## **Some Dreams Come True A Journey Through Infertility:**

**Some Dreams Come True** Robin Lee, 2004-12 Today 6 1 million women in the United States suffer from infertility according to Resolve the national infertility association What do you do when all you want is to have a baby How much time and money are you willing to invest with no guarantee of success What do you do if you are single and Mr Right is nowhere in sight How do you handle everyday life when pregnant women and babies are everywhere This personal account details the trials and tribulations associated with infertility and the blessing when all efforts pay off The author hopes that the personal words written within this book will comfort others who suffer from infertility letting them know that they are not alone

From Surviving to Thriving: A Mother's Journey Through Infertility, Loss and Miracles Fabiana Bacchini, 2018-10-09 After living through an emotionally turbulent journey of infertility and the birth of one son Fabiana was thrilled to discover that she was pregnant again this time with twins She did not expect to encounter a tumultuous road until she was told that one of her twins had no chance of survival Then only weeks later she gave birth prematurely Her surviving twin spent months in a neonatal intensive care unit and later became a child with special needs From Surviving to Thriving is about finding the joy making the choice to see hope where others only see despair pain loss and sorrow The book teaches the reader valuable life lessons including how to face any adverse event and find something to be thankful for One can only feel inspired and connected with Fabiana as she recounts how she took her family on a journey from surviving to thriving

**In Vitro: My Journey Through the World of IVF** Anastasia Sputnik, 2013-12 This book is a personal testimony from a patient who underwent 15 In Vitro fertilization IVF treatments over a 7 year period It is a story about male infertility combined with the female's fertility declined with the age which lead the partners to proceed with In Vitro Fertilization IVF as the only option In today's western world one in every six couples face fertility problems and this story could become a reality for millions of couples in the world This book is raising awareness about female fertility and reproductivity potential for women after their mid thirties It also reveals some of the hidden truths and misconceptions about IVF and demystifies information provided by the press and media A similar book with details of the latest IVF trends facts and experiences from the patient's perspective has never been published The first part of the book is a chronicle of the author's experiences as an IVF patient where she shares medical information facts experience and lessons learned during IVF treatments In the second part of the book the author is offering valuable advice recommendations and tools including tips on how to save money for IVF This is also a patient's story about the emotional impact of IVF The book is unique in presenting a serious family and marriage crisis throughout battles with infertility and how the journey through the IVF drastically affected the couple's relationship It is also a story of a personal life crisis that the female patient was going through The author describes her own turmoil when she decided to end IVF IVF closure after many years of living in the IVF bubble when she faced not only the cruel fact that she will never be able to have more children but also experienced a career failure financial difficulties and her husband being

ready to leave her due to the inability to have a big family together This book is also a relevant resource for medical practitioners to better understand patients physical and emotional needs and improve the service in IVF clinics Quote from the book My greatest hope is that reading this book leads to positive outcomes for as many women and couples as possible

**Journey to Destiny, Traveling Through Infertility** Danielle Q. Kinsey,2011-12 Come exist inside of this emotional journey of a young black woman braving the road of infertility Feel every devastation and triumph that details this journey and even her traumatic past that surfaces because of the pressures of it You don t want to miss this compelling and inspiring story which aims to speak to all women Women that are running towards their destiny in spite of their baggage pain and truth *Dear Zoe Ukhona: a Journey through Infertility and Adoption* Pelle Hvenegaard,Zindzi Mandela,2023-05-11 In English for the first time with a foreword written by Zindzi Mandela daughter of Nelson Mandela this is a heartbreaking memoir of infertility adoption and fatherhood from one of Denmark s most beloved tv personalities One summer evening on a blind date that is almost cancelled Pelle Hvenegaard meets Caroline He knows right away that this woman is the love of his life and the mother of his children Their path to a family is not smooth But after six years of infertility and the trials of the adoption system they finally open the doors of their Copenhagen home to little Zoe Ukhona Pelle s account told through letters to his daughter is brutally honest heart wrenchingly tragic and yet filled with warmth and good humour It is a story of love family and hope Highly recommended to those moved by Sarah Sentilles Stranger Care and Finding Chika by Mitch Albom Pelle Hvenegaard first became world famous at twelve years old when he played the lead role in Bille August s Oscar winning film Pelle the Conqueror A career in television and broadcast journalism followed He has written four books on themes of adoption love and identity *Family Bound* Carrie Ostrea,2003 Statistics show that over two million couples will experience some type of infertility issue when they try to become pregnant However when you are one of those two million you feel completely alone and believe that no one can truly understand what you are going through This honest and revealing book documents one couple s long and arduous journey to become parents from the eyes of the author The longer this process took the more emotional and difficult things became and the more the author relied on this journal to sort out all the emotions she was having She never expected that this journal would last for years hundreds of hormone shots and pills blood draws surgical procedures terrorist attacks international flights and the most emotional and financial roller coaster that she had ever been on But she and her husband were desperate to become parents to have their own child to love to hug to experience life with By sharing their experience this book offers insight into the emotional physical and sociological effects infertility has on a couple s relationship their families friends and themselves as individuals It also provides in depth detail of popular infertility treatments domestic and international adoption processes **When Dreams Come True** Rosanna Davison,2021-10-08 Soon after Rosanna Davison spoke publicly for the first time about the fourteen miscarriages she suffered before choosing to have a baby via gestational surrogate she discovered she was pregnant with identical twin boys

