So Now You're A Principal:

You're the Principal! Now What? Jen Schwanke, 2016-08-11 A principal's job is astonishingly complex and its competing demands can be overwhelming especially in the first few years. In this book Jen Schwanke, a principal herself, provides a mentor's guidance to steer new principals through the period of adjustment and set the foundation for a long and rewarding career. The topics you wish your graduate program had covered are covered here directly, practically, and without the jargon. Drawing on her own experience, Schwanke provides strategies for tackling the most common yet most daunting challenges of the principalship, including: Establishing productive professional relationships; Building and maintaining a positive school culture; Resolving conflict among staff and parents; Providing effective instructional leadership; Supporting students' social/emotional needs; Conducting staff evaluations and delivering feedback; Keeping up with district, state, and federal mandates; Managing the facility and the budget; Providing focused and effective professional development; Prioritizing responsibilities; Learning from student and schoolwide data; Planning for growth and change; Working through behavior and discipline issues; Hiring high quality teachers and supporting new ones; Leading effective meetings; Maintaining balance. The standalone chapters provide easy access to the solutions you need for the situations you face. Along with real life scenarios and critical tips for success, you'll find helpful models of what to do, what to say, and how to say it. This book is a source for ideas any time you encounter a problem and think, "Now what?" It's the beginning of an ongoing conversation about the wonderful and rewarding work of being a principal. So Now You're a Principal Melvin P. Heller, 1975

The Principal Works and Remains of the Rev. Andrew Fuller Andrew Fuller, Andrew Gunton Fuller, 1852 *Selected Letters of Charles Baudelaire* Charles Baudelaire, 1986-02-18 Undeniably one of the modern world's greatest literary figures, Charles Baudelaire (1821-67) left behind a correspondence documenting in intimate detail a life as intense in its extremes as his poetry. This extensive selection of his letters, many translated for the first time into English, depicts a poet divided between despair and elation, thoughts of suicide and intimations of immortality, a man who could write to his mother, "We're obviously destined to love one another to the end of our lives as honestly and gently as possible," and say in the next sentence, "I'm convinced that one of us will kill the other." Who courted and then suffered the controversy provoked by his masterpiece *Les Fleurs du mal*, who struggled throughout his life with syphilis, contracted in his youth, near intolerable financial restrictions imposed by his stepfather, and conflicting feelings of failure and revolt dating from his school days, Baudelaire reveals the incidents and passions that went into his poetry. In letters to editors, idols, and peers—Hugo, Flaubert, Vigny, Wagner, Cladel, among others—he elucidates the methods and concerns of his own art and offers criticism and comments tellingly on the arts and politics of his day. In all, ranging from childhood to days shortly before his death, these letters comprise a complex and moving portrait of the quintessential poet and his time. **Oversight of Investment Banks' Response to the Lessons of Enron**
