was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon      **Back Roads Great Britain** DK,2013-04-02
