Small Worlds Children And Adolescents In America 1850 195:

Small Worlds Elliott West, Paula Petrik, 1992 Thirteen essays treat children from the pre Civil War generation to 1950 as active influential participants in society The essays are organized into four topics cultural and regional variation toys and play family life and the ways evolving memories of childhood shape how adults think of themselves **The Anthropology of Childhood** David F. Lancy, 2015 Enriched with anecdotes from ethnography and the daily media this revised edition examines family structure reproduction profiles of children s caretakers their treatment at different ages their play work schooling and transition to adulthood The result is a nuanced and credible picture of childhood in different cultures past and present Small Worlds Elliott West, Paula Petrik, 1992 Thirteen essays treat children from the pre Civil War generation to 1950 as active influential participants in society The essays are organized into four topics cultural and regional variation toys and play family life and the ways evolving memories of childhood shape how adults think of themselves Girls and Literacy in America Jane Greer, 2003-05-23 An exploration of the fascinating and controversial history of girls education in America from the colonial era to the computer age Girls and Literacy in America offers a tour of opportunities obstacles and achievements in girls education from the limited possibilities of colonial days to the wide open potential of the Internet generation Six essays written by historians and focused on particular historical periods examine the extensive range of girls literacies in both educational and extracurricular settings Girls from various ethnic and racial backgrounds social classes religions and geographic areas of the nation are included A host of primary documents including such items as an 18th century hornbook to excerpts from girls conversations in Internet chat rooms allow readers an opportunity to evaluate for themselves some of the materials mentioned in the volume s opening essays And finally an extensive bibliography will be invaluable to students expected to conduct more extensive primary research **Toys and Communication** Luísa Magalhães, Jeffrey Goldstein, 2017-10-14 There are few scholarly books about toys and even fewer that consider toys within the context of culture and communication Toys and Communication is an innovative collection that effectively showcases work by specialists who have sought to examine toys throughout history and in many cultures including 1930 s Europe Morocco India Spanish art of the 16th 19th centuries Psychologists stress the importance of the role of toys and play in children s language development and intellectual skills and this book demonstrates the recurrent theme of the transmission of cultural norms through the portrayal presentation and use of toys The text establishes the role of toy and play park design in eliciting particular forms of play as well as stressing the child s use of toys to become more adult It will be beneficial for courses in education developmental psychology communications media studies and toy design *Teen 2.0* Robert Epstein, 2010-02-24 National Indie Excellence Awards first prize in the Parenting and Family category Arguing that adolescence is an unnecessary period of life that people are better off without this groundbreaking study shows that teen confusion and hardships are caused by outmoded systems that were designed to destroy the continuum between childhood

and adulthood Documenting how teens are isolated from adults and are forced to look to their media dominated peers for knowledge this discussion contends that by infantilizing young people society does irrevocable harm to their development and well being Instead parents teachers employers and others must rediscover the adults in young people by giving them authority and responsibility as soon as they exhibit readiness Teens are highly capable in some ways more than adults and this landmark discussion offers paths for reaching and enhancing the competence in America s youth *Children's Literature Abstracts* ,1994 America, History and Life ,2006 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Children's Literature Association Quarterly** ,1995 **Kansas History** ,1992
