Small Faith Great God Biblical Faith For Today's Christians:

Small Faith--great God Nicholas Thomas Wright, 1978 **Small Faith - Great God** Tom Wright, 1978 *Dying and the Virtues* Matthew Levering, 2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying process beginning with the fear of annihilation and continuing through repentance and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one's familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death **The Bridge** Michael W. McGowan, 2015-05-04 Philosophers of religion and theologians have long wrestled with the concept of revelation Does God reveal truth to human subjects primarily through sacred texts or audible voices Through inner experiences or pronouncements of religious leaders What is the relationship between the truths given in revelation and those discoverable by reason Revelation is a challenge not only to scholars but also for churchgoers How can the same God command one person to do one thing and another to do something quite different In *The Bridge* Michael McGowan explores how a number of great twentieth and twenty first century thinkers understand the concept of revelation Using insights from their work and some recent advances in literary theory and communication studies he constructs a model of revelation in which symbol and narrative figure heavily Ancient ideas are given new life in this contemporary explication of the nature of revelation God as the Revealer and revelation's implications **Tom Wright for Everyone** Stephen Kuhrt, 2011-05-19 Tom Wright for Everyone addresses the reticence of many evangelicals to engage with what Tom Wright has been saying for some time The book looks at key theological questions awaiting an answer and gives an enlightening summary of the theology of Tom Wright arranged around terms like Covenant Heaven Kingdom The resurrection of Jesus and justification Then in perhaps the most valuable part of the book Stephen Kuhrt describes in detail the difference putting Tom Wright's theology into practice has made in his own parish church pastorally and in terms of mission The book ends with a clear statement of Tom Wright's challenge to the Church in the second decade of the twenty first century **Small Faith - Great God (16pt Large Print Format)** N T Wright, 2012-02-27 In the midst of life's challenges so often our faith feels small and weak In this book one of the world's premier Bible teachers N T Wright reminds us that what matters is not so much our faith itself as Who our faith is in Faith says Wright is like a window The point is not for part of the wall to be made of glass The point of a window is to allow us to see through it and let light into the room Faith allows us to see our situation and our own weakness in light of God who is powerful holy and loving Wright also looks at the character of the faith God calls us to He unfolds how dependence humility and mystery all have a role to play God beckons us to lean on him as we seek to be constructive citizens of the world

to speak truth in love without hypocrisy and to risk submitting to one another in love Wright doesn't ignore the messiness and difficulties of life when hard times come and the unexpected knocks us down He opens to us what faith means in times of trial and even in the face of death Through it all he reminds us it's not great faith we need it is faith in a great God The Publishers' Trade List Annual ,1979 **Christian Faith for Men of Today** Ezra Albert Cook,1913 **All the Doctrines of the Bible** Herbert Lockyer,1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer's approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith THE UNTOUCHABLE CHRISTIAN GODSWORD GODSWILL ONU,
