Lavance Washington, 2022-02-16 My name is Lavance Washington This book is about spiritual doors I'm writing this book to

not only expose the natural doors of life but to expose the spiritual doors of life as well In life there s always doors that we go through whether it s to our bedroom kitchen our job or going out to eat etc There s always doors involved in our lives and each door brings forth something different to experience in life The natural door of life we can see and we normally can see what s behind them and how you to respond to what s on the other side of the door whether it s good or bad but the spiritual door in life is a whole new ballpark of experience I ve experienced some of these spiritual doors and what s on the other side of those doors and what comes through those doors and I m mainly speaking mostly about the evil doors I m sharing how different spiritual doors expose different spiritual attacks in the spiritual world and how these doors are real I m sharing my encounters about the spiritual world and how it s opened me up to see differently It s taught me how to battle the spiritual attacks and what weapons we need Also I d like for those people who have experienced some of the same similar battles to know you re not alone and you re not crazy There s nothing wrong with sharing your testimony Share to those that are in the dark that spiritual doors are real you can t see the doors or what s on the other side like you can see in the natural realm but they are truly there evil is real I pray that this book will enlighten people of the world today but the good side is that God has opened so many good doors for me as well doors of blessings and doors of prosperity and most importantly the door to everlasting life in heaven Glory to my God for saving my life Now I m a soldier for the Lord **Song in My Heart** Nora D. Modern Romance Aziz Ansari,Eric Klinenberg,2016-06-14 The 1 New York Times Bestseller An engaging look at the often head scratching frequently infuriating mating behaviors that shape our love lives Refinery 29 A hilarious thoughtful and in depth exploration of the pleasures and perils of modern romance from Aziz Ansari the star of Master of None and one of this generation s sharpest comedic voices At some point every one of us embarks on a journey to find love We meet people date get into and out of relationships all with the hope of finding someone with whom we share a deep connection This seems standard now but it s wildly different from what people did even just decades ago Single people today have more romantic options than at any point in human history With technology our abilities to connect with and sort through these options are staggering So why are so many people frustrated Some of our problems are unique to our time Why did this guy just text me an emoji of a pizza Should I go out with this girl even though she listed Combos as one of her favorite snack foods Combos My girlfriend just got a message from some dude named Nathan Who s Nathan Did he just send her a photo of his penis Should I check just to be sure But the transformation of our romantic lives can t be explained by technology alone In a short period of time the whole culture of finding love has changed dramatically A few decades ago people would find a decent person who lived in their neighborhood Their families would meet and after deciding neither party seemed like a murderer they would get married and soon have a kid all by the time they were twenty four Today people marry later than ever and spend years of their lives on a quest to find the perfect person a soul mate For years Aziz Ansari has been aiming his comic insight at modern romance but for Modern Romance the book he decided he needed to take things

to another level He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita They analyzed behavioral data and surveys and created their own online research forum on Reddit which drew thousands of messages They enlisted the world's leading social scientists including Andrew Cherlin Eli Finkel Helen Fisher Sheena Iyengar Barry Schwartz Sherry Turkle and Robb Willer The result is unlike any social science or humor book we've seen before In *Modern Romance* Ansari combines his irreverent humor with cutting edge social science to give us an unforgettable tour of our new romantic world
