**The Fast Track Detox Diet** Ann Louise Gittleman, Ph.D., CNS, 2010-04-14 What if you could lose three to eight pounds in a single day What if that nearly instant weight loss made you feel lighter freer cleaner and more energized What if that single day began a healing cleansing revitalizing process raising your awareness of the poisons that pollute our environment and purging your body of the toxins that set you up for weight gain fatigue and a host of deadly debilitating diseases What if that one day of weight loss could help jump start a long term weight loss plan Well that single day is here With Ann Louise Gittleman's The Fast Track One Day Detox Diet you can Cleanse your system

back to health Get rid of unhealthy fattening toxins Safely lose up to 8 pounds overnight and keep them off for good The Fast Track One Day Detox Diet is a whole new way to think about weight loss This is the first crash diet that not only works in the long run but is also good for you GET ON THE FAST TRACK IT S SAFE IT FEELS TERRIFIC AND IT WORKS The Garbage Collector Robert Gammal BDS. FACNEM,2022-06-28 The dental profession is self regulating and relies heavily on clinical observation rather than published science Consequently dentists still are taught to leave dead infected gangrenous tissue in the body via root canal therapy The dental profession refuses to acknowledge that dead teeth can cause systemic disease Meanwhile the medical profession remains largely unaware that their colleagues in dentistry are providing them with a substantial income This book aims to give you information with which to make a more informed decision about one of the common treatments that dentistry may offer you The information may also be relevant for anyone dealing with a degenerative systemic disease After reading this book you ll know more about how dead teeth can affect your health than ninety nine percent of dentists worldwide You ll also be more discerning about finding a dentist who is trained enough to help you With cancer rates increasing autism rates rising exponentially and IQs dropping across the board it s time to take a careful look at the practices of modern dentistry **Gut and Physiology Syndrome** Natasha Campbell-Mcbride, MD,2020-12-05 Dr Natasha has done it again Gut and Physiology Syndrome takes an in depth look at the underlying causes of today s health crisis environmental and dietary poisons and then provides a comprehensive plan for detoxification and nourishment to achieve the good health and clear mind that is the birth right of every adult and every child Sally Fallon Morell President of The Weston A Price Foundation Companion volume to the bestselling Gut Psychology Syndrome the book that launched the GAPS diet which has been translated into 22 languages and sold more than 300 000 copies Since the publication of the first GAPS book Gut and Psychology Syndrome in 2004 the GAPS concept has become a global phenomenon People all over the world have been using the GAPS Nutritional Protocol for healing from physical and mental illnesses The first GAPS book focused on learning disabilities and mental illness This new book Gut and Physiology Syndrome focuses on the rest of the human body and completes the GAPS concept Allergies autoimmune illness digestive problems neurological and endocrine problems asthma eczema chronic fatigue syndrome and fibromyalgia psoriasis and chronic cystitis arthritis and many other chronic degenerative illnesses are covered Dr Campbell McBride believes that the link between physical and mental health the food and drink that we take and the condition of our digestive system is absolute The clinical experience of many holistic doctors supports this position **Radical Medicine** Louisa L. Williams,2011-07-12 A radical approach to holistic healing that examines the root causes and cures for ailments such as Alzheimer s disease breast cancer and heart attacks Offers cutting edge detoxification and draining therapies to address the tremendous chemical onslaught of modern life Explains the profound health problems caused by dental amalgams vaccinations antibiotics cosmetics With the historic use of toxic mercury amalgam fillings excessive courses of antibiotics damaging childhood

vaccines and the many industrial pollutants and chemicals that have been spread into our air water and food over the past century general holistic health guidelines are simply no longer adequate for most people Only through radical measures that is getting to the true root or underlying cause of disease can effective healing occur In Radical Medicine naturopathic physician Louisa Williams describes how to treat these and other modern day obstacles to cure in order to ensure against future degenerative disease and achieve the optimal health that is our birthright Examining the many health problems triggered by dental amalgams and poor dentistry Dr Williams explains that our teeth are focal points for health issues that arise elsewhere in the body She explores the impact of vaccinations the excessive use of antibiotics and the chemical laden products used as health and beauty aids which are linked to Alzheimer s disease heart attacks and breast and other cancers and provides information on cutting edge detoxification treatments as well as drainage and nutritional therapies A practical guide for practitioners and patients alike Radical Medicine offers a wealth of holistic natural therapies for overcoming what is poisoning us and our world so we can achieve optimal health and well being

