Allen, Joseph R. Jeter, Every time a congregation gathers for worship many different people from different points in life with different needs and perspectives come together each refracting messages through their own lenses Each person processes communication in ways that are influenced by age gender race personality type ethnicity education and social and economic background Jeter and Allen explore how these factors affect the ways in which members of the congregation receive and process sermons and how the preacher can optimize the opportunity for each to hear and understand the gospel and one another **Conciones Basilicæ on the Second Advent. Sermons delivered during ... Advent 1843, before the University of Cambridge** Rev. Thomas MYERS, 1844 *Advent Review and Sabbath Herald* , 1854 **The Official Year-book of the National Assembly of the Church of England ...** Church of England. ones who got heaven and Earth Sermons to the People collects the homilies on the liturgical seasons of the Church Saint Augustine delivered over the course of his lifetime This Image edition includes the first sermons in that vast collection from Advent Christmas New Year s and the Epiphany Newly translated by William Griffin they address timeless concerns including the problems of materialism and the intellectual difficulties of faith Griffin renders the sermons with such immediacy it is as though he had been present when Augustine spoke to his flock **A Memoir of the Late Rev.
