Some Enchanted Egos:

Some Enchanted Egos Donald Zec,1972 Some Enchanted Season Marilyn Pappano,2012-05-02 Sometimes miracles do happen When Maggie left her husband Ross that fateful Christmas Eve their marriage was over But a near fatal accident on an ice slick road changed everything Now another Christmas approaches While Maggie hasn't regained all her memory she's ready to test her strength at home with Ross as her only companion Sharing a house with him once more putting on the best face for their neighbors Maggie knows she's living a lie Then she glimpses Ross as he used to be playful and passionate the man of her dreams before ambition changed him She couldn't know he's feeling the same regrets the same heartache or that he fears the return of her memory What will happen when she remembers the reason she fled from him last year It will take a miracle to send the walls of anger and secrecy tumbling down and reunite the divided couple But in the small town of Bethlehem miracles do happen **Ego and Soul** John Carroll,2010-03-02 The crisis of meaning is the issue of our time The old beliefs that guided the West have faded without credible replacement Who lives well What characterizes the good life More particularly what may we in the modern West claim about ourselves And ultimately does how we live and what we do make any sense Concerned for today's society and its problems as they relate to meaning faith belief morale moral attachment and social direction John Carroll surveys these questions in *Ego and Soul* He examines how people in their ordinary and everyday lives grope unconsciously for direction casting lines into the transcendent in the hope of a catch He focuses on the main areas of modern life work sport popular culture family friendship intimacy shopping tourism computers cars do it yourself renovation our democratic temper and the retreat into nature He also examines high culture the upper middle class elites and the universities tracing why they have lost their way and failed to provide a language that might help modern people understand their condition *Ego and Soul* offers a surprising and compelling new look at the way we live today and the way we try to make sense of our lives **The Defiant One** Aubrey Malone,2013-10-04 This new biography contains excerpts from interviews and articles by and about Curtis all the way from his teens in the Bronx to his death at 85 in 2010 Many of these are little known and provide insights into his complex relationship with fame family and females the three obsessions of his life The book also documents his many struggles with substance abuse his disenchantment with Hollywood when it failed to take him seriously the violent deaths of his two brothers the failure of four of his marriages a heart attack the death of a son from a drug overdose and most importantly the manner in which his resilient spirit saw him through these challenges and tragedies It's a revisionist biography which adds significantly to the received wisdom on his life and times not only through personal interviews but also revelations from two recent books not yet available in English one written by his daughter Allegra and the other by his ex wife Christine Kaufmann America's Mistress John L. Williams,2013-08-29 Eartha Kitt was a skinny mixed race woman with an odd angular face who seduced fifties white America into thinking that she was in the words of Orson Welles the most exciting woman in the world She could count Marilyn Monroe T S Eliot Prince Philip and

Albert Einstein among her friends and admirers and was almost able to forget she had once been a poor black girl from the Deep South But her new persona was also a prison from which she found it impossible to escape John L Williams moving and unsettling biography shows a star adrift in a bewildering new America torn apart by the Civil Rights movement Shunned by many of her former friends shocked by her country s insidious racism and with a perilously fragile sense of her own identity Eartha Kitt would pay the price that came from trying to be America s mistress

and tumble early days when one studio paid Pancho Villa 25 000 to launch his attacks only in daylight after a film crew had set up to the studio era when Joan Crawford refused to cross the street on the MGM lot except in a chauffeured limousine to the shenanigans of today's global industry Here are stories about all the legends Charlie Chaplin Greta Garbo John Barrymore Mae West Lucille Ball Marilyn Monroe Errol Flynn Humphrey Bogart Bette Davis Judy Garland Sophia Loren John Wayne and of course Ronald Reagan There are the great directors from D W Griffith Hitchcock and Eisenstein to Kurosawa Bergman Visconti Huston Ford and Woody Allen And Hay has selected tales of the writers the wits and the grand moguls including perhaps the largest collection of Goldwynisms both genuine and apocryphal Along with the laughter this volume recreates the conflicts that have torn the movie world from battles over money and contracts to discrimination divorces and scandals Colorful incredible bitter funny the stories about moviemaking are as fantastic as the pictures themselves Now they have been gathered together in an irresistible bouquet that is certain to delight every movie buff and provide fascinating insights for serious students of film [Book Review Index](#) ,1965 Every 3rd issue is a quarterly cumulation **Lee Marvin** Dwayne Epstein,2013-01-01 The first full length authoritative and detailed story of the iconic actor's life to go beyond the Hollywood scandal sheet reporting of earlier books this account offers an appreciation for the man and his acting career and the classic films he starred in painting a portrait of an individual who took great risks in his acting and career Although Lee Marvin is best known for his icy tough guy roles such as his chilling titular villain in The Man Who Shot Liberty Valance or the paternal yet brutally realistic platoon leader in The Big Red One very little is known of his personal life his family background his experiences in WWII his relationship with his father family friends wives and his ongoing battles with alcoholism rage and depression occasioned by his postwar PTSD Now after years of research interviews with family members friends and colleagues and complete with rare photographs and illustrative material Hollywood writer Dwayne Epstein provides a full understanding and appreciation of this acting titan's place in the Hollywood pantheon in spite of his very real and human struggles **The Beloved Ego (Psychology Revivals)** Wilhelm Stekel,2014-06-17 Wilhelm Stekel was an Austrian physician and psychologist and one of Freud's earliest followers A prolific writer this book originally published in 1921 was considered by the translator the best general introduction of its author to the English public containing as it does many of his central ideas Although the author had already fallen out with him by this time in the preface to this book he acknowledges Freud's significance to the field and says he regards his Psycho Analysis as being a step towards a new psychotherapy *Motion Pictures* University of California, Los Angeles.
