The Exiled Jordan Lowery,2025-05-27 Only those who

change survive Jacob Hughes never set out to be a criminal But when tragedy shatters his life his pursuit of vengeance lands him on Eremos a brutal island where only savages prevail Ruled by the ruthless Derro Council exile to Eremos is a punishment worse than death one Jacob must endure to confront his own demons Fighting for his life among the island s feral inhabitants Jacob forms an uneasy alliance with other exiles Together they hunt for Ostria a rumored sanctuary offering hope from Eremos s relentless anarchy But with time running out and an unstoppable inferno threatening to destroy everything Jacob must face not just the island s dangers but the shadows of his own past Can he escape the flames and himself or will vengeance consume him first **NKJV, The American Patriot's Bible** Thomas Nelson,2010-05-16 THE ONE BIBLE THAT SHOWS HOW A LIGHT FROM ABOVE SHAPED OUR NATION Never has a version of the Bible targeted the spiritual needs of those who love our country more than The American Patriot s Bible This extremely unique Bible shows how the history of the United States connects the people and events of the Bible to our lives in a modern world The story of the United States is wonderfully woven into the teachings of the Bible and includes a beautiful full color family record section memorable images from our nation s history and hundreds of enlightening articles which complement the New King James Version Bible text *The Last King of America* Andrew Roberts,2021-11-09 From the New York Times bestselling author of Churchill and Napoleon The last king of America George III has been ridiculed as a complete disaster who frittered away the colonies and went mad in his old age The truth is much more nuanced and fascinating and will completely change the way readers and historians view his reign and legacy Most Americans dismiss George III as a buffoon a heartless and terrible monarch with few if any redeeming qualities The best known modern interpretation of him is Jonathan Groff s preening spitting and pompous take in Hamilton Lin Manuel Miranda s Broadway masterpiece But this deeply unflattering characterization is rooted in the prejudiced and brilliantly persuasive opinions of eighteenth century revolutionaries like Thomas Paine and Thomas Jefferson who needed to make the king appear evil in order to achieve their own political aims After combing through hundreds of thousands of pages of never before published correspondence award winning historian Andrew Roberts has uncovered the truth George III was in fact a wise humane and even enlightened monarch who was beset by talented enemies debilitating mental illness incompetent ministers and disastrous luck In *The Last King of America* Roberts paints a deft and nuanced portrait of the much maligned monarch and outlines his accomplishments which have been almost universally forgotten Two hundred and forty five years after the end of George III s American rule it is time for Americans to look back on their last king with greater understanding to see him as he was and to come to terms with the last time they were ruled by a monarch *New York Magazine* ,1992-06-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while
