PRATCHETT**
A DISCWORLD NOVEL
SMALL GODS

Small Gods Discworld S

Clifford Lane

Small Gods Discworld S:

Small Gods Terry Pratchett,1993-11-01 In the beginning was the Word And the Word was Hey you For Brutha the novice is the Chosen One He wants peace and justice and brotherly love He also wants the Inquisition to stop torturing him now please

Small Gods Terry Pratchett,2013 Brutha a simple man leading a quiet life tending his garden finds his life irrevocably changed when his god speaking to him through a tortoise sends him on a mission of peace

Small Gods Terry Pratchett,2009-03-17 Pratchett s Monty Python like plots are almost impossible to describe His talent for characterization and dialogue and his pop culture allusions steal the show Chicago Tribune No sacred cow is left unskewered in this intriguing installment in Sir Terry Pratchett s internationally bestselling Discworld series a divinely funny take on organized religion petty gods and the corrupting thirst for power Religion is a competitive business in the Discworld Everyone has their own opinion and their own gods of every shape and size all fighting for faith followers and a place at the top So when the great god Om accidentally manifests as a lowly tortoise stripped of all divine power it s clear he s become less important than he realized Om needs an acolyte and fast Enter Brutha the Chosen One or at least the only One available He s a simple lad whose highest ambition is tending his melon patch until he hears the voice of a god calling his name A small god for sure But bossy as Hell Brutha wants peace justice and love but that s hard to achieve in a world where religion means power money is worshipped and corruption reigns supreme The Discworld novels can be read in any order but Small Gods is a standalone

Small Gods Terry Pratchett,2016-07-28 Just because you can t explain it doesn t mean it s a miracle In the beginning was the Word And the Word was Hey you This is the Discworld after all and religion is a controversial business Everyone has their own opinion and indeed their own gods of every shape and size and all elbowing for space at the top In such a competitive environment it s certainly not helpful to be reduced to appearing in the form of a tortoise a manifestation far below god like status in anyone s book In such instances you need an acolyte and fast for the Great God Om Brutha the novice is the Chosen One or at least the only One available He wants peace and justice and brotherly love He also wants the Inquisition to stop torturing him now please Now adapted into graphic novel form with new artwork by Ray Friesen

Small Gods Terry Pratchett,1992 Brutha is a simple lad He can t read or write but he s pretty good at growing melons and his wants are few He wants peace and justice and brotherly love but most of all he wants his god who s currently in the shape of a tortoise to choose someone else

The Ultimate Discworld Companion Terry Pratchett,Stephen Briggs,2021-11-11 The absolute comprehensive from Tiffany Aching to Jack Zweiblum guide to all things Discworld fully illustrated by Paul Kidby The Discworld as everyone knows is a flat world balanced on the back of four elephants which in turn stand on the shell of the giant star turtle the Great A Tuin as it slowly swims through space It is also the global publishing phenomenon with sales of over 70 million books worldwide but who s counting There s an awful lot of Discworld to keep track of But fear not Help is at hand For the very first time everything and we mean everything you could possibly

want to know has been crammed into one place If you need a handy guide to locales from Ankh Morpork to Zemphis If you can't tell your Achmed the Mads from your Jack Zweiblumens If your life depends on distinguishing between the Agatean Empire and the Zoons Look no further Updated and perfected by Stephen Briggs the man behind The Ultimate Discworld Companion's predecessor Turtle Recall this is your ultimate guide to Sir Terry Pratchett's beloved fantasy world **Terry Pratchett's Narrative Worlds** Marion Rana, 2018-02-12 This book highlights the multi dimensionality of the work of British fantasy writer and Discworld creator Terry Pratchett Taking into account content political commentary and literary technique it explores the impact of Pratchett's work on fantasy writing and genre conventions With chapters on gender multiculturalism secularism education and relativism Section One focuses on different characters situatedness within Pratchett's novels and what this may tell us about the direction of his social religious and political criticism Section Two discusses the aesthetic form that this criticism takes and analyses the post and meta modern aspects of Pratchett's writing his use of humour and genre adaptations and deconstructions This is the ideal collection for any literary and cultural studies scholar researcher or student interested in fantasy and popular culture in general and in Terry Pratchett in particular

Narnia, Middle-Earth and The Kingdom of God Mark Worthing, 2016-12-29 Narnia Middle Earth and the Kingdom of God tells the story of fantasy literature within the context of its complex relationship with the Christian tradition In this book Worthing looks at early influences on the genre including European fairy tales and folklore Northern and classical mythology and Christian allegory He also explores the contours of a variety of fantasy worlds from MacDonald's Faerie Lewis Narnia and Tolkien's Middle Earth to LeGuin's Earthsea Pratchett's Discworld and Rowling's world of Hogwarts In these worlds and many more we discover themes such as the battle between good and evil the question of the existence of God and the problem of suffering Fantasy fans of all religious persuasions will find in this book a delightful and informative exploration of the rich history and profound themes of the fantasy genre **Discworld and the Disciplines** Anne Hiebert Alton, William C. Spruiell, Donald E. Palumbo, 2014-05-02 This collection of new essays applies a wide range of critical frameworks to the analysis of prolific fantasy author Terry Pratchett's Discworld books Essays focus on topics such as Pratchett's treatment of noise and silence and their political implications art as an anodyne for racial conflict humor and cognitive debugging visual semiotics linguistic stylistics and readers perspectives of word choice and Derrida and the monstrous Regiment of Women The volume also includes an annotated bibliography of critical sources The essays provide fresh perspectives on Pratchett's work which has stealthily redefined both fantasy and humor for modern audiences *The Great Philosophers: Democritus*

