Some Heroes Of The American Revolution In The South Carolina Upper Country

James Davis Bailey

Some Heroes Of The American Revolution In The South Carolina Upper Country:

Some Heroes of the American Revolution J. D. Bailey, 2011-10 **Some Heroes of the American Revolution** James Davis Bailey, 1924 **Greenville** Archie Vernon Huff, Jr., 2020-05-26 The history of South Carolina's thriving upstate Since the Cherokee Nation hunted the verdant hills in what is now known as Greenville County South Carolina the search for economic prosperity has defined the history of this thriving Upstate region and its expanding urban center In a sweeping chronicle of the city and county A V Huff traces Greenville's business tradition as well as its political religious and cultural evolution Huff describes the area's Revolutionary War skirmishes early settlement and mix of diversified agriculture small manufacturing operations and summer resorts Calling Greenville atypical of much of the antebellum South the author tells of the strong Unionist sentiment relative unimportance of slavery and lack of staple agriculture in the region He recounts Greenville's years of Reconstruction textile leadership depression and postwar industrial diversification In addition to tracing Greenville's economic growth Huff identifies the region's other hallmarks including the fierce independence of its residents He assesses Greenville's peaceful end to segregation strong evangelical Protestant tradition conservative arts programs and influential role in South Carolina politics **Eutaw Springs** Robert M. Dunkerly, Irene B. Boland, 2017-05-15 An in depth analysis of one of the War for Independence's bloodiest and least understood conflicts The Battle of Eutaw Springs took place on September 8 1781 and was among the last in the War of Independence It was brutal in its combat and reprisals with Continental and Whig militia fighting British regulars and Loyalist regiments Although its outcome was seemingly inconclusive the battle fought near present day Eutawville South Carolina contained all the elements that defined the war in the South In Eutaw Springs The Final Battle of the American Revolution's Southern Campaign Robert M Dunkerly and Irene B Boland tell the story of this lesser known and under studied battle of the Revolutionary War's Southern Campaign Shrouded in myth and misconception the battle has also been overshadowed by the surrender of Yorktown Eutaw Springs represented lost opportunities for both armies The American forces were desperate for a victory in 1781 and Gen Nathanael Greene finally had the ground of his own choosing British forces under Col Alexander Stewart were equally determined to keep a solid grip on the territory they still held in the South Carolina lowcountry In one of the bloodiest battles of the war both armies sustained heavy casualties with each side losing nearly twenty percent of its soldiers Neither side won the hard fought battle and controversies plagued both sides in the aftermath Dunkerly and Boland analyze the engagement and its significance within the context of the war's closing months study the area's geology and setting and recount the action using primary sources aided by recent archaeology A well put together book that is easy to read and it makes good use of graphic material Eutaw Springs is recommended The Journal of America's Military Past A long overdue study of Nathanael Greene's last main force Southern campaign engagement Drawing from a wealth of resources including new research archaeology and pension documents the authors have created an easy reading account For students of the Revolutionary War this is must

reading because so much focus has been directed at Yorktown where the British abandoned an army instead of the more mobile war in the South where the war was finally won by wearing down the British. Lawrence Babits George Washington Distinguished Professor of History East Carolina University A very good analysis of the political military and physical environment with some profiles of a number of interesting people most notably Nathanael Greene after Washington the most important American general of the war though he never won a battle New York Military Affairs Symposium Review

