Some of My Best Friends are Trees Joanne Marxhausen,1990-01-01 Compares the positive characteristics of good friends and trees with a Christian emphasis **Some of My Best Friends Are Human** Liz J. Andersen,2019-02-25 In an underground orphan center on an overpopulated planet Tajen Jesmuhr dreams of freedom in a distant wilderness under an open sky So when offered an interplanetary ecology class with offworld field trips Taje leaps at the chance But Taje isn't the only misfit here where everyone has a tragic past and hidden wounds and she soon clashes with her teacher and her classmates including A boy with a frightening secret who lost his family to a terrorist plague A crafty female human alien chimera whose parents disappeared in a paraspace accident And a boy with a hidden past and a dead father he still hates All may have promising careers ahead of them but only if they can learn to trust themselves and one another enough to survive an uncaring system and a deadly final exam Andre Norton believed in this story and anyone young and old who loves science fiction with interesting characters alien animals and interplanetary adventures without war will enjoy it too Some of My Best Friends are Trees John Stevens Wade,1977 **Some of My Best Friends are Books** Judith Wynn Halsted,2009 Recommends books for gifted readers that provide insights and coping skills for issues they may face from preschool through high school featuring more than three hundred titles with brief summaries organized by reading levels and includes an index arranged by theme **Proceedings of the National Urban Forestry Conference, November 13-16, 1978, Washington, D.C. ,1979** **Some of My Best Friends are Naked** Tim Keefe,1993 As the red hot wars of the 1980s and 1990s raged in concert with the rise of the sexually repressive American Right these seven insightful bold uncensored rebel women spoke the naked truth with healing honesty about their erotic performances the arc of their lives and their reflections on society The intimacy honesty and meaning of their healing words speak even more clearly and urgently today when those same forces are fiercely committed to controlling women's bodies and all of our lives *Booger Town and the Sycamore Tree* Princess Pretty Eyes,2017-11-16 This is a story about incest child molestation rape suicide bullying physical abuse murder and multiple pedophiles and ghosts Pedophiles rapists and murderers have been around since the beginning of time The Friend ,1848 Report of Proceedings of the ... Annual Convention of the National Pecan Growers Association National Pecan Growers Association,1921 What Have You Got to Lose? Eric Thompson,2013-04-17 When you are tired of losing it is time to stop being entertained and start being educated The answer to the question posed by the title of this book comes in three parts The first is that when all else fails you have nothing to lose except the failure The second is that when all else fails you have tried nothing but failing methods and those methods must be left behind if you wish to achieve happiness The last is that most people don't have a clue as to what it is that they have to lose They would be well advised to learn exactly what the consequences of that loss would be before they act and find out the hard way Failure is far greater than not achieving a goal Collected Poems C.