Paul Cartledge, 2011-09-14 Part of the GREAT PHILOSOPHERS series Democritus c 460 c 370BC The Renaissance's Laughing Philosopher our own age's Prophet of Quark throughout the modern philosophical tradition Democritus has been a man little known beyond his labels Yet if the image of the cheerful ironist understates his true seriousness that of father of modern nuclear physics though by no means entirely unfounded loses sign of the man in the hyperbole Flattering as it is it

fails to do justice either to the full range of Democritus interests or to the astonishing originality of his ideas For Democritus remarkable investigations took him far beyond the realms of physics and chemistry to explore the science of existence as a whole Perception selfhood and society ethic politics and the law as Paul Cartledge s enthralling introduction makes clear Democritus has much to teach us in all these fields and more [The Turtle Moves!](#) Lawrence Watt-Evans,2008-07-11 After growing from humble beginnings as a Sword Sorcery parody to more than 30 volumes of wit wisdom and whimsy the Discworld series has become a phenomenon unlike any other Now in The Turtle Moves Lawrence Watt Evans presents a story by story history of Discworld s evolution as well as essays on Pratchett s place in literary canon the nature of the Disc itself and the causes and results of the Discworld phenomenon all refreshingly free of literary jargon littered with informative footnotes Part breezy reference guide part droll commentary The Turtle Moves will enlighten and entertain every Pratchett reader from the casual browser to the most devout of Discworld s fans **Power and Society in Terry Pratchett's**

Discworld Justine Breton,2025-04-24 A critical deep dive into conceptions of power and society in Terry Pratchett s Discworld novels this book brings together experts in fantasy literature political sciences economics philosophy history and journalism to consider the intricate social tapestry of one of the most intricate worlds in modern fantasy Surveying the Discworld s institutionalised power structures from government and police to civil services banks and societies it explores ideas such as language translation humour crowds community justice and coercion in the series major works Featuring analyses of novels such as Men at Arms Equal Rites Carpe Jugulum Guards Guards Jingo Night Watch Wyrd Sisters Witches Abroad and many more this collection illuminates how Pratchett juxtaposed his narratives with contemporary reflections on social constructs Broken down into parts looking at social power dynamics building and destroying worlds and the power of language the book offers a much needed corrective to the dearth of scholarship on one of fantasy literature s worldbuilding titans *Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams* Stefanie Schult,2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the

cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett's Discworld retains a feeling of Britishness that is not to be found in Williams's Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author's Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media If You Like Monty Python... Zack Handlen, 2011-12-01 Limelight From their perfectly insane television show to their consistently irreverent and riotous movies Monty Python has owned the zany and absurd side of comedy since their debut Their influence can be felt in every comedy show that followed them from Saturday Night Live and Second City television to The Kids in the Hall not to mention all the laughs writ large on the silver screen where their brand of absurdity opened the doors for such people as Jim Carrey who made a name for themselves by pushing the funny even further This is the first book to look at everything influenced by the Pythons but also at those who came before them from the classic British comedies to the Marx Brothers and everything in the Python universe from Fawlty Towers and A Fish Called Wanda to Spamalot and Brazil If You Like Monty Python is a book for any fan who has graduated from the Ministry of Silly Walks and wants more The Intertextuality of Terry Pratchett's Discworld as a Major Challenge for the Translator Aleksander Rzyman, 2017-01-06 For the translator intertexts are among chief problems posed by the source text Often unmarked typographically direct or altered not necessarily well known and sometimes intersemiotic quotations and references to other writings and culture texts call for erudition and careful handling so that readers of the translation stand a chance of spotting them too For the reader the rich intertextuality of Terry Pratchett's Discworld series is among its trademark features Consequently it should not be missed in translations whose success thus depends significantly on the quality of translation of the intertexts which as is highlighted here cover a vast and varied range of types of original texts The book focuses on how to deal with Pratchett's intertexts how to track them down analyse their role predict obstacles to their effective translation and suggest translation solutions complete with a discussion of the translation of selected intertextual fragments in the Polish version wiat Dysku a concise overview of intertextual theories and an assessment of the translator's work May Your God Go With You David B. Reynolds, 2019-11-05 And may your god go with you the audience replied in unison to a blessing from the Rev Jeremiah Brown With that last comment Russell Richman had his view of reality twisted tilted twirled and transformed into a tiny flaming ball before being drop kicked screaming into a toilet and flushed

Tracing the cultural legacy of Irish Catholicism Eamon Maher, Eugene O'Brien, 2017-04-06 This book traces the steady decline in Irish Catholicism from the visit of Pope John Paul II in 1979 up to the Cloyne report into clerical sex abuse in that diocese in 2011 The young people awaiting the Pope's address in Galway were entertained by two of Ireland's most charismatic clerics Bishop Eamon Casey and Fr Michael Cleary both of whom were subsequently revealed to have been engaged in romantic liaisons at the time The decades that followed the Pope's visit were characterised by the increasing

secularisation of Irish society Boasting an impressive array of contributors from various backgrounds and expertise the essays in the book attempt to trace the exact reasons for the progressive dismantling of the cultural legacy of Catholicism and the consequences this has had on Irish society *A Dictionary of Writers and their Works* Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication **Pagan Every Day** Barbara Ardinger, 2006-08-01 Humorous and witty entries for every day of the year provoke new ideas and new ways of exploring paganism as a spiritual practice revealing how contemporary spiritual experiences show up in the most unexpected places Original **Look at the Evidence** John Clute, 2016-11-24 For more than 50 years John Clute has been reviewing science fiction and fantasy Look at the Evidence is a collection of reviews from a wide variety of sources including Interzone the New York Review of Science Fiction and Science Fiction Weekly about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times It covers the period between 1987 and 1992
