**Hug Someone You Love Today** Michael A. Pickles, 2012-02 During my fourth year of teaching, I had the great privilege of working with an amazing educator by the name of Miss Bezanson. She taught a grade four class to whom I taught Physical Education. Therefore, I had the opportunity to socialize with her on a daily basis. About six months into the school year, Miss Bezanson gave me something that would forever change my teaching techniques and my life. Although I did not realize it at that moment, one afternoon I was in Miss Bezanson's class discussing a student who was displaying increasing behavioural problems in my Physical Education class. Sensing that I was experiencing tremendous stress as a result of this student, she gave me something that touched my heart and reinforced an important life lesson. She handed me a small paper card entitled *Hug Someone You Love Today*. That was it. No preachy sermon or fancy teaching strategies. At that moment, I realized that maybe all that child needed was a simple hug, a sign of affection which he may or may not have been receiving at home. So the next day, I gave him a *Hug Someone You Love Today* card. From that day forward, I never had another major problem with that student. It was absolutely amazing. In this book, I will share with you some of the heart-felt true stories that I have accumulated over the years as a result of passing out these *Hug Someone You Love Today* cards along to those in need. These are stories about normal folks like you and I whose lives have been positively changed as a result of receiving this simple card. As you read these stories, hopefully you will begin to feel more peaceful and loving yourself.
