[The Art of Being a Brilliant NQT](#) Chris Henley, Gary Toward, Andy Cope, 2015-03-26. This book will take the NQT through a journey which starts with interviews, leads them through the first visit before taking up the job and then into the first hectic weeks and months. Light in touch but rich in content, it can be read around the pool during the holidays, before the start of term, or kept by the bedside or in a desk drawer for an emergency flick through once teaching gets under way. It expands on the stuff that teacher training touches on but importantly provides a refreshing look at the nitty-gritty stuff that most training doesn't. Includes getting a job, dealing with workload, discipline, preparing eye-catching lessons, dealing with parents, pastoral care, being a form tutor, dealing with colleagues, dealing with boys, getting involved in school life, taking trips, marking, assemblies, career development, and much more. A brilliant book for NQTs. Click here to view other titles in our successful *Art of Being Brilliant* series. The *Art of Being Brilliant* series was a finalist in the 2017 Education Resources Awards in the Educational Book Award category.
