## **Snore No More:**

Snore, No More! Rob Simon, 2005 Author Rob Simon has been on a quest How do I stop snoring and save my marriage Thanks to the author s diligence humor and in no small part the willingness of his mate to hold onto hope millions of snorers and snorees may find their own solution to snoring one of the most widely deliberated about and challenging conditions around the world Snore No More is no first person account Rather it s a well researched book written by a man men are twice as likely to snore as women who knows the trials and tribulations of snoring and leaves no topic unturned in his hunt for answers The result is an entertaining humorous and very informative book that covers everything from how to say snore in many of the world s languages to the effects of diet on snoring Other topics include snoring surgeries several of which the author has undergone effects of sleep loss on snorees and even dealing with pet snoring Snore No More is destined to become a must have book for anyone who snores or lives with a snorer The book s insights suggestions and documentation alone make it a valuable reference one that just might keep snorers up all night reading Snore No More! James Mosley, 2006-03 This third edition of Snore No More provides easy to understand facts about the causes of snoring and the dangers of loud snoring It prescribes preventatives measures self help methods where to get professional help and the state of the art treatments available to stop snoring and obstructive sleep apnea OSA Snore No More is a timely informative patient oriented health care book about the pitfalls and health hazards that can result from snoring and OSA The author shares his 39 year battle with his own obnoxious heavy snoring and OSA This edition reveals the cutting edge technology currently in use by doctors to screen diagnose and treat snoring and OSA Snore No More delivers a timely A Z sleep disorder awareness message that empowers the reader to become proactive and help themselves a family member or a friend to stop snoring and live longer and healthier Snore No More features some intriguing real life accounts given by sleep apnea patients that describe physical and mental suffering loss of job sexual and marital problems and near death situations caused by loud snoring and OSA Aside from providing information on the causes and treatments of snoring and a potentially life threatening sleep disorder OSA this edition includes a Snorer s First Line Responders SFLR Quiz a Snoring Assessment Study and a Sleep Questionnaire which can be found in Chapter 5 The purpose of these sleep aids is to heighten the awareness of the snorer concerning how loud erratic frequent or disruptive his her snoring may be and encourage testing and treatment The author has designated those individuals who share the same bed same room or household with a snorer as the Snorer s First Line Responder SFLR Therefore the focus of his book has shifted slightly from its earlier editions to include the mate spouse family members and friends in a more proactive role in helping to identify sleep apnea symptoms which could mean the difference between life and death for a friend or loved one This edition introduces dental sleep medicine which is a rapidly growing practice that uses non invasive reversible oral appliances to treat snoring and OSA In addition Oral Systemic Balance r Therapeutic Systems is also introduced a new therapeutic approach to treating snoring sleep apnea
