Unveiling the Mysteries of the Last Days David A. Hamblin, 2010-06 Since being written the end time prophecies of the Bible have been shrouded in mystery Our world is now inundated with book after book on the subject of end time interpretation Often the most important aspects of the Bible s prophecies are twisted or changed to fit the needs of a Hollywood movie Expertly sifting through the modern fog covering these important prophecies David Hamblin takes an exhaustive yet thoroughly readable approach to the study of the end times Using the proven techniques of the scientific method David put together a system of prophecy analysis that would allow for extremely complex theories to be tested against the many and varying passages of end times prophecy Beginning with a solid faith in the Bible as the infallible Word of God he now presents his findings in God s Prophetic Timeline Never before has there been such a clear and concise presentation of God s timeline for the future along with many passages that David admits we cannot yet understand Written for the minister and layperson alike it begins by explaining the church age and progresses through each of Revelation s seven phases ending with new heaven and new earth His approach details even subtle prophetic material including Israel s future wealth the world war it triggers and Jesus coronation Don t be puzzled any longer by confusion on the subject of prophecy Leave behind the many contradictory theories propagated by the misinformed Follow along as God s Prophetic Timeline shows you in detail the tested validated and unified understanding of the Bible s prophecies

Fourth Horseman Patrick Ullmer, 2024-11-05 Hello I am the Angel of Death and I want you to work for me There was a time in which your kind foolishly believed the world would end and I will transplant you from your current dimension to that era You will bring such an event

to a dark and evil threat to mankind this of course being a powerful cult comprised of the cruelest psychopaths orchestrating their venomous plans to destroy your future with their practices For this you will be gifted with my powers of strength wisdom and the ability to fly which will protect you from the cult s heavy weaponry The as your American slang terminology would dictate perks of this job will be to discover the woman of your dreams ten years prior to your initial meeting and the opportunity to prevent earlier horrors in her life from ever happening Ah I see your anticipation now but be warned the effects of your conquest will bury you in a twisted war bringing with it pestilence and then me Though I employ I m not allowed to play favorites But the decision is yours will you work for me The Fourth Horseman Kate Thompson,2013-06-18

rented house was an American the son of a Medal of Honor winner who fought at Gettysburg on a secret mission for the German Army in 1915 *The Fourth Horseman* tells the startling story of that mission led by a brilliant but conflicted surgeon who became one of Germany's most daring spies and saboteurs during World War I and who not only pioneered biowarfare in his native land but also led a last ditch German effort to goad Mexico into invading the United States It is a story of mysterious missions divided loyalties and a new and terrible kind of warfare that emerged as America in spite of fierce dissention at home was making the decision to send its Doughboys to the Great War in Europe This story has never been told before in full And Dilger is a fascinating analog for our own troubled times Having thrown off the tethers of obligation to family and country he became a very dangerous man indeed A spy a saboteur and a zealot to a degree that may have so embarrassed the German High Command that after the war they ordered his death rather than admit that he worked for them

The Last Trumpet Raymond W. Thompson, 2008-04 Organizing end time events in easy to understand chronological order this resource makes clear the patterns and parallels mentioned throughout the Bible relating to the second coming of Jesus Christ

The Last Word Jean McCurdy Meade, 2025-09-11 What is the last book of the Bible all about Is Revelation a series of visions about the end times that few people can understand or is it a work of encouragement for all Christians in every time to endure even hardship and suffering for the sake of their faith strengthened by this vision of heaven with Christ on the throne with his Father where sorrow and pain will be no more Revelation deals forthrightly and dramatically with the reality of evil in God's good creation but the message is that God has conquered the

forces of evil through his son Jesus the Lamb of God who was sacrificed for us In the end God wins and the end is coming soon but in God s time not ours Countless songs and hymns of the church have been inspired by this book but also John s visions have inspired artists to try to capture their teaching in visual form as in the wonderful fourteenth century tapestries of the Apocalypse in Angers France Their illustrations of the text give us insight into how Christians in every generation find hope and faith in its message

The Indian Christ, the Indian King Victoria Reifler Bricker,2014-03-07 Victoria Bricker shows that history sometimes rests on mythological foundations and that myth can contain valid historical information Her book which is a highly original critique of postconquest historiography about the Maya challenges major assumptions about the relationship between myth and history implicit in structuralist interpretations The focus of the book is ethnic conflict a theme that pervades Maya folklore and is also well documented historically The book begins with the Spanish conquest of the Maya In chapters on the postconquest history of the Maya five ethnic conflicts are treated in depth the Cancuc revolt of 1712 the Quisteil uprising of 1761 the Totonicapan rebellion of 1820 the Caste War of Yucatan 1847 1901 and the Chamulan uprising in 1869 Analytical chapters consider the relationship between historical events and modern folklore about ethnic conflict Bricker demonstrates that myths and rituals emphasize structure at the expense of temporal and geographical provenience treating events separated by centuries or thousands of miles as equivalent and interchangeable An unexpected result of Bricker s research is the finding that many seemingly aboriginal elements in Maya folklore are actually of postconquest origin and she shows that it is possible to determine precisely when and more important why they become part of myth and ritual Furthermore she finds that the patterning of the accretion of events in folklore over time provides clues to the function or meaning of myth and ritual for the Maya Bricker has made use of many unpublished documents in Spanish English and Maya as well as standard synthetic historical works The appendices contain extensive samples of the oral traditions that are explained by her analysis
