America's First Ladies Nancy Hendricks, 2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America's hostesses many of the nation's First Ladies played vital roles in shaping their husband's presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America's First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon's army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady's legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public

To Make Our World Anew: A History of African Americans Robin D. G. Kelley, Earl Lewis, 2000-05-30 Written by the most prominent of the new generation of historians this superb volume offers the most up to date and authoritative account available of African American history ranging from the first Africans brought as slaves into the Americas to today's black filmmakers and politicians Here is a panoramic view of African American life rich in gripping first person accounts and short character sketches that invite readers to relive history as African Americans experienced it We begin in Africa with the growth of the slave trade and follow the forced migration of what is estimated to be between ten and twenty million people witnessing the terrible human cost of slavery in the colonies of England and Spain We read of the Haitian Revolution which ended victoriously in 1804 with the birth of the first independent black nation in the New World and of slave rebellions and resistance in the United States in the years leading up to the Civil War There are vivid accounts of the Civil War and Reconstruction years the backlash of notorious Jim Crow laws and mob lynchings and the founding of key black educational institutions The contributors also trace the migration of blacks to the major cities the birth of the Harlem

Renaissance the hardships of the Great Depression and the service of African Americans in World War II the struggle for Civil Rights in the 1950s and 60s and the emergence of today's black middle class From Harriet Tubman and Frederick Douglass to Martin Luther King Jr and Louis Farrakhan *To Make Our World Anew* is an unforgettable portrait of a people

The First Women Lawyers Mary Jane Mossman, 2006-05-31 This comparative study explores the lives of some of the women who first initiated challenges to male exclusivity in the legal professions in the late nineteenth and early twentieth centuries Their challenges took place at a time of considerable optimism about progressive societal change including new and expanding opportunities for women as well as a variety of proposals for reforming law legal education and standards of legal professionalism By situating women's claims for admission to the bar within this reformist context in different jurisdictions the study examines the intersection of historical ideas about gender and about legal professionalism at the turn of the twentieth century In exploring these systemic issues the study also provides detailed examinations of the lives of some of the first women lawyers in six jurisdictions the United States Canada Britain New Zealand and Australia India and western Europe In exploring how individual women adopted different legal arguments in litigated cases or devised particular strategies to overcome barriers to professional work the study assesses how shifting and contested ideas about gender and about legal professionalism shaped women's opportunities and choices as well as both support for and opposition to their claims As a comparative study of the first women lawyers in several different jurisdictions the book reveals how a number of quite different women engaged with ideas of gender and legal professionalism at the turn of the twentieth century

Feminism and Criminal Justice Anne Logan, 2008-11-03 This book provides a comprehensive study of the neglected story of the involvement of the women's movement with criminal justice policy in the 20th century Taking the topic from the suffragette era to the early days of second wave feminism the book argues that criminal justice policy has been a continual concern for feminists
