Ernest Lehman Jon Krampner,2022-09-27 A Hollywood screenwriting and movie making icon Ernest Lehman penned some of the most memorable scenes to ever grace the silver screen Hailed by Vanity Fair as perhaps the greatest screenwriter in history Lehman s work on films such as North by Northwest The King and I Sabrina West Side Story and The Sound of Music helped define a generation of movie making But while his talent took center stage the public knew little of Lehman himself a native of Manhattan s Upper West Side and the Five Towns of Long Island devoted to his wife of 50 years His relentless perfectionism hypochondria and all night writing sessions fueled by tequila and grilled cheese sandwiches were some of the quirks that made Lehman a legend in the Hollywood community In Ernest Lehman The Sweet Smell of Success author Jon Krampner lays bare the life of this lauded yet elusive character Moving seamlessly from post production meetings to sound stages and onto the locations of Lehman s greatest films Krampner s extensive biography brings to life the genius and singularity of the revered screenwriter s personality and the contributions he made to the world of cinema Find out more at ernestlehmanbio.com

Copyright Office,1957 *The Films of Robert Wise* Richard C. Keenan,2007-08-22 From his early days as a film editor at RKO studios where he helped Orson Welles shape Citizen Kane to his success as a director and producer of musical blockbusters of the 1960s Robert Wise had a long and illustrious film career Unlike contemporaries such as Alfred Hitchcock John Ford or Howard Hawks however Wise s films lack any clearly discernible characteristics to signify his work There are few striking camera angles or visual flourishes that might distract from the primary obligation to present the story And like Hawks Wise never specialized in one or two genres but brought his directing skills to all manner of films His work as a director resists auteur categorization and that is a chief reason why some critics have been unduly negative in their consideration of his work In *The Films of Robert Wise* Richard Keenan examines the nearly forty features that represent the director s career from *Curse of the Cat People* in 1944 to *A Storm in Summer* 2001 the only television production Wise ever directed Keenan offers a reappraisal of Wise s films so that the true quality of his work can be better appreciated Keenan argues that if there was a flaw in Robert Wise as a director it was that he lacked the ego and temperament of the artist which was not necessarily a flaw at all Indeed Wise was a conscientious craftsman who saw his work not primarily as a vehicle for his own ideas and visual style but as an opportunity to present narrative that quite simply engages informs and entertains It was this perspective that helped produce a number of memorable films over the years including the gritty noir *Born to Kill* the one two punch of *The Set Up* and *Somebody Up There Likes Me* the sci fi prophecy *The Day the Earth Stood Still* and the gripping indictment of capital punishment *I Want to Live* classics all Wise also won a pair of Oscars for two of the most memorable not to mention successful musicals of all time *West Side Story* and *The Sound of Music* Drawing on more than 30 hours of interviews with Wise as well as additional interviews with a number of his collaborators Keenan offers a welcome reassessment of the director s work In his analysis of each film Keenan reveals both Wise the craftsman and the artist In doing so *The Films of Robert Wise* finally confers upon this underappreciated director the recognition he deserves Marlon Brando Burt Kearns,2024-04-02 Over the last eighty years Marlon Brando has become such an object of fascination buried under so many accreted layers of mythos and half truth that it is all but impossible to see the man behind the icon As we approach the centennial of this undisputed American legend Marlon Brando Hollywood Rebel isa revelatory biography that tells its story the same way the man himself approached a role from the inside Author journalist and pop culture authority Burt Kearns digs deep into the unexplored aspects of Brando s career interests and singular personality revealing how his roles on stage and screen combined with his wild and restless personal life helped

to transform popular culture and society writ large His influence was both broad and deep Brando's intense approach to acting technique was emulated by his contemporaries as well as generations of actors who followed from Nicholson and DeNiro to DiCaprio and Gosling But his legacy extends far beyond acting His image in *The Wild One* helped to catalyze a youth revolution setting the stage for rock n roll culture in a way that directly inspired Elvis Presley the Beatles Andy Warhol and punk rock culture Brando was also frank about his affairs with both sexes a leader of the sexual revolution and a hero of gay culture he defied stereotypes and redefined sexual boundaries in his life and the roles he played But of all his passions activism was even more important to Brando than acting he was an early supporter of Israel civil rights the American Indian movement Black Power gay rights and environmentalism Startlingly intimate and powerfully told *Marlon Brando Hollywood Rebel* shows how the greatest actor of the twentieth century helped lead the world into the twenty first [The Encyclopedia of Hollywood Film Actors](#) Barry Monush,2003-04-01 For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that's as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *Reba* Reba McEntire,Tom Carter,2015-04-15 With the same straightforward honesty that made her one of country's top selling female recording artists Reba McEntire tells her phenomenal story From her childhood in Oklahoma working cattle with her ranching family to her days on the rodeo competition circuit from her early days as a performer in honky tonks to her many awards and a sold out appearance at Carnegie Hall Reba relates her experiences with heartfelt emotion and down to earth humor With the same warmth and generous spirit that infuses her music she introduces us to the most important people in her life the family and friends who sustain her and the musicians and producers who have inspired her and helped her realize her artistic vision With great poignancy she also recounts the lowest points of her life the breakup of her first marriage and the plane crash that took the lives of eight of her band members and the highest her remarriage and the birth of her son Shelby Her story is not only a chronicle of a remarkable life but a vivid testament of unshakable determination and faith in God *Reba My Story* is an intimate portrait of one of America's most beloved and successful entertainers NOTE This edition does not include a photo insert **Robert Wise** Wes D. Gehring,2012 Born in Winchester Indiana Robert Wise spent much of his youth sitting in darkened movie theaters enthralled by the swashbuckling

heroics of screen legend Douglas Fairbanks Sr Through these viewings Wise developed a passion for film a passion he followed for the rest of his life making movies in Hollywood Nationally known film historian Wes D Gehring explores Wise s life from his days in the Hoosier State to the beginning of his movie career at RKO studios working as the editor of Orson Welles s classic movie Citizen Kane Wise is best known for producing and directing two of the most memorable movie musicals in cinema history West Side Story co director Jerome Robbins and The Sound of Music for which he won four Academy Awards two Best Picture and Best Directors Oscars But as Gehring notes other than Howard Hawks Wise was arguably Hollywood s most versatile director of various celebrated genre films
