Soccer Against the Enemy Simon Kuper,2010-04-27

Soccer is much more than just the most popular game in the world It is a matter of life and death for millions around the world an international lingua franca Simon Kuper traveled to twenty two countries to discover the sometimes bizarre effect soccer can have on politics and culture At the same time he tried to discover what makes different countries play a simple game so differently Kuper meets a remarkable variety of fans along the way from the East Berliner persecuted by the Stasi for supporting his local team to the Argentine general

with his own views on tactics He also illuminates the frightening intersection between soccer and politics particularly in the wake of the attacks of 9 11 where soccer is obsessed over by the likes of Osama bin Laden The result is one of the world s most acclaimed books on the game and an astonishing study of soccer and its place in the world **What Is Soccer?** Joe Gaspar,2018-12-15 Soccer the world s most popular sport is a ubiquitous activity for children across North America Anyone with a ball and an area in which to kick it can start learning how to play this exciting game From youth organizations to the top professional leagues and the thrilling spectacle of the World Cup this book teaches readers the ins and outs of soccer Skills rules equipment and more are discussed alongside boxes that ask questions and define technical terms to supplement readers comprehension Youth Soccer Training Slides Deji Badiru,2014-05 Soccer is the beautiful game as widely recognized around the world January 2014 statistics show that over 50 million youth play soccer worldwide Early training of soccer means a lifetime of love of the sport The enjoyment of soccer transcends mere involvement as a player coach fan sponsor dad or mom There are subtle lessons of life to be learned from soccer as a team sport One aspect that is often ignored is the potential to use soccer to teach basic math and science principles which are essential for later career paths in the technical fields It is this void that prompted me to write this book as a way to leverage soccer training to spark the interest of kids and adults in the applications of math and science Youth Soccer Training Slides A Math and Science Approach is a sequel following my first soccer book of 2010 entitled Physics of Soccer Using Math and Science to Improve Your Game That first book was published to coincide with the 2010 FIFA World Cup Tournament Soccer in South Africa This second book is written to coincide with the 2014 FIFA World Cup Soccer Tournament in Brazil Although this book targets youth soccer training it is quite suitable and recommended for adult soccer training as well The technical principles are general enough to apply to all levels of soccer training The presentation slides format of the book makes it amenable for pick and choose applications of specific training topics In his 2014 book the Great Pele of Brazil emphasizes Why Soccer Matters In the opinion of this author soccer indeed matters not only because of its socio economic impacts around the world but also because of the various other benefits it offers Soccer matters because it is a thinking game and the ultimate team sport The theme and premise offered by Youth Soccer Training Slides cover various math and science topics to enhance the understanding and enjoyment of the game **Women's Soccer** Barbara Stewart,2012-03-23 This lively illustrated survey captures the spirit of the sport that has entranced fans across the world A celebration of the players and soccer s rich history the book contains in depth profiles coaches and reps as well as world renowned North American athletes like Mia Hamm and Brandi Chastain U S Christine Sinclair and Kara Lang Canada Birgit Prinz Germany Sun Wen China as well as anecdotes stats and schedules It also covers the teams from more than 130 countries from such perennial powerhouses as the U S and China to emerging headliners from Brazil and Japan Here too are the international competitions the Olympic Games and the Women s World Cup that have served as proving grounds for these athletes and their teams The book includes highlights

from the history of the sport from the first golden age of modern women's soccer in the late 19th century to the spectacular triumphs of professional players in worldwide competitions at the end of the 20th century Absolute Expert: Soccer Eric Zweig, Mark Geiger, 2018 Provides readers with a look at soccer history gear stats and players Game-Changing Soccer Moments Nick Hunter, 2024-08 Game changing moments have happened throughout soccer's history From the star players who score match winning goals to incredible comebacks and fan celebrations readers will experience the excitement of unforgettable moments on the pitch Soccer Super Stats Jeff Savage, 2017-08-01 Soccer is the most popular sport on the planet and this book has all the statistics a soccer fan could want from brilliant goals to World Cup records to legendary team performances Learn how fans around the world use numbers to tell the stories of their favorite teams and how players use statistics to improve *Why American Soccer Isn't There Yet* Shane Stay, 2014-05-15 Why American Soccer Isn't There Yet analyzes the methods of Brazil Spain Holland where the author has lived and played and other similar nations establishing a ground for a new vision in the approach to American soccer The purpose is to establish a new insight into contemporary American soccer and restore faith in ground level observation of what works in a competitive team sport The majority of American soccer players have athletic talent the raw physical ability and often the technical ability however they have been fed the wrong mental information from their elders including parents extended family and coaches In turn the coaches have been fed the wrong information from their respective elders This book lays out what the core problem is how to break it down and fix it for the future of American soccer which has the potential to become a prominent world power **Madlenka Soccer Star** Peter Sís, 2010-11-17 Three time Caldecott Honoree Peter Sís rides the rising tide of soccer enthusiasm to score another winner Madlenka that cosmopolitan little girl whose city block is a world of its own is back and ready to play When she dribbles her brand new soccer ball out the door and around the corner it seems that everyone wants to get in the game the mailbox a dog even a parking meter but especially all the neighborhood cats and there are enough of them to make a team But they're no match for Madlenka who scores the winning goal This title has Common Core connections
