**Alison Lurie**

## **The Last Resort:**

*The Last Resort* Jessica Gregory, Just because you re a billionaire doesn t mean you have good taste I d have to disagree with you Rachel I happen to like you a lot He might be the youngest of the billionaire Royal brothers but Matthew Royal is still determined to make his own mark in the competitive hotel and resorts business His grand plans include building a brand new mega resort in Aspen Colorado In the aftermath of a dark family betrayal Rachel Little has moved to Aspen to rebuild her life Taking a job as a consultant for the owners of the Green Tree lodge she sets about finding a suitable buyer while endeavoring to save the near derelict historical building from falling into the hands of greedy developers When a handsome stranger crosses her path twice in a week Rachel finds herself unable to resist his charms And what more could a girl want than a passion filled romance to help restore her faith in the world Attending a town planning meeting Matthew and Rachel are both shocked to discover that they have been unwittingly sleeping with the enemy To make matters worse the city council and resort owners hatch a mad scheme to settle things once and for all The two opposing architects are sent to live at the old ski lodge If they don t come up with a viable plan for the site the land will be forfeited For Rachel and Matthew sorting out their messy unresolved romance is only just the beginning Throw in a temperamental boiler a late season snow storm and an unexpected encounter with the local wildlife and you have all the ingredients for a steamy forced proximity snowed in romantic comedy The Last Resort is a billionaire romance for readers who love their romantic comedy on the spicy side The Last Resort is a standalone book in the interconnected Royal Resorts romantic comedy series [The Last Resort](#) Sarah Stodola,2022-06-28 A captivating exploration of beach resort culture from its roots in fashionable society to its undervalued role in today s world economy as the travel industry approaches a climate reckoning With its promise of escape from the strains of everyday life the beach has a hold on the popular imagination as the ultimate paradise In The Last Resort Sarah Stodola dives into the psyche of the beachgoer and gets to the heart of what drives humans to seek out the sand At the same time she grapples with the darker realities of resort culture strangleholds on local economies reckless construction erosion of beaches weighty carbon footprints and the inevitable overdevelopment and decline that comes with a soaring demand for popular shorelines The Last Resort weaves Stodola s firsthand travel notes with her exacting journalism in an enthralling report on the past present and future of coastal travel She takes us from Monte Carlo where the pursuit of pleasure first became part of the beach resort experience to a village in Fiji that was changed irrevocably by the opening of a single resort from the overdevelopment that stripped Acapulco of its reputation for exclusivity to Miami Beach where extreme measures are underway to prevent the barrier island from vanishing into the ocean In the twenty first century beach travel has become central to our globalized world its culture economy and interconnectedness But with sea levels likely to rise at least 1.5 to 3 feet by the end of this century beaches will become increasingly difficult to preserve and many will disappear altogether What will our last resort be when water begins to fill the lobbies [The Last Resort](#) Chris Owen,2001

The Last Resort is an exciting new play that deals with a range of complex issues set against the backdrop of the faded glory of a British seaside resort. The play weaves together the stories, attitudes and conflicts of a wide variety of characters from surfboard dudes to cynical pensioners. In turn, both deeply moving and highly comic, The Last Resort provides challenging material for a mixed drama group with a variable cast size.

**The Last Resort** Alison Lurie, 2012-11-13. A Pulitzer Prize winning author's sparkling smart tale of an aging writer and his younger wife looking for new life or a way to end it in Key West. The New York Times. Every schoolboy in America knows the work of author Wilkie Walker who won fame and fortune with his accessible nature books. But as he turns seventy, his renown is nearly gone. Now he sits up at night torturing himself with fears that his career was a waste, his talent is gone and his body destroyed by cancer. His wife Jenny, twenty-five years younger, can tell only that he is out of sorts. She has no idea her husband is on the verge of giving up on life. When Jenny suggests spending the winter in Key West, Wilkie goes along with it. After all, if you need to plan a fatal accident, Florida is a perfectly good place to do so. And when they touch down in the sunshine state, the Walkers find it's not too late to live life or end it, however they damn well please. The National Book Award shortlisted author of *Foreign Affairs*, *The War Between the Tates* and *The Last Resort* writes a sparkling smart, highly volatile novel. The New York Times. This ebook features an illustrated biography of Alison Lurie including rare images from the author's collection.