**Stop Alzheimer's Now!** Bruce Fife,2016-04-11 Over 35 million people have dementia today Each year 4 6 million new cases occur world wide one new case every 7 seconds Alzheimer s disease is the most common form of dementia Parkinson s disease another progressive brain disorder affects about 4 million people world wide Millions more suffer with other neurodegenerative disorders The number of people affected by these destructive diseases continues to increase every year Dementia and other forms of neurodegeneration are not a part of the normal ageing process The brain is fully capable of functioning normally for a lifetime regardless of how long a person lives While ageing is a risk factor for neurodegeneration it is not the cause Dementia and other neurodegenerative disorders are disease processes that can be prevented and successfully treated This book outlines a program using ketone therapy and diet that is backed by decades of medical and clinical research and has proven successful in restoring mental function and improving both brain and overall health You will learn how to prevent and even reverse symptoms associated with Alzheimer s disease Parkinson s disease amyotrophic lateral sclerosis ALS multiple sclerosis MS Huntington s disease epilepsy diabetes stroke and various forms of dementia The information in this book is useful not only for those who are suffering from neurodegenerative disease but for anyone who wants to be spared from ever encountering one or more of these devastating afflictions These diseases don t just happen overnight They take years often decades to develop In the case of Alzheimer s disease approximately 70 percent the brain cells responsible for memory are destroyed before symptoms become noticeable You can stop Alzheimer s and other neurodegenerative diseases before they take over your life The best time to start is now

**Oil Pulling Therapy** Bruce Fife,2017-08-14 If you have bad breath bleeding gums cavities or tooth pain you need this book If you suffer from asthma diabetes arthritis migraine headaches or any chronic illness and have not found relief this book could have the solution you need All disease starts in the mouth As incredible as it may seem most of the chronic and infectious illnesses that trouble our society today are influenced by the

healthy of our mouths Our mouths are a reflection of the health inside our bodies If you have poor dental health you are bound to have other health problems Despite regular brushing and flossing over 90 percent of the population has some degree of gum disease or tooth decay Most people aren't even aware they have existing dental problems Recent research has demonstrated a direct link between oral health and chronic illness Simply improving the health of your teeth and gums can cure many chronic problems More brushing flossing and mouthwash isn't the solution What will work is Oil Pulling Therapy Oil pulling is an age old method of oral cleansing originating from Ayurvedic medicine It is one of the most powerful most effective methods of detoxification and healing in natural medicine In this book Dr Fife combines the wisdom of Ayurvedic medicine with modern science The science behind oil pulling is fully documented with references to medical studies and case histories Although incredibly powerful Oil Pulling Therapy is completely safe and simple enough for even a child

**Stop Autism Now!** Bruce Fife, 2017-08-11 Over 1 million people have autism Childhood developmental disabilities of all type is rapidly growing including autism attention deficit hyperactivity disorder ADHD epilepsy mental retardation and others Currently in the United States 4 million children have attention deficit hyperactivity disorder the most common learning disability and an incredible one in six children are classified as learning disabled Why the sudden astronomical rise in developmental disabilities Most doctors have no clue what causes autism nor any idea how to prevent or even treat it The only medically recognized form of treatment is an attempt to teach affected children how to manage the disorder and live with it Antidepressants antipsychotics and stimulants are often prescribed to help cope with symptoms No possibility of a cure is offered as the condition is considered permanent in other words hopeless Autism however is not a hopeless condition It can be prevented and successfully treated without the use of drugs This book describes an innovative new dietary and lifestyle approach that has proven very successful in reversing even some of the most severe developmental disorders allowing once disabled children to enter regular school and lead normal happy productive lives There is a solution You can stop autism now Dr Fife has done an outstanding job on Stop Autism Now This book gives the latest stats on the pervasiveness of autism spectrum disorder and more importantly viable solutions With food lists and recipes galore Dr Fife makes the diet doable and manageable and worth your effort to try it Carolyn Dean MD ND Author of The Magnesium Miracle Bruce Fife has produced another masterpiece Autism is a subject that I have spent a good deal of time analyzing researching and writing about and no one does a better job condensing and explaining what is known about this terrible disorder than does Doctor Fife His advice designed to treat this disorder is based on good science and practical experience This book will help millions of children who have become a victim of a health policy gone mad Parents should all have this book on their bookshelves and refer to it often Russell L Blaylock M D Author of Excitotoxins The Taste That Kills Theoretical Neurosciences Research LLC Visiting Professor of Biology Belhaven University Jackson Ms Clinical Assistant Professor of Neurosurgery University of Mississippi retired
