The Matthean Community and the World James P. Grimshaw, 2008 This study of the Matthean narrative uses the interpretive lens of food exchange to explore the Matthean community's relationship with the wider world While many studies depict this community as withdrawing from or in conflict with the larger society James P Grimshaw's focus on the daily need for food reveals a community that while distinct progressively integrates itself into the larger Jewish and Gentile society and the natural world In addition this view of community corresponds to the view of a God who actively provides for and relates to all creation Grimshaw's alternative portrayal of the Matthean community whose interactions with its surrounding environment are more complex and sustained than often imagined is a compelling interpretation for today's stratified and disconnected world

Jewel-less Crown BS Murthy, 2013-02-15 It's perilous penning this blurb It's fine when man is modest about his work It even affords him the aura of an invisible crown But what about his work Were it an art or craft it is there for all to see

What of a literary work of an unheralded author Well lauding the same might raise one's eyebrows Failing to praise wouldn't make a jewel less crown either Why not see if this is the great Indian novel This is the story of the rise and fall of an ambitious man the decline and the decay of his conniving wife the trials and tribulations of their wayward son as well as the grit and gall of a spirited woman who enters into his life This depiction of their life and times not only pictures the facets of ambition and achievement intrigue and betrayal compulsion and compromise sleaze and scandal trial and sentence but also portrays the possibilities of repentance and resolution love and empathy coupled with compassion and contribution leading to the spirituality of materialism and that makes it the saga of our times The story of a lifetime truly The Two Worlds ,1928
