**Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2009 **The Canadian Encyclopedia** James  
H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada  
for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here  
It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single  
volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording  
new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers  
and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of  
scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry  
is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the  
equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves  
pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian  
flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this  
encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and  
whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new  
millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations  
this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are  
staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they  
describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this  
massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might  
say the greatest Canadian book ever published There are of course many special features These include a map of Canada a  
special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and  
photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all  
the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means  
that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first  
entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the  
Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly  
and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide  
hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our  
knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's

finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada Confessions of a Sled Dog Addict Laurie Niedermayer, 2015-08-26 After twenty years of living the dream author Laurie Niedermayer shares her story From the silly antics in the beginning to the last official tour taken by the teams this book is a nostalgic look at some of the reality adventures and misadventures of life on the trail Beginning with her first Siberian Husky Laurie's journey has taken her from novice dog sled racer to film trainer successful tour operator through to retirement Her love of the dogs and passion for the sport clearly comes through in her tributes to the dogs that first started her on this path Based on the condensed journal entries from thousands of miles of running trails she says Yes folks this really happened believe me Hollywood couldn't write this stuff [www.laniedermayer.com](http://www.laniedermayer.com) Hounds, Harvest, and Homicide Carolyn Ridder Aspenson, 2020-01-10 USA Today Bestselling Author A fundraiser turns fatal and an animal shelter volunteer has to sniff out a killer When Missy Kingston brought her pooch party program to an annual gala fundraiser for the city's women's shelter she didn't expect a murder But the most prominent financial contributor to the shelter has been found dead bringing the big night to a halt The suspect list is long but Missy knows one person who shouldn't be on it her friend Max Hoover Missy vows to prove his innocence and that determination leads her down a path of power politics and money And it's a path the killer doesn't want her taking **The Disturbed Girl's Dictionary** NoNieqa Ramos, 2024-05-07 A 2019 YALSA Best Fiction for Young Adults Selection A 2018 New York Public Library Best Book for Teens Macy's school officially classifies her as disturbed but Macy isn't interested in how others define her She's got more pressing problems her mom can't move off the couch her dad's in prison her brother's been kidnapped by Child Protective Services and now her best friend isn't speaking to her Writing in a dictionary format Macy explains the world in her own terms complete with gritty characters and outrageous endeavors With an honesty that's both hilarious and fearsome slowly Macy reveals why she acts out why she can't tell her incarcerated father that her mom's cheating on him and why her best friend needs protection the kind of protection that involves Macy's machete *Jet*, 2002-01-21 The weekly source of African American political and entertainment news *The Giant Book of Dog Names* Laurie Bogart Morrow, 2012-10-09 A comprehensive dog naming guide with more than 5 000 names sorted by color breed theme and many other categories including adorable dog photos THE BOOK THAT TAKES YOU BEYOND REX AND FIDO Everywhere you turn you'll find another baby name book But do you really want to call your dog Emma or Ethan If you're a dog lover you know that naming your dog should be truly meaningful and memorable With over 5 000 names to choose from only this book makes it easy to find a distinctive name for the unique dog who will share your life and home Just some of the special features of The Giant Book of Dog Names include Listings from Aaron to Mocha to Zulu Breed specific names such as Chic for a Poodle or Tundra for a Husky Suggestions for dogs of every color from Banana to Crystal to Raven Names for rescue dogs such as Lava and Freeway The fascinating meanings of names drawn from cultures that range from African to
