

Smashupstory Of A Woman

Mark A. Vieira

Smashupstory Of A Woman:

Hollywood Shot by Shot Norman K. Denzin, 2017-09-04 To what extent have Hollywood feature films shaped the meanings that Americans attach to alcoholics their families and the alcoholic condition To what extent has the mass culture of the movie industry itself been conceptually shaped by a broad external societal discourse Norman Denzin brings to his life long study of alcoholism a searching interest in how cultural texts signify and lend themselves to interpretation within a social nexus Both historical and diachronic in his approach Denzin identifies five periods in the alcoholism films made between 1932 and the end of the 1980s and offers a detailed critical reading of thirty seven films produced during these six decades

Lady Lushes Michelle L. McClellan, 2017-11-30 According to the popular press in the mid twentieth century American women in a misguided attempt to act like men in work and leisure were drinking more Lady Lushes were becoming a widespread social phenomenon From the glamorous hard drinking flapper of the 1920s to the disgraced and alcoholic wife and mother played by Lee Remick in the 1962 film *Days of Wine and Roses* alcohol consumption by American women has been seen as both a prerogative and as a threat to health happiness and the social order In *Lady Lushes* medical historian Michelle L. McClellan traces the story of the female alcoholic from the late nineteenth through the twentieth century She draws on a range of sources to demonstrate the persistence of the belief that alcohol use is antithetical to an idealized feminine role particularly one that glorifies motherhood *Lady Lushes* offers a fresh perspective on the importance of gender role ideology in the formation of medical knowledge and authority

Hollywood's Censor Thomas Doherty, 2009-03-31 From 1934 to 1954 Joseph I Breen a media savvy Victorian Irishman reigned over the Production Code Administration the Hollywood office tasked with censoring the American screen Though little known outside the ranks of the studio system this former journalist and public relations agent was one of the most powerful men in the motion picture industry As enforcer of the puritanical Production Code Breen dictated final cut over more movies than anyone in the history of American cinema His editorial decisions profoundly influenced the images and values projected by Hollywood during the Great Depression World War II and the Cold War Cultural historian Thomas Doherty tells the absorbing story of Breen's ascent to power and the widespread effects of his reign Breen vetted story lines blue penciled dialogue and excised footage a process that came to be known as Breening to fit the demands of his strict moral framework Empowered by industry insiders and millions of like minded Catholics who supported his missionary zeal Breen strove to protect innocent souls from the temptations beckoning from the motion picture screen There were few elements of cinematic production beyond Breen's reach he oversaw the editing of A list feature films low budget B movies short subjects previews of coming attractions and even cartoons Populated by a colorful cast of characters including Catholic priests Jewish moguls visionary auteurs hardnosed journalists and bluenose agitators Doherty's insightful behind the scenes portrait brings a tumultuous era and an individual both feared and admired to vivid life

E-motion Picture Magic Birgit Wolz, 2005 Like no other medium before it the popular movie presents

the potential of a new power for illuminating the depth of human experience E Motion Picture Magic employs that power as a tool to increase consciousness Cinema therapy offers more perspective on life prompting the viewer to step back from his or her problems in order to feel less insecure worried or discontented Using films for self improvement allows a shift in perspective when viewed with conscious awareness The use of movies for personal growth and healing carries forward a long standing connection between storytelling and self reflection that may date back to the beginnings of spoken language The movie experience used in very specific ways can have significant benefits for those who are willing to apply themselves using E Motion Picture Magic that can be both beneficial as well as enjoyable **I Do and I Don't** Jeanine Basinger,2014-03-11

Here is happily ever after except when things aren't happy and when ever after is abruptly terminated by divorce tragedy or even murder With her large hearted understanding of how movies and audiences work leading film historian Jeanine Basinger traces the many ways Hollywood has tussled with the tricky subject of marriage explicating the relationships of countless marriages from Blondie and Dagwood to the heartrending couple in the Iranian A Separation from Coach and his wife in Friday Night Lights to Tracy and Hepburn and even to Laurel and Hardy a marriage if ever there was one A treasure trove of insight and sympathy illustrated with scores of wonderfully telling movie stills posters and ads **The**

Encyclopedia of Film James Monaco,1991 An alphabetical reference on the major film figures stars producers directors writers et al past and present Each entry provides a substantial career biography and a complete listing of all films the individual has been involved with Annotation copyrighted by Book News Inc Portland OR **"Keep 'Em in the East"**

