and by everyone else as the filth. My only concerns in life were avoiding a transfer to the Case Progression Unit. We do paperwork so other coppers don't have to and where to get a hot coffee while on late shift. Then one night in pursuance of a murder inquiry I tried to take a witness statement from a man who was dead but disturbingly voluble and that brought me to the attention of Chief Inspector Nightingale, the last wizard in Britain. And that, as they say, is where the story really starts. Now I'm in plain clothes and the first apprentice wizard in fifty years and my world has become somewhat more complicated. Now I'm dealing with nests of vampires in Purley negotiating a truce between the warring god and goddess of the River Thames and digging up graves in Covent Garden and that's just the routine stuff. Because there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city and it's fallen to me to bring order out of chaos or die trying. Which I don't mind telling you would involve a hell of a lot of paperwork.

Reviews for Rivers of London fresh and original and a wonderful read. I loved it. Charlaine Harris. A hilarious keenly imagined caper. Diana Gabaldon. A witty and inventive twist to urban fantasy. Wouldn't let go until the last page. Mario Acevedo. It's witty fun and full of vivid characters and the plot twists will keep even seasoned mystery fans guessing. Publishers Weekly. *Moon Over Soho* Ben Aaronovitch, 2022-11-28. *Moon Over Soho* cements the Rivers of London series as my favorite urban fantasy series. The humor, the world building, the action, the magic, the mystery, the procedural, all are top notch. Ranting Dragon. My name is Peter Grant and I'm a Police Constable in that mighty army for justice known as the Metropolitan Police, aka the Filth. I'm also an apprentice wizard, the first in fifty years. When your dad is an almost famous jazz trumpeter, you know the classics. And that's why when Dr Walid called me down to the morgue to listen to a corpse, I recognized the tune it was playing as the jazz classic *Body and Soul*. Something violently supernatural had happened to the victim, strong enough to leave its imprint on his corpse as if it were a wax cylinder recording. The former owner of the body, Cyrus Wilkinson, was a part-time jazz saxophonist and full-time accountant who had dropped dead of a heart attack just after finishing a gig. He wasn't the first, but no one was going to let me exhume corpses just to see if they were playing my tune. So it was back to old-fashioned police legwork, starting in Soho, the heart of the scene, with the lovely Simone, Cyrus's ex-lover, professional jazz kitten, and as inviting as a Rubens portrait as my guide. And it didn't take me long to realise there were monsters stalking Soho, creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune. What they take is beauty. What they leave behind is sickness, failure, and broken lives.

Reviews for *Moon Over Soho*. Mr Aaronovitch is in short writing the best contemporary occult detective series on the shelf today and that's by a substantial margin. Pornokitsch. *Moon Over Soho* is a gripping continuation of *River of London*, a well-executed blend of police procedural and fantasy with a good splash of horror thrown in. This is urban fantasy done with a loving attention to detail and enlivened by an ever-present wit, making this series a must-read for anyone who likes their fantasy with a strong edge of realism.
