The Last Rock Star Or Liz Phair A Rant:

The Last Rock Star Book Camden Joy,2011-11-01 Camden Joy's hero can't wrap up the quickie biography of rock star Liz Phair he's been commissioned to write. Instead the shaky author finds himself recounting the troubled events of his own life. His ex-girlfriend who just might be the illegitimate daughter of dead Rolling Stone Brian Jones, Liz Phair, whom he's never met, and a mystery girl seen looting a shop in an old newspaper photo all start to blur together in his mind. If only he could get closer to his subject before the assignment spins out of control, maybe he'd have a shot at the distinction he feels he deserves. First published in 1998, The Last Rock Star Book has become an underground cult classic. The Last Rock Star Book Camden Joy,2017-11-07 Camden Joy's hero is writing a quickie bio of rock star Liz Phair but increasingly finds himself recounting his own troubled life. His ex-girlfriend, possibly Brian Jones's illegitimate daughter, Liz Phair, whom he's never met, and a mystery girl in an old photo all start to blur together. Joy's novel is a witty and cogent meditation on celebrity and obsession. A Map of the Dark John Dixon,2018-05-06 It's Halloween night 1963 in De Pere, Wisconsin. Local children dressed as ghosts, vampires, and hoboes chase one another on and off porches and through the streets hunting for Dum Dums, Slo Pokes, and thrills. Meanwhile, their parents fill the local bars, joking and fighting, bobbing for apples, and dancing to the jukebox. But all is not well. Evelyn Schmidt's life is almost at an end; she's been diagnosed with cancer and given only days to live. She'll be damned if she'll go quietly, though, in the hospital or at home. She's heading for the Idle Hour to drink up a storm, whether her fellow drinkers want her there or not. Steve Omsted is only sixteen, but it seems to him his life might as well be over. He's on academic probation, he's been kicked off the football team, and now his girlfriend has dropped him. He's looking for an easy target for his rage and has set up a nighttime ambush for his victim. Chuck Williams feels like his life hasn't even started yet, but he can't wait any longer. He'll go trick-or-treating, but he doesn't want to end up waxing windows with the other fifth graders; he's aiming to hang out with the older kids and cause some real trouble. As the evening unfolds, the paths of these and other characters converge in a series of shocking events that will change the lives of all involved. In stark language and with bold cinematic vision, John Dixon delivers a stunning portrait of a small town at war with itself. *Lost Joy* Camden Joy,2015-07-14 *Lost Joy* collects the writing that first brought Camden Joy wide attention in the mid 90s when he wheatpasted his manifestoes around New York, excoriating the music industry and celebrating unsung geniuses of rock and roll. Joy's voice, heartfelt, mocking, lyrical, razor sharp, earned comparisons to the likes of Allen Ginsberg, Patti Smith, and Nick Hornby. Rooted in DIY zine culture, his rants prefigure the unfettered public expression of personal views that would explode with the rise of the Internet and enact in words what Banksy would later achieve in art. Joy's groundbreaking early fiction, in which his characters often invoke musicians and songs, is also included here. These haunting stories explore the many ways in which we use music to communicate our feelings and make sense of our memories. *Mother Jones Magazine*, 1999-01 *Mother Jones* is an award-winning national magazine widely respected for its groundbreaking investigative reporting and
