Sassoon On The Art Of Creative Writing Elias Sassoon, 2011-02-23 The book is a compilation of articles I wrote for my daily blog on Facebook The focal point is the life of the everyday beaten down writer and what it takes to be a writer facing the ordinary adversities of the craft I don t try to sugarcoat anything instead I attempt to let you know what it means to be a functioning writer who struggles for each word and struggles with the lack of financial and commercial success How does the ordinary writer who works at a mundane job by day and writes by night hold it together How do they continue to be productive How do they continue to inspire themselves in a world that doesn t care How do they keep themselves from becoming bored All of this is explored in the articles contained in this small book on the creative writing process I hope it can act as an inside look to all those interested in the subject or working in the field

Hero Bountiful Elias Sassoon, 2001-05-30 Ira Nettleman was your ordinary garden variety schnook who had that certain combination of qualities you can only get by crossing Woody Allen with Danny Kaye and then throwing them into a breeding pool with Lassie the famous Collie dog A schnook definitely that is until

the Central Intelligence Agency comes calling and then well that same schnook turns into a delightful butterfly or in this case everyone's hero a sometimes fumbling sometimes babbling sometimes irritating hero who trashes the villains of international terrorism One after another right and left the bad guys fall before Ira's Jell-O like stature Qaddafi Khomeini Saddam Hussein and hosts of others they can never stand against him
