Mooney,2011-04-05 Initially I had intended to write this book in the summer of 2006 At that time my involvement in the Life Extension Movement was growing my enthusiasm was palpable trusted friends and colleagues urged me to undertake the project noting that it would give momentum to a nascent movement that was a mere blip on the political radar screen and bring needed attention to an issue that many thought might never be discussed seriously in a society that considers death an

unpleasant but inevitable reality Even though I agreed with this analysis I managed to avoid any serious attempt to start a far reaching debate on the political social and economic consequences of radically extending one s life into the future After all I thought the technology in this field is still at a nascent stage antiaging research receives few government grants controversy abounds in the scientific community as to the mere possibility of indefinite life extension most elected officials are clueless about it and even a majority of the President s Council on Bioethics is hostile to the idea But that being said I never was one to back down from a good fight I had read much of the scientific work undertaken by a multitude of scientists determined to understand how and why human beings slowly age and how we can reverse our demise and extend our lives indefinitely I disagreed with the naysayers who pompously declare that prolonging life will ruin the environment cause overpopulation promote wars over scarce resources as well as those narrow minded quasi pundits who embraced a number of bogus charges and half truths intended to impede further research into the causes of the terminal disease of aging I had more than enough evidence to confront the critics but for some unknown reason I lost the internal primal spark necessary to fight back I thought should I enter a battle that few know about and even fewer care Instead of hearing a clarion call to act I became mired in skepticism doubt and a growing resignation toward terminal apathy *It's Not Supposed to Be This Way Bible Study Guide plus Streaming Video* Lysa TerKeurst,2022-09-13 In this six session video Bible study streaming included New York Times bestselling author Lysa TerKeurst offers a safe place to share your disappointments fresh biblical insight to get you through painful situations and life giving perspectives for living between Eden and eternity Life often looks very different than we hoped or expected Some events may simply catch us off guard for a moment but others shatter us completely At times like these it s easy to feel disappointed and disillusioned and to wonder about the reality of God s goodness So what do you do when God s timing seems questionable his lack of intervention hurtful and his promises doubtful Lysa understands this deeply But she s also discovered that our disappointments can be the divine appointments our souls need to radically encounter God In this video Bible study Lysa invites small groups and individuals into her own journey of faith With vulnerability and honest humor she helps us Learn how to better process unmet expectations and other painful situations Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes Discover the secret of remaining trustful when God seems to give us more than we can handle Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us for what s next Know how to encourage a friend and help her navigate hard realities with real help from God s truth This study guide has everything you need for a full Bible study experience including The study guide itself with group discussion prompts activities personal Bible study video notes and a leader s guide An individual access code to stream all six video sessions online DVD also available separately Sessions and video run times The Birthplace of Disappointment 27 30 Living Between Two Gardens 18 00 Problems Placed on Us and Problems Within Us 18 00 The Four Steps of Restoration 15 00
