aspect of the revitalization of minority languages since in some cases they can make up the majority of the language community in question This volume examines this phenomenon from the viewpoint of three minority languages Breton Yiddish and Lemko *Culture and Paradiplomatic Identity* Ioan Horga,Maria Manuela Tavares Ribeiro,Alina Stoica,2016-02-22 The beginning of the millennium has been influenced by a visible acceleration of the globalisation process A complex and dynamic phenomenon it has generated a series of consequences at the political strategic and military levels as well as the cultural level The increase of interdependence between actors on the international stage modern technologies means of communication cross border relations and the constant flux of goods capital services and people entail major changes for the tools used by states in international relations In this context states are obligated to identify solutions to overcome risks and threats posed to peace and security as current regional conflicts can easily become international In order to streamline communication and interstate cooperation beyond the classic appeal to tolerance there has been in recent years an exponential increase of the use of culture and by extension cultural diplomacy Thus cultural cooperation represents a vital part of the current process of transformation and transition Adopting an interdisciplinary character this volume investigates some of the aspects that emphasise the essential role of culture as a promoter and supporter of peace and security as an agent of regional and national development as well as its contributions to attracting and retaining human and financial capital regional branding and improving quality of life among others The volume will particularly appeal to professors and students of political science international relations history economy law and sociology as well as intellectuals interested in the catalysing role of culture in all areas of activity **Czech and Slovak Republics** Rob Humphreys,2002 Catch up on the latest from the Czech and Slovak Republics punchy reviews of the best restaurants pubs and accommodations in every town insider s accounts of Prague and Bratislava and tips on everything from clubs to opera productions New background articles on the Romanies racism and the Slovak Romanian problem keep you in touch with the countries as they truly are today *Facets of a Harmony* Jan Ort,2022-05-01 In this important contribution to contemporary

Romani Studies Jan Ort focuses his anthropological research on a village in eastern Slovakia with a reputation for the harmonious coexistence of its ethnically and linguistically heterogeneous populace The author offers an ethnographic critique of this idyllic view showing how historical shifts as well as the naturalization of inequality and hierarchies have led to the present situation however he also shows examples and methods of subversion and resistance to the village s current power dynamics Based primarily on participant observation within Romani families the author s long term research results in a fascinating text replete with ethnographic descriptions that allow readers to understand local experiences contexts and divisions These insights about the village lead to the key question of the book Who actually is a local Straddling Borders

Elaine Rusinko,2003-01-01 The Subcarpathian Rusyns are an east Slavic people who live along the southern slopes of the Carpathian mountains where the borders of Ukraine Slovakia and Poland meet Through centuries of oppression under the Austro Hungarian and Soviet empires they have struggled to preserve their culture and identity Rusyn literature reflecting various national influences and written in several linguistic variants has historically been a response to social conditions an affirmation of identity and a strategy to ensure national survival In this first English language study of Rusyn literature Elaine Rusinko looks at the literary history of Subcarpathia from the perspective of cultural studies and postcolonial theory presenting Rusyn literature as a process of continual negotiation among states religions and languages resulting in a characteristic hybridity that has made it difficult to classify Rusyn literature in traditional literary scholarship Rusinko traces Rusyn literature from its emergence in the sixteenth century through the national awakening of the mid nineteenth century and its struggle for survival under Hungarian oppression to its renaissance in inter war Czechoslovakia She argues that Rusyn literature provides an acute illustration of the constructedness of national identity and has prefigured international postmodern culture with its emphasis on border crossings intersecting influences and liminal spaces With extracts from Rusyn texts never before available in English Rusinko s study creates an entirely new perspective on Rusyn literature that rescues it from the clichés of Soviet dominated critical theory and makes an important contribution to Slavic studies in particular and post colonial critical studies in general **Language Planning in the Post-Communist Era** Ernest

Andrews,2018-02-01 This volume provides an in depth analysis of the attempts of language experts and governments to control language use and development in Eastern Europe Eurasia and China through planned activities generally known as language planning or language policy The ten case studies presented here examine language planning in China Russia Tatarstan Central Asia Ukraine Lithuania Latvia Poland Slovakia and the Czech Republic and focus in particular on developments and disputes that have occurred since the fall of communism and the emergence of a new order in the late 1980s Its authors highlight the dominant issues with which language planning is invariably intertwined These include power politics tensions between official language and minority languages and the effects of a country s particular political social cultural and psychological environment Offering a detailed account of the socio political and ideological developments that

underlie language planning in these regions this book will provide a valuable resource for students and scholars of linguistics cultural studies political science sociology and history **The Rusyns** Sándor Bonkáló,1990 History of the people of Rusynia also known as the Rusyns of Subcarpathian Rus **Witnesses to Interwar Subcarpathian Rus'** Patricia A. Krafcik,2024-06-10 In the midst of a contentious atmosphere of the interwar period the far eastern province of Subcarpathian Rus attracted the personal curiosity and professional attention of Russian ethnographer and theoretician Petr Bogatyrev and Czech journalist writer Ivan Olbracht Both traveled extensively in the region and immersed themselves deeply in the life and culture of the local residents Carpatho Rusyns and Hasidic Jews Witnesses to Interwar Subcarpathian Rus The Sojourns of Petr Bogatyrev and Ivan Olbracht explores for the first time in English the legacy they bequeathed in their respective work Bogatyrev as an apolitical ethnographic collector and theoretician and Olbracht as a passionately committed Communist whose reports and brilliant stories from the region including Nikola uhaj Brigand and The Sorrowful Eyes of Hannah Karadjic capture a glimpse of a world destined to change radically as a result of the ravages of war Czechoslovakia 1918-88 H. Gordon Skilling,1991-08-05 The book examines the history of Czechoslovakia in the seventy years since its founding by T G Masaryk It analyses the profound changes which took place during the First Republic the Nazi occupation postwar liberation and communist rule including both the Stalinist years the Prague Spring of 1968 and the subsequent period of normalization to 1988

The Language Of Slovakias Rusyns Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Language Of Slovakias Rusyns PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Language Of Slovakias Rusyns PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Language Of Slovakias Rusyns free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Language Of Slovakias Rusyns Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Language Of Slovakias Rusyns is one of the best book in our library for free trial. We provide copy of The Language Of Slovakias Rusyns in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Language Of Slovakias Rusyns. Where to download The Language Of Slovakias Rusyns online for free? Are you looking for The Language Of Slovakias Rusyns PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Language Of Slovakias Rusyns. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Language Of Slovakias Rusyns are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download

free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Language Of Slovakias Rusyns. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Language Of Slovakias Rusyns To get started finding The Language Of Slovakias Rusyns, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Language Of Slovakias Rusyns So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Language Of Slovakias Rusyns. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Language Of Slovakias Rusyns, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Language Of Slovakias Rusyns is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Language Of Slovakias Rusyns is universally compatible with any devices to read.