Reminiscences of Public Men, with Speeches and Addresses. 2d Series Benjamin Franklin Perry, 1889 *How the Irish Won the American Revolution* Phillip Thomas Tucker, 2015-10-06 When the Continental Congress decided to declare independence from the British empire in 1776 ten percent of the population of their fledgling country were from Ireland By 1790 close to 500 000 Irish citizens had immigrated to America They were very active in the American Revolution both on the battlefields and off and yet their stories are not well known The important contributions of the Irish on military political and economic levels have been long overlooked and ignored by generations of historians However new evidence has revealed that Washington's Continental Army consisted of a far larger percentage of Irish soldiers than previously thought between 40 and 50 percent who fought during some of the most important battles of the American Revolution Romanticized versions of this historical period tend to focus on the upper class figures that had the biggest roles in America's struggle for liberty But these adaptations neglect the impact of European and Irish ideals as well as citizens on the formation of the revolution Irish contributors such as John Barry the colonies foremost naval officer Henry Knox an artillery officer and future Secretary of War Richard Montgomery America's first war hero and martyr and Charles Thomson a radical organizer and Secretary to the Continental Congress were all instrumental in carrying out the vision for a free country Without their timely and disproportionate assistance America almost certainly would have lost the desperate fight for its existence Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Daughters of the American Revolution Magazine** ,1895 **Carnegie Library Bulletin** ,1902 **Biographical Sketches of Eminent American Statesmen, with Speeches, Addresses and Letters** Benjamin Franklin Perry, 1889 *Rethinking Our Classrooms, Volume 2* ,2001 **Family History of Col. John Sawyers and Simon Harris, and Their Descendants** ,1913 A History of the American Revolution, and Biographical Sketches of the Military Heroes of the War of Independence Charles Jacobs Peterson, 1852 *Hearings, Reports and Prints of the Senate Committee on Interior and Insular Affairs* United States. Congress. Senate. Committee on Interior and Insular Affairs, The Swamp Fox John Oller, 2016-10-25 This

comprehensive biography of Francis Marion the Swamp Fox covers his famous wartime stories as well as a private side of him that has rarely been explored In the darkest days of the American Revolution Francis Marion and his band of militia freedom fighters kept hope alive for the patriot cause during the critical British southern campaign Employing insurgent guerrilla tactics that became commonplace in later centuries Marion and his brigade inflicted enemy losses that were individually small but cumulatively a large drain on British resources and morale Although many will remember the stirring adventures of the Swamp Fox from the Walt Disney television series of the late 1950s and the fictionalized Marion character played by Mel Gibson in the 2000 film *The Patriot* the real Francis Marion bore little resemblance to either of those caricatures But his exploits were no less heroic as he succeeded against all odds in repeatedly foiling the highly trained better equipped forces arrayed against him In this action packed biography we meet many colorful characters from the Revolution Banastre Tarleton the British cavalry officer who relentlessly pursued Marion over twenty six miles of swamp only to call off the chase and declare per legend that the Devil himself could not catch this damned old fox giving Marion his famous nickname Thomas Sumter the bold but rash patriot militia leader whom Marion detested Lord Cornwallis the imperious British commander who ordered the hanging of rebels and the destruction of their plantations Light Horse Harry Lee the urbane young Continental cavalryman who helped Marion topple critical British outposts in South Carolina but most of all Francis Marion himself the Washington of the South a man of ruthless determination yet humane character motivated by what his peers called the purest patriotism In *The Swamp Fox* the first major biography of Marion in more than forty years John Oller compiles striking evidence and brings together much recent learning to provide a fresh look both at Marion the man and how he helped save the American Revolution

Reminiscences of Public Men Benjamin Franklin Perry, 1889

Rainey Times ,2001-11 **Congressional Record** United States. Congress, 1970 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789-1824* the Register of Debates in Congress 1824-1837 and the Congressional Globe 1833-1873

Wilderness Areas and Historic Sites United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Parks and Recreation, 1976 *The Spirit of '76* , 1894 *The American Revolution 1775-1783* Richard L. Blanco, 2020-12-06 This definitive encyclopedia originally published in 1983 and now available as an ebook for the first time covers the American Revolution comes in two volumes and contains 865 entries on the war for American independence Included are essays ranging from 250 to 25 000 words on major and minor battles and biographies of military men partisan leaders loyalist figures and war heroes as well as strong coverage of political and diplomatic themes The contributors present their summaries within the context of late 20th Century historiography about the American Revolution Every entry has been written by a subject specialist and is accompanied by a bibliography to aid further

research Extensively illustrated with maps the volumes also contain a chronology of events glossary and substantial index
