Sobering Tales:

Sobering Tales Edmund B. O'Reilly, 1997 This examines the narratives of recovery both oral and literary surrounding the study and treatment of alcoholism It draws upon a range of disciplines from literary criticism and folklore to psychoanalytic theory with an account of the narrative therapy of Alcoholic Anonymous founder Bill W *The Life Story, Domains of Identity, and Personality Development in Emerging Adulthood* Michael W. Pratt Ph.D., M. Kyle Matsuba Ph.D., 2018-05-30 The Life Story Domains of Identity and Personality Development in Emerging Adulthood focuses on individuals' formulations of the unique episodes and events of their lives that give one meaning and a sense of personal identity This book brings the growing research on narrative study and the life story into focus by drawing from the existing research on personality development during emerging adulthood In this book authors Michael W Pratt and M Kyle Matsuba present a series of chapters exploring how one's life story manifests across the many components of their developing identity including their religion morality vocation society and the relationships they have with their parents peers and romantic partners Taking their cue from Erik Erikson's model of adolescent and adult development the authors show readers exactly how a life story approach can illuminate the distinctive features of an individual's personality and development during this formative phase of life Organized around a set of life contexts where personality is manifested i.e. adjustment personal ideology close relationships occupation and civic life this book draws on the authors' own longitudinal research on the development of the life story in emerging adulthood Throughout the book they incorporate fascinating case studies and historical examples e.g. Darwin Pope Francis Martin Luther King Jr Jane Fonda of individuals' unique development during this period of life in order to better illustrate the application of this approach to understanding the whole person in context

Language of the Heart Travis, 2010-07 In *The Language of the Heart* Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA's beginnings in the mid 1930s as a men's fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of *International Perspectives on Reminiscence, Life Review and Life Story Work* Faith Gibson, 2018-11-21 This book collates the latest research developments and evidence base for reminiscence life review and life story work in a single volume Charting the wide applications for narrative therapeutic methods the book emphasises the effectiveness of these approaches with varied people from different cultural backgrounds *Storying the World* Rita Irwin, Erika Hasebe-Ludt, Anita Sinner, 2019-03-06 Bringing together Carl Leggo's most significant contributions over the past 30 years this book celebrates his work in curriculum studies English language arts literacy and life writing poetry and arts education Organized around three thematic sections Loving Language Narrating Ruminations and Storying the World the volume highlights his efforts across interrelated fields of inquiry including narrative and poetic inquiry contemplative inquiry and social fiction The text extends the discussion and conversation of curriculum studies and is greatly enhanced with a

selection of original poetry by this incomparable poet scholar and teacher Carl Leggo is renowned not only for his ground breaking work at the University of British Columbia but also for his tremendous influence on graduate education across the English speaking world This volume honours that immense contribution in today s time of academic change and development

The Actual Jesus Tina Pippin,2025-07-29 This book moves away from the traditional historical and theological studies of Jesus to incorporate a variety of theoretical and material approaches across centuries and diverse global cultures Through fiction and film the connections are made with contemporary issues such as borders asylum seekers farmworker activism colonialism violence misogyny civil war and nuclear proliferation with a focus on the appearances of the actual Jesus in these worlds The Jesus in this study is explored in particular connections with the stories of baptism wilderness experience ascension and apocalypse What is found is often confusing challenging surprising and disturbing like the Jesus of the gospels

How Offenders Transform Their Lives Bonita Veysey,Johnna Christian,Damian J. Martinez,2013-01-11 This book presents a series of studies that investigate individual identity transformation from offender status to pro social non offending roles highlighting the perspectives of the men and women who are current or were formerly incarcerated

How Offenders Transform Their Lives Johnna Christian,Bonita M. Veysey,Damian J. Martinez,2009 At a time when the scale of imprisonment in the United States has reached a historic high researchers estimate that more than 600 000 individuals a year are released from prison to return to their home communities These individuals have serious needs such as finding employment and housing reuniting with family members and obtaining healthcare and treatment for alcohol and substance abuse problems Similar patterns are emerging in the UK Europe and elsewhere in the world where rates of imprisonment continue to rise While research in this area has stressed these aspects of

the transition from prison a less explored area of research considers the role of internal identity shifts from that of an offender to one of citizen and how this creates the conditions for desistance from criminal behaviour both within the confines of a correctional facility and in the reentry process This book presents a series of studies mostly qualitative that investigate individual identity transformation from offender status to pro social non offending roles Moreover the work in this volume highlights the perspectives of the men and women who are current or formerly incarcerated people Each piece provides an empirical analysis of the interaction between current of former prisoners and innovative pro social programs and networks which are grounded in the most current theoretical work about individual transformation and change This book will be of interest to undergraduates postgraduates researchers and lecturers in all fields within the social sciences but especially criminology and criminal justice and sociology and social work welfare as well as practitioners in social work and criminal justice sectors

