**Pomegranate Seeds** Nadia Grosser Nagarajan,2005 *Pomegranate Seeds* is the first collection of the oral tradition of Latin American Jews to be presented in English These thirty four tales span the 500 years of Jewish presence in Latin America and the Caribbean The folktales and cultural oral narratives were often based on actual events recorded not only from the Ashkenazi perspective but from the Sephardic and Oriental as well Like dispersed pomegranate seeds all the stories come from a common cluster yet each is a separate kernel The stories are short between five and fifteen pages and each is carefully annotated In addition to gathering stories from eleven Latin American countries the author found material in the United States and Israel Regardless of their origin several tales have to do with personal feelings emotional insights and interpretation of the protagonists while others deal with happy or traumatic events that cannot be forgotten and dreams that have not been fulfilled Not surprisingly trauma and bigotry are common threads through some of the stories These are tales as Nadia Grosser Nagarajan says concealed by tropical greenery encircled by vast jungles and flowing majestic rivers that echo many voices and reflect many views and visions      *Crossroads* John W. Cassell,2005-10 The year is 1969 a time when the youth of America is standing up to its elder rulers when minorities are demanding their fair share of the American pie a time when an eternal war fought for misbegotten motives and fueled by a continuous stream of some of the most outrageous lies ever fed to a people by its leadership over the previous eight years continues to gut an entire generation a time when the old values the old expectations the old imperatives are knocked flat Seen through the eyes of 21

year old college senior John Cassell always out of money and soon to be out of college it is a saga of coming of age at a time when the younger generation accepted very little of the old yardsticks and guideposts which traditionally helped that process along Based on a true story and the stories of others the book follows the young man into the year 1969 as he struggles with the decisions expected of him by elders and demanded of him by life The story leads to a factory job in the pine barrens of his native New Jersey thence overseas to the stimulating atmosphere of a youthful community of international wanderers in Great Britain to an Ireland torn by age old divisions to France whose gendarmerie remain brooding and vengeful in the wake of the bloody Sorbonne riots of the previous year to the Spain of General Franco and finally to the turbulence of North Africa

twenty first century To be precise on the border between the Democratic Republic of Congo and Uganda a legend speaks about the disappearance of a tribe called Bachwezi into Lake Mwitanzige This exposes information concerning goings on in ancient Egypt around 1450 BC Story Hunter and Buiteboers research reveals that the Bachwezi had fled from Egypt into the depths of Central Africa They fled from Pharaoh Akhnaten who had out of the blue imposed a religious singularity on the ancient lands that bore a multiplicity of gods goddesses demigods and godlike human pharaonic rulers The publication of this story in turn upsets a delicate balance of forces in the realm of the heavens It speculates that the Bachwezi may have found in Lake Mwitanzige a portal by way of which to transmigrate and take the rebellion against a prophecy of their doom expressed by the singularity Akhnaten off the world Did they make a quantum leap of faith like Gilgamesh the demigod king of Uruk to postlife outerplanetary realms where the gods reside After the Uganda discovery the report accounts how while on a side journey through Mozambique's Zambezi Valley where the Cahora Basa dam lies Story Hunter is ambushed by a strange old man He shows Story Hunter how in precolonial times the Songo people built a tower to reach heaven This causes Story Hunter to be catapulted into an off world realm where it becomes clear that all is not what it seems in Kosher Vegan or even Halaal in the postlife off worldly realms Will it turn out that the Bachwezi may in fact have staged an insurgency or are plotting a coup in the land of Zep Tepi Volume 1 of Coup Dtat in the Land of Zep Tepi A Progress Report exposes for the first time how a legend from Central Africa explains the extremely violent obsession humans and their religions have with catastrophes apocalypses and the like Be it said as well the pages of this report hastily typed by Buiteboer in the course of one very hot South African summer night also sheds light on the question as to why the world did not come to an end on 21 December 2012 as apparently foretold by the Mayan calendar Did the Bachwezi have a hand in staying the course of the ticking time bomb hidden in the codes of the Mayan calendar Will we meet RA and Quetzalcoatl at the other end of dawn
