Kremer,2021-11-30 Conceived of as a way to commemorate Missouri s bicentennial of statehood this unique work presents the perspective of Gary Kremer one of the Show Me State s foremost historians as he ponders why history played out as it did over the course of the two centuries since Missouri s admittance to the Union In the writing of what is much more than a survey history Kremer himself a fifth generation Missourian infuses the narrative with his vast knowledge and personal experiences even as he considers what being a Missourian has meant across the many years and to this day to all of the state s people and how the forces of history time place race gender religion and class shaped people and determined their opportunities and choices in turn creating collective experiences that draw upon the past in an attempt to make sense of the present and plan for the future Key elements of the book include the centrality of race to the Missouri experience from the time Missourians began to seek statehood in 1817 all the way up to the Black Lives Matter movement of the 21st century as well as ongoing tensions created by the urban rural divide and struggle to define the proper role of government in society