Narendra Modi's Vision Sophia Curie, AI, 2025-01-17 Narendra Modi's Vision offers a comprehensive analysis of how India's most influential prime minister since Nehru transformed the nation through ambitious reforms and policy innovations The book chronicles Modi's remarkable journey from tea seller to national leader examining his distinctive approach to governance that combines technological advancement with market oriented development Through detailed analysis of governmental data and stakeholder interviews it reveals how Modi's leadership style has fundamentally reshaped India's traditional governance model The narrative unfolds across three major sections exploring Modi's signature initiatives that have defined modern India From economic policies like Make in India and demonetization to foreign policy achievements that elevated India's global standing the book provides evidence based insights into the effectiveness of these reforms Particularly

noteworthy is Modi's emphasis on digital innovation and bureaucratic efficiency which has revolutionized everything from financial inclusion to public service delivery. What sets this book apart is its analytical framework that evaluates policies based on implementation results rather than political ideology. Drawing on World Bank reports and IMF assessments, it offers a balanced examination of both successes and controversies in Modi's governance approach. The book serves as an essential resource for policy analysts, business leaders, and anyone seeking to understand contemporary India's transformation, combining scholarly rigor with accessible insights into one of the world's most dynamic political leaders. *Marked*

Identities R. Piazza, A. Fasulo, 2014-11-17 Western society has become increasingly diverse, but stereotypes still persist in the public discourse. This volume explores how people who have a marked status in society, among them Travellers, teenage mothers, homeless people, manage their identity in response to these stereotypes. *Storytelling in Alcoholics Anonymous* George H. Jensen, 2000 When drinkers attend Alcoholics Anonymous and their spouses attend Al Anon, says Jensen, English Southwest Missouri State University, dramatic changes occur that cannot be accounted for simply by the absence of alcohol. He explains how being a member can contribute to the formation of a new identity through the transformative effect of storytelling within its structure. Annotation copyrighted by Book News Inc. Bureau of Manufactures, 1906 **Monthly Consular and Trade Reports**, 1906 **0. 00: Tales of the Sober Kid at College** Joe Micik, 2012-06-06 Joe Micik's first novel and the first in the Connor Reynolds series. There is a stereotype of college kids, even those heading there for the first time, they like to drink, party, smoke, and break whatever other rules they can, if only for the sake of breaking them. Connor Reynolds does not fit this description. Connor is an 18-year-old young man from a small town in Michigan who heads to Ohio for college, and on the outside, he appears to be a standoffish killjoy with no real desire to be there or make friends. What the people there don't know is why. As it turns out, Connor used to behave like a lot of students he meets at Garfield State University, but he experienced a life-changing event almost a year earlier that completely altered his perception of both his peers and his existence. The trauma ended, but the burden of pain and fear follows him wherever he goes, making for an awkward, miserable experience. Connor avoids interpersonal contact whenever possible and hides his past while one of his secrets, in particular, tears him apart from the inside. In spite of his insistence that he be left alone, he is befriended at school by one person with a big heart who takes a special interest in breaking him out of his shell, but Connor refuses. Yet when his personal life begins to spiral out of control, he is thrust into the depths of his own psyche, and disaster looks ready to strike again. Connor is forced to make many hard decisions to improve his status and open himself up to friendship. Unfortunately, one of those choices has the complete opposite of the intended effect and threatens to ruin his life. A blend of sarcastic humor and drama, this young adult novel is a story of fear, sacrifice, and finding oneself.

Benelong's Haven Richard Chenhall, 2014-02-01 Benelong's Haven was the first residential alcohol and drug treatment

program controlled and operated by an Aboriginal Australian It was established by Val Bryant in 1974 in the Sydney suburb of Marrickville before moving to the small township of Kinchela Creek on the mid north coast of New South Wales three years later The centre is one example of the different approaches Aboriginal people have developed to deal with the problem of drug and alcohol abuse in their communities where people who have experienced problems with alcohol and drug use can leave their existing environment and come to a different place Anthropologist Richard Chenhall first visited Benelong s Haven for two weeks in late 1997 At the invitation of Val Bryant he returned later for an extended period of fieldwork observing and participating in the centre s activities and getting to know staff and residents There have been few studies that reflect Aboriginal social life in larger cities or in institutional settings Benelong s Haven represents an attempt to examine at the ethnographic level the different ways in which individuals are shaped by and interact within the larger structures and social institutions that surround them More specifically it documents an instance of Australian Aboriginal people trying to achieve change in their lives

Why? Bill Crowder,2015-07-29 We normally think of pain and suffering as bad and we do our best to avoid them But since they are inevitable parts of life maybe we should adjust our thinking Instead of grumbling about our problems or blaming someone else let s look to the Bible to see how God uses our trials to draw us closer to Him Why Seeing God in Our Pain shows the root causes of our pain and suffering and allows us to see Him more clearly as a God who really does care