conceived naturally In this heartfelt and honest memoir Rosanna reveals her difficult journey to motherhood and examines the stigma and silence that surrounds infertility From the anguish of her multiple pregnancy losses to the decision to explore surrogacy as well as the practical and emotional challenges involved in pursuing this route to parenthood she reveals what it was like to find out she was expecting miracle twins soon after her daughter was born and how she and her husband adjusted to becoming parents to three children within just months of each other Shining a light on miscarriage and motherhood When Dreams Come True is a raw sincere and ultimately uplifting account of Rosanna s journey to motherhood **Fighting**

**Infertility** Samantha Busch,2021-03-30 Samantha Busch uses her voice to break the silence that surrounds the infertility community in this raw and relatable account of her journey with IVF loss and faith Samantha Busch wife of NASCAR champion Kyle Busch knows the thrill of the racing circuit but she also knows the heartache and despair of infertility She shares both in this honest and relatable account where faith family love and loss intersect As Samantha s and Kyle s public lives grew more pronounced their private life was being torn apart The frustrations and uncertainty of their fertility problems took a toll on them as individuals and as a couple creating a cyclone of emotions that threatened everything they had worked so hard for Through these trials they learned how to build a stronger relationship foster a deeper faith and find humor through the tears They also discovered a passion for helping other couples gain access to fertility treatments In this memoir Samantha uses her voice to break the silence and stigma that surround the infertility community She details her battle with infertility including her IVF experience her miscarriage a failed cycle and the overwhelming grief and depression that surrounded these obstacles By sharing practical advice as well as candid and inspiring stories of her journey she provides support validation community and education for others experiencing similar tribulations **Fighting Infertility is an opportunity to feel understood to gain strength through the struggle and to ignite your inner warrior** **Surrogacy - Dreams Come**

**True** Dr. Sandeep Mane,2017-04-28 Infertility is a growing problem and will reach mammoth proportions by 2021 Prevention would be better than cure but this will take time Until we are able to control the problem we need ways to help the couples who suffer from this menace In India infertility is like a curse Due to this couples fight a personal family and social war at every moment of their life Numerous advances in science and technology have enabled us to help these couples to fulfill their dreams of having a baby In some cases nature poses bigger challenges and as a last resort advanced forms of treatment such as IVF and rarely surrogacy becomes necessary Surrogacy enables a genetic link between the desiring parents and their child making the bonding between them stronger leading to a happy family and a happy society All fertility treatment options including surrogacy are very important to help these couples Surrogacy needs regulation to control the medical social ethical moral legal commercial constitutional parental emotional and international issues relating to the treatment Diapers on the Clothes Line Hannah Stefanov,2007-12-03 Diapers on the Clothes Line My Journey Through Infertility take a unique look into the joys and challenges that occur through the journey of infertility Written from a Christian point of view Hannah

unashamedly takes aim and smashes current views of how to deal with infertility Laying claim that no woman by God's design has to go through depression to heal and get through infertility Hannah asserts her solid faith in a gentle but honest way Although Hannah and Kaloyan do not have children but rather they are currently pursuing adoption The goal in their lives was not how they had their children yet how they pursued God through the process of obtaining parenthood God has been so faithful to continue to encourage and lift up their family      *Ordinary Miracles* Krissi Marie McVicker,2012-03-29

When approximately 340 babies are born every minute worldwide or nearly 490 000 births per day 1 conception seems to be quite an ordinary occurrence Well for the fertile world anyway But for Krissi and her husband Rob having a baby was almost impossible No one dared to say they were infertile not even their doctors And suddenly the deep ultimate fear of never being completely fulfilled kept them awake night after night But giving up was not an option Krissi and Rob were soon immersed into in vitro fertilization their only chance for success It was a world of hormone injections countless blood tests anxiety and exhaustion all mixed with hope IVF represented both an amazing wonderful medical advancement and a demanding frightening regimen with no guarantees and often heartache Whether or not you've struggled with infertility Krissi's journey will touch your heart with its honesty and devotion From the bittersweet news that her twin sister conceived in her first month of trying and her own mother's death to the joy of hearing her daughter's heartbeat for the first time and the sweetness of a 2 00 a.m. feeding after her twins were born this is a story of acceptance perseverance and love 1 WikiAnswers [http://wiki.answers.com/Q/How\\_many\\_babies\\_are\\_born\\_every\\_day\\_in\\_the\\_world](http://wiki.answers.com/Q/How_many_babies_are_born_every_day_in_the_world)      *Stronger Than Infertility* Heather Huhman,2023-08-08