**The Last Resort** Carmen Posadas, 2005-08-02. Rafael Molinet Rojas, an inconspicuous Spaniard living in London, regrettably finds that there is nothing worth living for when his closest companion, his mother, dies. Hoping to make a dignified and, although he won't admit it, dramatic exit from this world, Molinet plots his escape, picking an elegant setting for his suicide via sleeping pills: Morocco's L'Hirondelle, one of the most luxurious resorts in the world. There, he will be able to forget his cares, drape himself in a white caftan and try to make a little money playing backgammon before he does himself in. The day before his trip, Molinet has a lunch date with his vivacious niece who enthralles him with the story of a scandalous and deeply suspicious death: Jaime Vald's high society lothario has seemingly choked to death in the presence of both his mistress and his wife, but all of Spain is atwitter with the possibility of murder. Coincidentally, when he arrives at the spa, Molinet realizes that the stylish woman sitting by the pool is none other than Vald's widow. And when a throng of gossiping Europeans arrive on the scene, it quickly becomes clear that despite its air of tranquility, many sinister things are happening at L'Hirondelle. Before he knows it, Molinet's eavesdropping leads to a startling turn of events. Internationally bestselling author Carmen Posadas has created a corrosive and witty high society whodunit in the vein of Agatha Christie's *Murder on the Orient Express*. The Last Resort mixes poolside cocktails and acid-laced gossip with privilege and murder to marvelous effect.

**The Last Resort** Peter Elebash, 2014-12-30. A fascinating story of one man's journey from a small Southern town to a New England prep school, then Yale, serving in the Green Berets and on to a career involving many facets of marketing, some of the finest properties in the USA. This story is filled with an amazing array of sports activities: scratch golfer as a teenager competing in Junior Vets tennis.

tournaments as an adult court tennis in New York and Newport 30 years on horses as a polo player foxhunting in Ireland shooting quails doves ducks and turkeys in the US driven grouse and pheasants in England skiing in the US and St Moritz and one hazardous day on the Cresta Run in St Moritz      The Last Resort Allie Coker,2021-01-12 My immediate thought I don't belong here rebuffed before the half day's end Maybe I didn't have multiple personalities or talk to myself or have mood swings so bad that no one could be around me but the truth was plain I needed to be here I did belong here Welcome to The Last Resort a sanitarium for residents who feel imprisoned in their own minds Whether staff member or patient everyone finds themselves at the center of a complex system that at its best provides therapeutic care and at its worst blurs and blends the boundaries of what constitutes sane and insane Regardless of the role each individual has to play all of them are here for a reason and will be forced to examine themselves from every angle Told from various perspectives The Last Resort is a frighteningly real novella from Allie Coker that reveals the vulnerable side of humanity and forces readers to stop and ask What is normal      **The Last Resort** J. Patrick Lewis,2003-09-01 Aided by Roberto Innocenti's enchanting illustrations readers can join J Patrick Lewis's narrator in puzzling out the literary identities of the visitors at a peculiar seaside resort      *The Last Resort* Alison Lurie,1998-06-15 Like a loyal Victorian wife Jenny has devoted her life to her much older husband the famous writer and naturalist Wilkie Walker bringing up their children and researching and editing his bestselling books But this year as winter approaches Wilkie is increasingly depressed and withdrawn At her wit's Jenny persuades him to visit Key West the Last Resort But Key West is not called the Last Resort for nothing Lives can turn upside down here and even short term visitors can have experiences they never imagined Within weeks of their arrival Jenny not only has a part time job but is becoming involved with assorted local characters including Gerry an ex beatnik poet and Lee the dramatically attractive manager of a women only guest house Wilkie meanwhile is planning his own accidental death by drowning a task that turns out to be more difficult than he thought and trying to avoid the attentions of a breathless young female fan The Last Resort is the perfect evocation of Key West and another dazzling demonstration of Alison Lurie's talent for high comedy and social comment      **The Last Resort** Pat Nolan,2012-08-18 Deep in the redwood wilds along the Corkscrew River someone is shooting neighborhood dogs The year is 1985 and Lee Malone former fashion model queen of the runways from Paris to Milan once dubbed the most beautiful woman in the world now a part time reporter for The Corkscrew County Grapevine is looking for a story to sink her teeth into When Lee finds the owner of Kelly's Seaside Resort brutally murdered it leads her on an adventure that includes a mysterious gray van another murder extortion pornography sex slavery and a shadowy organization of militant feminists known as SAPHO In the process Lee Malone's notorious past catches up with her The Last Resort is a rollicking imaginative romp in the neo pulp hard boiled genre told with the succinct directness of a Hammett the witty hyperbole and lush locales of a Chandler as well as a sly nod to Nancy Drew and Hardy Boys adventures      **The Last Resort** Pamela Hansford Johnson,1956 Writer Christine Hall's own loving relationships and

