Small Salvations:

Salvation's Kiss Kathryn Jayne,2022-02-10 For Conrad moving to Overton was the promise of a fresh start a way to escape the pain and ridicule and leave behind the hateful words that reminded him every day he was a monster He would not make the same mistake again He would keep his other self hidden his heart shielded Or that had been his intention The moment his gaze met Ashley s his resolve faltered With a single disarming glance she became all he could think about an infatuation he knew must be shed But she was human incompatible with his kind To love her would be to one day watch her burn He had thought wrestling with his heart was his biggest concern but his new friends harbour a secret They hold the answers to one of the most burning questions of their time But how much is Conrad willing to sacrifice to get those answers This book contains graphic sex and is not suitable for readers under the age of 18 Twenty-Four Short Sermons On the Doctrine of Universal Salvation John Bovee,2020-07-17 Reproduction of the original Twenty Four Short Sermons On the Doctrine of Universal Salvation by John Bovee **For Salvation's Sake** Jason Moralee,2004-03-01 This book breaks new ground in the study of cultural unity in the Near East from pre Roman to early Islamic times first century BC eighth century AD Based on a thorough study of nearly 400 Greek and Latin inscriptions from Syria Lebanon Jordan and Israel this book shows how the formula for salvation s sake hyper soterias pro salute was fundamental to the political social and religious lives of hundreds of civic and military elites in the Near East Initially an expression of ancient indigenous religion this formula expressed loyalty to the central authority at Rome while profiling social status and piety With the arrival of Christianity and Islam the formula lost its political importance but persisted in its social and religious applications among Christian and Jewish communities in Late Antiquity Presenting a new body of evidence Jason Moralee provides a fresh look at how Romans used the inscriptions to secure the loyalty of their subjects for centuries This analysis of material culture through several periods redefines notions of political loyalty in the Middle East from antiquity through the Middle Ages raising new questions about life in the Roman provinces **Salvation's Fire** Justina Robson,2018-09-04 The Tzarkomen necromancers sacrificed a thousand women to create a Bride for the Kinslayer so he would spare them in the war But the Kinslayer is dead and now the creation intended to ensure his eternal rule lies abandoned by its makers in the last place in the world that anyone would look for it Which doesn t prevent someone finding her by accident Will the Bride return the gods to the world or will she bring the end of days It all depends on the one who found her Kula a broken hearted little girl with nothing left to lose *Salvation of the Soul and Islamic Devotion* M. A. Quasem,2023-05-31 First Published in 1983 *Salvation of the Soul and Islamic Devotion* demonstrates that salvation is a central concept of the religion of Islam even though its meaning causes and results according to Islam may differ from what is taught by Christianity and other world religions The first chapter of the book presents the Islamic doctrine of salvation as set forth in the Quran and prophetic tradition The meaning of salvation is explored and the means to it on both human and divine sides are considered with

special emphasis upon Islamic devotions The remaining eight chapters deal with both obligatory and supererogatory devotions prescribed by Islam concentrating on the methods of their correct performance on which salvation is largely dependent The material used in this book has been derived entirely from the original Islamic sources written in Arabic Efforts are made to make the book useful to both Muslim and non Muslim readers of English interested in the Islamic theory of salvation and acts of devotion

Event Cascade Matthew Vierling, 2008-05 After the events of Chaos Theory Connor Randall moves to Tokyo Japan When his boss dies mysteriously Connor stumbles onto something puzzling in a vast collection of strange documents Compelled by a grieving daughter he delves deeper into the mystery With his perfect memory he realizes that certain historical events seem impossible Yet when he thinks about these impossible events and considers how everything might somehow be connected he develops an unbelievable conspiracy theory They have no name They are the powerful cabal whose secret machinations have built empires and kingdoms and directed the course of human events from behind a curtain of anonymity Their ominous hegemony dates from the Dark Ages and their hidden legacy echoes throughout a millennium of civilization They survive now as data mining businesses statistical firms actuarial companies and demographics corporations moving from nation to nation every few years to conceal their true purpose covertly ruling the world with their prediction engines statistical matrices and mathematical equations And they will kill to protect their secrets When Connor discovers his conspiracy theory supported by vast amounts of buried evidence he realizes that something very dangerous is going on The truth is worse than he can imagine

Tofino: A Novel Tom Stewart, 2025-08-13 In prose that sears he gives us the wild coast and the wounded soul both stripped of pretense both tremblingly alive Author Tom Stewart following a national fiction award for Immortal North returns with his most intimate novel yet an emotionally charged story of heartbreak and healing in the town he calls home Lyrical and sexy at once comedic and profound the story unfolds over three days seamlessly weaving sensational Tofino history with a blemished and modern romance Sunrise in downtown Vancouver On her morning jog Valerie Lou Roy falls to her knees from a panic attack Founder and CEO of a disruptive social media firm she s facing public backlash and looming lawsuits Last night she thought it was his truck outside her condo again a man unstable well before their bad breakup Seeking a former peace she can hardly recall Valerie boards a ferry to one of Canada s most stunning coastal towns Stubborn fate seems at play when she crosses paths again with a curious fishing guide part time smut writer with a taste for off colour jokes and the occasional literary quote Valerie begins to suspect that laughter and romance might heal more than even Tofino s hot springs and taco trucks endless beaches and an ocean coloured the blue of your dreams But the past rarely stays where you leave it As closeness stirs between her and the unlikely guide honesty feels less like rescue than another weight to bear Her business her sense of self and the fragile promise of new love are at risk while an anxious tide rises and fresh betrayals near

Science and Salvation Aileen Fyfe, 2011-04-15 Threatened by the proliferation of cheap mass produced publications the Religious Tract Society issued a series of

publications on popular science during the 1840s The books were intended to counter the developing notion that science and faith were mutually exclusive and the Society's authors employed a full repertoire of evangelical techniques low prices simple language carefully structured narratives to convert their readers The application of such techniques to popular science resulted in one of the most widely available sources of information on the sciences in the Victorian era A fascinating study of the tenuous relationship between science and religion in evangelical publishing Science and Salvation examines questions of practice and faith from a fresh perspective Rather than highlighting works by expert men of science Aileen Fyfe instead considers a group of relatively undistinguished authors who used thinly veiled Christian rhetoric to educate first but to convert as well This important volume is destined to become essential reading for historians of science religion and publishing alike

"Things that Accompany Salvation:" in Nineteen Sermons ... Things, 1858 Cycles of Salvation History Ulrich Utiger, 2013-07-05 The first part of the present book casts a new light on the Genesis vs science issue the second part points out that salvation history is repeating itself through cycles of four typical phases and based on this the third part shows that Marian apparitions are predicted by Scriptures
