The Last Legion Valerio Massimo Manfredi, 2005-03-29 Follows the meeting between Arthur Pendragon and the wizard Merlin during which a small band of British Roman soldiers embarks on a daring rescue mission across northern Europe to save the son of the last emperor Romulus Augustus

The Last Legion Chris Bunch, 2012-09-01 The human Confederation empire stretches across the endless night between the stars slowly rotting from within even as it faces threats from without And at its farthest reaches stand the forgotten men and women of the Last Legion all that stands between the empire and chaos As violence between factions escalates and the Legion strives to keep the peace a planet on the edge of nowhere will set the stage for the empire's final stand

Firemask Chris Bunch, 2012-09-01 On a distant planetary system the post civil war cleanup has begun But the Confederation empire's government remains silent without help or advice It's up to the men and women of the Last Legion to protect the fragile system against the intrigues of the alien Musth bent on domination As the Musth make their way through the streets of the planets cities the Last Legion will fight them its way with brutal guerrilla warfare against the oppressors Against the odds

The Last Legion Valerio Manfredi, 2007 Opens on the day that the Western Roman Empire collapses in 470AD as the last emperor of Rome is encamped protected by the Nova Invicta Legion All is lost in the space of a few minutes as a horde of Barbarians sweep through the camp in the fog kill the Imperial family and take the young emperor captive The Roman Empire is in ruins

Jason's Destiny SG Morrison, 2010-03-17 Helplessly tied up and leaned against the alley wall eight year old Jason watches as his older brother is systematically beaten to death and in anguish he cries out for mercy when suddenly something strange and unexplainable happens and young Jason is changed forever and as the alien watches from the shadows he fears what they created today will one day seek his revenge on them all Jason's Destiny is a story about a journey The journey of a little boy who at the age of five is forced to flee the only home he ever knew to the streets of Rim Town There he and Cole his older brother would start their new lives But unknown by them they were marked boys Little did they suspect that everything they thought they knew was a lie carefully orchestrated by the most powerful beings in the universe the Ancients They were so powerful they could destroy planets and stars with the power of their minds Nothing and no one could stand before them but something was stirring Something even they feared and Jason was their only hope Jason was their creation It had taken them over three thousand years of trial and error The genes of the greatest and most powerful Ancients flowed in Jason's veins but also something else simply referred to as the X factor Jason is compelled to seek them out in order to learn the secret of their power and after many failed encounters he finally finds the one and now the real journey begins A journey that will take Jason to the ends of the universe
