House, 1869 *House Documents* USA House of Representatives, 1869 Fairy Tales in Popular Culture Martin Hallett, Barbara Karasek, 2014-08-05 It wasn't so long ago that the fairy tale was comfortably settled as an established and respectable part of children's literature Since the fairy tale has always been a mirror of its times however we should not be surprised that in the latter part of the twentieth century it turned dark and ambiguous its categorical distinction between good and evil was increasingly at odds with the times Yet whatever changes the fairy tale may have undergone its cultural popularity has never been greater *Fairy Tales in Popular Culture* sets out to show how the tale has been adapted to meet the needs of the contemporary world how writers film makers artists and other communicators have found in its universality an ideal vehicle for speaking to the here and now and how social media have created a participatory culture that has reinvented the fairy tale A selection of recent retellings show how the tale is being recalibrated for the contemporary world first through the word and then through the image In addition to the introductions that precede each section the anthology provides a selection of critical pieces that offer lively insight into various aspects of the fairy tale as popular culture Outlaw Tales of the Old West: Fifty True Stories of Desperados, Crooks, Criminals, and Bandits Erin H. Turner, 2016-06-03 This collection of fifty outlaw tales includes well knowns such as Butch Cassidy and the Sundance Kid Frank and Jesse James Belle Starr and her dad and Pancho Villa along with a fair smattering of women organized crime bosses smugglers and of course the usual suspects highwaymen bank and train robbers cattle rustlers snake oil salesmen and horse thieves Men like Henry Brown and Burt Alvord worked on both sides of the law either at different times of their lives or simultaneously Clever shyster Soapy Smith and murderer Martin Couk survived by their wits while the outlaw careers of the dimwitted DeAutremont brothers and

bigmouthed Diamondfield Jack were severely limited by their intellect or lack thereof Nearly everyone in these pages was motivated by greed revenge or a lethal mixture of the two The most bloodthirsty of the bunch such as the heartless and some might argue soulless Annie Cook and trigger happy Augustine Chac n surely had evil written into their very DNA
