Disreputable Pleasures Mike Huggins,J. A. Mangan,2004-08-26 Many historians have claimed that respectability was the sharpest line of social division in Victorian society even that the line between the respectable and unrespectable was more significant than between rich and poor This irreverent and revisionist collection argues that they have over polarised Victorian attitudes and challenges the conventional view that middle class Victorian leisure had a respectable and serious purpose and approach *Disreputable Pleasures* explores the more sinful and unrespectable Victorian male sporting pleasures demonstrating the complex interrelationships between such value as manliness muscularity and machismo or sensuality virility and hedonism It sheds light on the ways in which the public rhetoric of Victorian respectability could be rendered problematic by the practical pursuit of private pleasures It shows that Victorian leisure was much more contested cultural space than has been recognised a battleground whose contestants ranged from the rational recreationalist to the avowedly hedonistic and from the sacred to the profane *Disreputable Pleasures* poses a powerful challenge to the accepted public image of Victorian society and will greatly add to our present understanding of Victorian Britain *Early memories some chapters of autobiography* John Butler Yeats,2024-01-01 *Early Memories* by using John Butler Yeats is a poignant and reflective series of autobiographical sketches that provide readers with a glimpse into the life and stories of the writer John Butler Yeats famed as the father of the well known poet W B Yeats shares his recollections observations and reflections on an expansion of subjects on this literary work The narrative delves