Richard Koszarski,2021-07-20 The year 1955 was a watershed one for New York's film industry Elia Kazan's On the Waterfront took home eight Oscars and more quietly Stanley Kubrick released the low budget classic Killer's Kiss A wave of films that changed how American movies were made soon followed led by directors such as Sidney Lumet William Friedkin Francis Ford Coppola and Martin Scorsese Yet this resurgence could not have occurred without a deeply rooted tradition of local film production Richard Koszarski chronicles the compelling and often surprising origins of New York's postwar film renaissance looking beyond such classics as Naked City Kiss of Death and Portrait of Jennie He examines the social cultural and economic forces that shaped New York filmmaking from city politics to union regulations and shows how decades of low budget independent production taught local filmmakers how to capture the city's grit liveliness and allure He reveals the importance of race films all Black productions intended for segregated African American audiences that not only helped keep the film business afloat but also nurtured a core group of writers directors designers and technicians Detailed production histories of On the Waterfront and Killer's Kiss films that appear here in a completely new light illustrate the distinctive characteristics of New York cinema Drawing on a vast array of research including studio libraries censorship records union archives and interviews with participants Keep Em in the East rewrites a crucial chapter in the history of American cinema

The Female Complaint Lauren Berlant,2008-03-17 A literary critical and historical chronicle of women's culture in the

United States from 1830 to the present by a leading Americanist *A Woman's View* Jeanine Basinger, 2013-09-04 Now Voyager Stella Dallas Leaver Her to Heaven Imitation of Life Mildred Pierce Gilda these are only a few of the hundreds of women's films that poured out of Hollywood during the thirties forties and fifties The films were widely disparate in subject sentiment and technique they nonetheless shared one dual purpose to provide the audience of women primarily with temporary liberation into a screen dream of romance sexuality luxury suffering or even wickedness and then send it home reminded of reassured by and resigned to the fact that no matter what else she might do a woman's most important job was to be a woman Now with boundless knowledge and infectious enthusiasm Jeanine Basinger illuminates the various surprising and subversive ways in which women's films delivered their message Basinger examines dozens of films exploring the seemingly intractable contradictions at the convoluted heart of the woman's genre among them the dilemma of the strong and glamorous woman who cedes her power when she feels it threatening her personal happiness and the self-abnegating woman whose selflessness is not always as noble as it appears Basinger looks at the stars who played these women and helps us understand the qualities the right off-screen personae the right on-screen attitudes the right faces that made them personify the woman's film and equipped them to make believable drama or comedy out of the crackpot plots the conflicting ideas and the exaggerations of real behavior that characterize these movies In each of the films the author discusses whether melodrama screwball comedy musical film noir western or biopic a woman occupies the center of her particular universe Her story in its endless variations of rags to riches boy meets girl battle of the sexes mother love doomed romance inevitably sends a highly potent mixed message Yes you women belong in your proper place that is content with the Big Three of the woman's film world men marriage and motherhood but meanwhile and paradoxically see what fun glamour and power you can enjoy along the way *A Woman's View* deepens our understanding of the times and circumstances and attitudes out of which these movies were created **Into the Dark** Mark A. Vieira, 2025-05-01 You know film noir when you see it the shadowed setting the cynical detective the femme fatale and the twist of fate *Into the Dark* captures this alluring genre with a cavalcade of compelling photographs and a guide to 82 of its best films *Into the Dark* is the first book to tell the story of film noir in its own voice Author Mark A. Vieira quotes the artists who made these movies and the journalists and critics who wrote about them taking readers on a year-by-year tour of the exciting nights when movies like *Double Indemnity* *Mildred Pierce* and *Sunset Boulevard* were sprung on an unsuspecting public For the first time we hear the voices of film noir artists speak from the sets and offices of the studios explaining the dark genre even before it had a name Those voices tell how the genre was born and how it thrived in an industry devoted to sweetness and light *Into the Dark* is a ticket to a smoky glamorous world You enter a story conference with Raymond Chandler visit the set of *Laura* and watch *Detour* with a Midwest audience This volume recreates the environment that spawned film noir It also displays the wit and warmth of the genre's artists Hedda Hopper reports on *Citizen Kane* calling Orson Welles Little Orson Annie Lauren Bacall says she enjoys

playing a bad girl in *To Have and Have Not* Bosley Crowther calls Joan Crawford in *Possessed* a ghost wailing for a demon lover beneath a waning moon An Indiana exhibitor rates the classic *Murder My Sweet* a passable program picture Illustrated by hundreds of rare still photographs *Into the Dark* conveys the mystery glamour and irony that make film noir surpassingly popular About TCM Turner Classic Movies is the definitive resource for the greatest movies of all time It engages entertains and enlightens to show how the entire spectrum of classic movies movie history and movie making touches us all and influences how we think and live today