empathetic intelligence make her the perfect confidante for a group of friends architect Eric Aveling whose wife Lois is dying Junius Evans Aveling s flamboyant business partner and above all eccentric impulsive Celia Baird When death forces a realignment of relationships within the group even the perceptive Christine is not prepared for the final outcome Moving between London and a south coast seaside town *The Last Resort* is a sensitive and vividly human exploration of the hidden side of marriage where dark undercurrents of duty guilt secrecy and loneliness can all play a part in deviating the course of love and influencing the choices that life thrusts upon us Google books [\*The Last Resorts\*](#) Cleveland Amory,1952 An expose of the country s most fabulous social glamour spots circa 1950 The story of the Berkshires Saratoga Newport other famous resorts the rich and famous who stayed there

**Checking Theory and Grammatical Functions in Universal Grammar** Hiroyuki Ura,2000-01-06 Ura s theory of multiple feature checking develops the basic idea in original and highly productive ways providing persuasive answers to difficult questions that arise in widely ranging languages and opening up new and challenging problems It is an impressive achievement which merits careful study according to Noam Chomsky

**Classical Music Futures** Neil Thomas Smith,Peter Peters,Karoly Molina,2024-01-30 This volume brings together contributions from a wide range of international academics and practitioners It traces innovations within classical music practice showing how these offer divergent visions for its future The interdisciplinary contributions to the volume highlight the way contrasting ideas of the future can effect change in the present A rich balance of theoretical and practical discussion brings authority to this collection which lays the foundations for timely responses to challenges ranging from the concept of the musical work and the colonial values within Western musical culture to unsustainable models of orchestral touring The authors highlight how labour to meet the demands of particular futures for classical music might impact its creation and consumption presenting case studies to capture the mediating roles of technology and community engagement This book will be of interest to scholars and students in the fields of musicology and the sociology of music as well as a general audience of practitioners freelance musicians music administrators and educators

**The Cambridge Handbook of the Just War** Larry May,2018-02-15 A comprehensive exploration of contemporary debates in Just War Theory addressing moral political and legal issues *Ethics and Humanity* N. Ann Davis,Richard Keshen,Jeff McMahan,2010-02-10 This book pays to tribute to Jonathan Glover a pioneering figure whose thought and personal influence have had a huge impact on applied philosophy The papers collected here written by some of the most distinguished contemporary moral philosophers reflect the topics to which Glover has contributed Glover s replies to these papers constitute an important addition to his published work

*Moral Constraints on War* Carl Ceulemans,Bruno Coppieters,Nicholas Fotion,2020-01-30 This third edition of *Moral Constraints on War* offers a principle by principle presentation of the ethics of war as is found in the age old tradition of the Just War Parts one and two trace the evolution of Just War Theory analyzing the principles of *jus ad bellum* and *jus in bello* the principles that determine the conditions under which it is just to start a war and then conduct military operations Each

chapter provides a historical background of the principle under discussion and an in depth analysis of its meaning More so than in the previous editions there is a special focus on the transcultural nature of the principles Besides theoretical clarifications each of the principles is also put to the test with numerous historical and contemporary examples In Part three Just War Theory is applied in three specific case studies the use of the atomic bomb against Japan in World War II the Korean War 1950-53 and the use of armed drones in the war on terror Bringing together an international coterie of philosophers and political scientists this accessible and practical guide offers both students of military ethics and of international relations rich up to date insights into the pluralistic character of Just War Theory Vermont School Journal and Family Visitor ,1861

**Reluctant Justice** Carl Ceulemans,2005 Just War Theory and Non-State Actors Eric E. Smith,2020-03-20 This book uses an historical body of knowledge Just War Theory as the basis for analyzing modern conflicts involving Armed Non State Actors who employ force against states As the global community faces the challenges of globalization terrorism 24 hour international news coverage super power collapse weapons of mass destruction and failed states the author explores whether the historic bodies of knowledge governing decision makers during conflict remain relevant Tracing the evolution of Just War Theory he analyzes circumstances involving Armed Non State Actor ANSA groups possessing powerful and destructive capabilities and a desire to use them and pursues answers to the central research question how does Just War Theory apply in modern scenarios involving ANSA groups who challenge the state and international institutions monopoly on use of force The study finds that Just War Theory still has the capacity to accommodate modern day statecraft and application in scenarios involving Armed Non State Actors This book will be of great interest to those researching and studying in the fields of political theory security studies international relations war and conflict studies and public ethics
