Horror and Its Aftermath Sally Stamper, 2016-09-01. In *Horror and Its Aftermath: Reconsidering Theology and Human Experience*, Sally Stamper brings together psychoanalytic theory, early childhood development, and theological recourse to psychology into a fresh conversation about human suffering and the contingencies of human existence before God. She argues that a constant awareness of vulnerability to profound suffering shapes and inflects human experience and that insight into the consequent human anxiety is a powerful resource for theological reflection on sin, grace, salvation, and redemption. Stamper narrates what she calls normative anxiety by taking recourse to

object relations theories of early childhood development and critical readings of literary texts for young children including Goodnight Moon The Runaway Bunny and Dr Seuss What Was I Scared Of Building on Marilyn McCord Adams's treatment of horror participation and Jonathan Lear's argument for radical hope Stamper develops a complex argument that gestures toward a new eschatological vision centered on a transcendent God who is both radically other and intimately engaged in human life American Book Publishing Record Cumulative, 1950-1977 R.R.
